

Students Visit Central

The new students entering Central this semester visited here on Tuesday afternoon, January 9. They heard speeches by Principal Pointer, Miss Elizabeth Hamilton, and Mr. C. O. Fulwider. Following the speeches the new students were taken on a conducted tour of the building.

Something New Added

A new type of card is being filled out by the students this semester. They are special part-time class cards which were filled in yesterday. These cards were sent to the special class teachers, such as gym, swim, and glee clubs, so that these teachers will have a list of students due in their classes much sooner than usual.

Club To Aid In Collection

Fifty members of the Central Lettermen's Club will assist in collecting waste paper for the salvage drive on Sunday, January 28. Boys from all of the high schools in the city will meet at the City Hall, where they will be served breakfast. Following this they will collect paper all over the city.

Noon Movies Scheduled

The movie "Singing Cowgirl," starring Dorothy Page, will be presented during the week of January 29 to February 2. In the following week "Coastguard," with Randolph Scott, Frances Dee, and Ralph Bellamy, will be shown. Beginning this semester the Spartan Club will be in charge of the ushering at all noon movies.

Faculty Changes

There are three notable alterations in Central's faculty this semester. Miss Dora Keller, the head of the English Department, has retired. Her place as an English instructor will not be refilled, but her position as department head will be filled later.

Also leaving are Mrs. Helen Peterson, Spanish instructor, who will teach at Muessel, and Mr. Bernhart, who taught shop half days.

Miss Sudorf will continue to substitute in the English Department for Miss Wagner until she returns.

Hi-Spot Band Try-Outs

Try-outs for a Hi-Spot band were held in the Y. W. C. A. last Wednesday and Friday evenings. There was a favorably large response.

The purpose of these try-outs is to organize from the Hi-Spot talent a regular dance band.

In charge of the try-outs and the band are Clifford Trace and Kenneth Grossman.

Teens' Inn Ball Tourney

Teens' Inn will sponsor a basketball tourney at Oliver School beginning next week. The teams are composed of Teens' Inn boys from the ages of thirteen to nineteen.

Under construction at Teens' Inn is a club house which will be connected to Hering House. There will be a kitchen and club room facilities. It is being hoped that the building will be finished by the end of February.

\$916.60 worth of bonds and stamps were purchased by Central students during the week of January 15.

During the past two weeks, War Bond and Stamp sales at Central have definitely fallen off. Miss Ethel Montgomery, who is in charge of their sale, believes that because a war loan drive is not in progress at the moment, students slump in their purchases. She thinks that this attitude on the part of students is dangerous. She states that the men in the armed services overseas need the supplies that our War Bond and Stamp purchases provide now, more than ever.

Miss Dora Keller's 12A group has been transferred to Miss Obenchain in Room 122. EXCUSE IT, PLEASE!

The Interlude wishes to correct an erroneous statement printed in last week's issue. The class in drama is not being dropped from the curriculum.

There will be an advanced dramatics class as originally scheduled, but drama I is not offered in the second semester.

12A's AWARDED DIPLOMAS

The Commencement Service was opened with the Processional March, played by the Riley High School Orchestra. Reverend Robert M. Sell, of St. Paul's Methodist Church, made the invocation. The combined Glee Club sang "Onward, Ye People," by Sibelius.

Mr. Fred J. Helmen, President of the Board of Education, introduced Dr. James W. Clark, of the McCormack Seminary of Chicago, who made an address. Victor Herbert's "God Shall Guide Us" was sung by the Glee Club.

The graduates were presented and were awarded their diplomas. The program ended with a recessional by the Riley Orchestra.

SENIOR GIRLS GUESTS OF UNIVERSITY WOMEN

The South Bend branch of the American Association of University Women invited the Senior A girls to a meeting of their organization on January 16. A musical program was held with music supplied by the LaSalle A Capella Choir, followed by a talk by Miss Irene Feldt, Director of the Placement Service for Women, of Purdue University. The meeting ended with a social hour.

SANFORD AWARDED MEDAL FOR BRAVERY

The powerful sixth hour chemistry class has presented its instructor, Mr. Sanford, with a medal for "outstanding services above and beyond the call of duty." Mr. Sanford with no thought of personal safety, put out a fire in the chemistry department's waste basket on Friday, December 15. He accomplished this by turning the waste basket upside down, thus smothering the flames.

After the fire was put out, Walter Butcher and Jack Swank circulated a petition requesting that Mr. Sanford be made honorary fire chief of the school city. The petition was signed by all the members of the powerful sixth hour class. Walter Butcher presented the petition to Mr. Sanford, followed by wild applause, catcalls and cries of "Speech! Speech!" When called upon for comment, Mr. Sanford said, and I quote, "Keep calm, keep calm."

The medal, made by Malcolm Macdonald, was presented the following

TO WELCOME NEW STUDENTS

On February 6 a welcoming assembly will be presented in conjunction with the presentation of clubs. This is an annual assembly given each year for the benefit of the new 10B and 8B students.

Scheduled for the assembly are a brief welcoming message from Principal Pointer, who will bring out points of interest to new students; the presentation of the 10B Class Social Chairman, Mr. A. W. Peden, and Class Sponsor, Miss Edith Spray; the presentation of the various school clubs; and representatives from the different schools.

REV. COPELAND SPEAKS

At the Baccalaureate Service held on Sunday, January 21, the Reverend C. C. Pierce, of Stull Memorial Methodist Church made the invocation. An anthem "Arise O God and Shine," by Christiansen was presented by the joint Glee Club. Reverend T. M. Greenhoe, of Sunnyside Presbyterian Church, read the scripture and Reverend Donald H. Copeland, Rector of St. James Episcopal Church, presented the sermon, entitled "Fundamentals for Living." An anthem "Lamb of God," by Christiansen, was sung. The Benediction was pronounced by Reverend Pierce.

Monday, with a presentation speech by Mr. Macdonald. The medal, truly a work of art, has a miniature fire engine at the bottom, and the legend, "For bravery" inscribed across the top.

Several attempts have been made to fix the blame for the fire, but as yet nothing has been proved. When accused, both Forest Leighty and Harpo Miller vigorously denied having been near the scene of the fire. "Circumstantial evidence!" exclaimed Mr. Leighty. "I stand on my constitutional rights! I demand a writ of habeas corpus!"

"It must of been two other guys," said Mr. Miller.

Shirley Proud and Clarence King, dissatisfied with the verdict of "accidental combustion," have demanded an investigation. Mr. Sanford has promised to look into the matter, as soon as he gets the cinders out of his eyes.

EIGHTEEN 12A's EARN GRADES ABOVE 90

GRADUATES INDICATE THEIR POST-GRADUATION INTENTIONS

The highest rating student in the Senior A graduating class was John Brademas, with a scholastic average of 97.5 per cent. Pat Hukill was second with 96.86 per cent, and Dick Cortright, third, with 95.625 per cent.

Senior students graduating with a 90 per cent or higher average are Pat Baker, John Bergan, Thomas Blackburn, William Bruggner, Ralph Cherryholmes, Ann Dunnahoo, Donald Elli, Gloria Glicksman, Ann Hanyzewski, Don Koehnemen, Martha Lentz, Patsy McClure, Carmelo Ritschard, Robert Rowe, and Bette Sovinski.

As Central opens wide its doors to bid adieu to its graduating seniors, it is to be seen that these class members already have made good starts toward their futures in numerous ways.

The Cadet Nurse Corps has attracted Virginia Meyer and Anna Hanyzewski. Taking a general nursing course will be Florence Mickley, at Epworth, Betty Keene and Betty Sovinski, at St. Luke's in Chicago.

Already hard at work at Purdue University is John Bergan. College-bound are John Brademas, to Notre Dame, Ed Everly, to Indiana University, Don Gotsch, to Valparaiso University for an engineering course. David Hack and Dick Cortright.

Ruthdean Anderson is headed to Wilberforce University, Columbus Ohio; John Ayers, to Indiana University; Catherine Hack, to the American Academy of Art in Chicago; Juanita Barton, to Tuskegee, and Dorothy Davis, to Wilson Junior College.

Gloria Glicksman plans to enter the music school of one of the universities, Anna Marie Pasalich is undecided between the Marines or fashion designing school, and Lauretta May is going to a junior college. Frances Caspano is now study at the music conservatory in South Bend.

The Armed Services have made arrangements for the immediate futures of many of the masculine graduates. Lowell Badman is already in the Army and Chuck Finger and Jerry Michaels are in the Merchant Marines, Jerry being stationed in Brooklyn, New York. Clarence King and Carmelo Ritschard are Air Corps bound; Bill Menzie, Larry Oppenheim, Leo Schmanski, and Bill Sutherlin are attracted to the Army.

Within the next few months, the Navy will have claimed Malcolm McDonald, Richard Wagner, who is enlisting a week from Friday, Leonard Schmanski, who is planning to join V-6, Ralph Cherryholmes, Bill Hersch, Bob Jonas, Ralph Kapalzynski, and Walter Goetz. Joining the Merchant Marines are Bill Madison, John St. Clair, and John Hoffman.

He Has His Eye On Them

KEEP 'EM CLEAN

We are now beginning a new semester. In all our classes we have received textbooks that are to be ours for the coming months. It is our responsibility, as temporary owners, to keep these books in the same condition as they were when we received them.

We have acquired such habits as turning down the corners of the pages, throwing the books carelessly upon the floor, marking passages of special interest, or drawing pictures in the margins. It isn't necessary for Venus in your Latin books to be transformed into a Varga girl. It is time for some changes to be made.

Our parents pay taxes for our education. If we damage many books, more will have to be purchased. As the rate increases, taxes will have to be raised to support the increase in expenditures. We must also remember that paper is steadily becoming a rare commodity, which makes it difficult for new books to be published.

In view of these facts, let's try to keep our books in a spic and span condition. If any pages become loose, let's put them in securely with mending tape. Let's refrain from marking them with pen or pencil, and we'll never again throw them up the floor. It isn't too late for New Year's resolutions. Central will benefit from better care of the books, and you will, too. Follow the Golden Rule with your books—you'll be surprised how much easier it is to study from a book that is clean and tidy!

WELCOME, SOPHS

Within the last few days Central has thrust open her doors to welcome the new soph Bs. We're really glad to see you, sophs, and we want your three years here to come up to your highest expectations.

It's largely up to you to see that our dreams are realized. Of course, we seasoned seniors, juniors, and soph As are going to help you all we can, but your future is really in your own hands.

At present, most of the clubs are open for new members. This is your golden opportunity to get into one of the many varied interest groups.

And last, keep your grades up! This is probably the most important thing we require of you. First impressions are so important, and if you want to create a good one, we suggest you really buckle down and do all that is required, plus.

We oldsters will do all we can to help you. We were sophs once ourselves and we know what it's like! We like to kid you just a little, but the "elevator" is purely fictitious so far as you and I are concerned, I assure you!

On the whole, we help those who help themselves. So you do your part. We'll do ours.

NEVER AGAIN!

Last night I decided to eat a snack before falling into bed, so I whipped up a bit of a "Dagwood" sandwich, consisting of leftover steak, chicken salad, ham with mustard, pickle, onion, catsup, relish, calory-less mayonaise (diet, you know), lettuce, tomato, olives, and two very beautiful slices of bread. Because my mother is very inefficient, we hardly ever have any food in the house. Therefore, I was forced to almost starve to death. Not quite satisfied but awfully tired, I stumbled into my soft feather bed and drifted into the arms of Morphius. "Morph" and I found

ourselves strolling down the halls of Central, and who did we happen to run into—you guessed it, Bob Feltes and Marion Hall both looking like cupid had definitely not wasted the two arrows he had shot their way. We walked into a classroom and found shy guy little Bobby Malone in a corner tormented by the usual flirting skirts, Joan Carter and Nancy Lamarr. John Pethe and his current secret passion (Carol French), oops! guess it isn't a secret anymore—were whispering sweet nothings to each other. With a sigh and a gleam in his eye, John Brademas said good bye to Bernie Hultgren as she went into study hall to do his home work for him. Jerry Morrical was also leaving the girls' study hall and left behind him a swoony Murvil. Morphius was leaving too, and behind him he left a very sleepy and dismayed me.

Is it any wonder I woke up screaming this fine morning and vowed never to eat any food again. Gosh darned stuff gives you nightmares and besides, it's fattening. Hey, Mom, what's for breakfast?

I feel a story coming on—this time it's about a little man who is frequently seen about these halls, and especially in the chemistry lab. Now you know who I mean—Mr. F. S. Sanford. Of course, his collection of atoms, ions, and molecules really needs no introduction, but not everyone knows what he does when he isn't patiently explaining about valences, grams, and so on (ugh!).

Mr. S. is a great lover of the out-of-doors and likes to go on hikes and hunting and fishing trips. That accounts for his liking the colors pink and blue—the bears and fish being those colors, respectively.

None of that now; but we do believe him when he tells one of his loooong fish stories and he says he caught one larger than himself, because Mr. Sanford is not many inches over five feet himself. He has black hair and friendly brown eyes, and weighs 180 pounds.

Mr. Sanford's outstanding ambition in life is to have one of his ex-pupils become president of the U. S. A. Well, Dewey almost did and he taught Mr. Dewey in Owosso.

So far as I've been able to make out, Mr. Sanford has only one pet peeve, and that is students who don't know their valences! So here I am!

And here I go—hydrogen plus one; magnesium plus two—and oh, Mr. S., we all really do appreciate (?) the work you make us do so that we may become just a little bit as intelligent as you! Sodium, plus one—

Customer: "Do you remember that cheese you sold me yesterday?"

One couple we'd like to see more of: Don Royteck and Evelyn Manuszak.

John Brannon's finger is adorned with a very interesting Indian ring. Could it belong to Rosemary Fritz of S. J. A.?

Dear Aunt Verie—
Please tell me who the new Club members are, so I can congratulate them all. I've heard so many rumors that I don't know who's who.

Dear Perplexed—
Would be very glad to tell you and also add our heartiest congrats (and all that there) to:

Hey there Hobey, just what's going on with you and Janis Brown?

Does Sylvia Howell really mean it's quits as far as Alfred Warren is concerned?

The Drama Club certainly has been "cutting up" lately. For further details see "George Washington Slept Here."

Imagine the nerve of Betty Neeser Coming back from Florida without a suntan!! Could it be she was too busy seeing George???

What was it that made Vince Daube and "Bobbie" Runbom have such a good time at Diam. Lake?

The Lads club certainly seems to enjoy those parties at Joan Seaver's.

Woosome twosome: Pat Altgeld and Ramona Green.

Are Chemistry and Physics all that interest Eugene Mendenhall?

Why does Chuck Dolk always want to debate the subject "Is Woman's Place in the Home?"

Carolyn Curry is walking on a rose-colored cloud. It's Adams this time!

Dawn Bullard and Jim Horning seem to be doing pa-lenty okay.

Well girls, turn the fire down and cool off; Carol Lower has hooked Rin Grossman.

Carol White seems to be exceedingly interested in the library at noon. I didn't know there was a course called Fisher, but that seems to be what she studies.

Lumpy mashed potatoes to those who remain sweet and lovely only when they think a favor is coming from the object of their affection!

Peggy Muessel seems to have made quite a hit with the Goshen team and Vice-Verce.

Well, well, well, so it's Virginia Baim and Johnny Rippe together again!!

Bob Bayman of Adams certainly gets around! Don't you think so, Juanita Clark?

What's buzzin' between Joann Orr and Walter Pawlack?

Pobre Jim McCaffery—nobody loves him. (At least that's what he tells us, but I have information that points to the contrary!!!)

Bob Adams seems to be admired by two dashing dames: Dona Wilson and Oletha Escabeda.

You'll soon be hearing wedding bells for ex-Centralites Alma Mae Tohulka and George Gemberling.

Why doesn't "Viv" Anton give Ted Brummond a chance?

Still going steady: Taylor-Newman and Louks-Fassnacht.

Central is going to miss Dick Cortright.

Beverly Bondy and Joyce Gaska seem to have started a new fad by wearing a necktie in their hair. Been reading "Seventeen," girls?

Steve Lisek seems to be fascinated by the Brunette Club.

Bright prospects in store for: Connie Koehler and Dave Brown Margie Manuel and Milt Christian Nancy Engdahl and Pat Deneen Phil Casey and Bill Meyer Bob Farner and Frances Bukoll.

When looking over the new soprs, fellows, take a gander at Shirley (Babs to you) Brown, destined to go far at Central!!!

What Central girl would you most like to be marooned with on a desert island?

- Hobey Smith: "Miss Stegman."
- Bill Yoder: "Marilyn Glaser." (Some people know why.)
- Dick Cortright: "I'm an alumnus now—no telling!"
- Fred Moomaw: "Still looking the field over!"
- Dan Luzney: "Mary Ellen Carr." (Don't twist my arm anymore, M. E.)
- Walter Jaske: "Margaret Thomas."
- Floyd Catterlin: "Ruth Ganser."
- Jerry Morrical: "Beanie Wermuth."

DESPERATE?

Just gimme a man
With a million or two
Or one that is handsome
Would happily do.
A dashing young fellow
Is swell any day,
And one that is famous
Would suit me O. K.
But if the man shortage
Should get any worse
Go back to the very
1st line of this verse.

Ruth rode in my motor car,
On the seat in back of me;
I hit a bump at 85
And rode on ruthlessly.

A NEW SEMESTER

The second semester began yesterday. The record you made last semester has been recorded and is now final. Whether it was good or bad rests with you. For years to come when your transcript is called for these grades that you made these past few months will be a part of it. The question that confronts you is, does this represent your best? A student who fails to do his best is cheating no one but himself. More and more after the war is over and we get back to prewar conditions employment will depend upon training and educational qualifications. It is well then to get the best preparation it is possible to secure. The opportunity is open to you and it is up to you to take advantage of it.

BEARS THRASH BULLDOGS IN POSTPONED GAME

The Central Bears handed the Nappanee Bulldogs a 55-32 shellacking to conquer their third N. I. H. S. C. game, compared to two conference losses. Center Bob Adams and guard "Tug" Finger put in 17 and 15 points, respectively.

Because of the sharp-shooting of Hall, Pippen, and Guard they racked up an 11-5 lead, but the Bears added four more to make the first quarter score 13-9, with the Bulldogs leading. The Bruins made a quick comeback in the second quarter. They connected eight out of their twelve attempts, and they continued this drive throughout the remainder of the game.

In the fourth quarter Ed McCarthy came in as a substitute forward and bagged four field goals for the Bears. Nappanee center, Guard, who starred during the Bulldogs' victorious first quarter, went out on five fouls.

A total of twenty personal fouls were called against Central's Bears last Friday against Michigan City. The Michigan City boys capitalized on 17 of these charity tosses to defeat Central by four points. No basketball squad in any league can spot their opponents 17 counters and still have any hopes of winning. The Bears capitalized on five out of the ten personals Michigan City committed. The entire fame depended on charity tosses, and Michigan City came out ahead.

The swimming team will undergo a slight change in their starting men. "Mouse" Grossman of the breast stroke department is leaving for Arizona after Saturday's meet with Hammond, and Ernie Hood, so far this season ineligible because of an injury, becomes able to dive. Central has always had an outstanding tank squad. Perhaps this year's team can prove themselves worthy of the same praise.

Coach Elbel's tank squad was over-run by Horace Mann's team last Wednesday, 41-25. Central took two firsts, which were: Noble, in the backstroke, and Grossman, in the 100-yard breast stroke. Hahaj and Berta took seconds in the 220-yard and 100-yard, respectively. Third place honors came to Malone, in the 40-yard

and Schleuder in the diving department.

The Horace Mann boys also captured the free style relay. Central's really consisted of Christ, Makielski, Herman, and Schleuder.

Kalamazoo's tankers also defeated Central last Saturday in a contest that Central led in up to the last event, which was the medley relay.

Three points stood between the Bears and Kalamazoo, with the Bears in front. Central lost that relay and consequently the whole meet, 30-28.

First place laurels went to Noble in the backstroke and Grossman in the breast stroke. Mitchell took first in the diving department, followed by Schleuder of Central in the same event. Second place honors came to

Coach Elbel's men go to Hammond Saturday to meet a powerful tank squad there. An addition has been put on the team's schedule. Froebel will also be encountered when Central meets Horace Mann next Wednesday.

WOULDN'T IT?

Wouldn't this old world be better If the folks we meet would say, "I know something good about you!" And then treat us just that way?

Wouldn't it be fine and dandy If each handclasp warm and true Carried with it this assurance? "I know something good about you?"

Wouldn't life be lots more happy If the good that's in us all Were the only things about us That folks bothered to recall?

Wouldn't life be lots more happy If we praised the good we see? For there such a lot of goodness In the worst of you and me.

Wouldn't it be nice to practice That fine way of thinking, too? You know something good about me! I know something good about you!

Now I lay me down to sleep,
The lecture's dull, the subject deep,
If teacher should quit before I wake,
Give me a poke, for goodness sake.

PARENT-TEACHERS HOLD HEALTH INSTITUTE

Dr. Thurman B. Rice, the Indiana health commissioner, spoke to a large audience of mothers in an all-day health institute conducted in the Central Auditorium by the South Bend Council of Parent-Teacher Associa- tion on Wednesday, January 17. He stressed the importance of a happy home life for the success of a child, emphasizing the need for the parents to set a good example as a child could learn much more valuable informa- tion this way than anything taught from a book.

During the afternoon session, a panel discussion on "Communicable Diseases and Immunization" was held.

Dr. R. B. Sanderson spoke of the danger to the heart from rheumatic fever. He explained that the disease is not communicable but results oft- entimes from communicable diseases.

Dr. K. T. Knode rounded out the panel discussion by explaining and outlining an immunization program for a child starting at the age of six or eight months.

The Interlude staff and the stu- dents and faculty of Central High School wish to express their condol- ences to Miss Ethel Montgomery, Dean of Girls, on the recent death of her brother, the late Mr. Chester R. Montgomery.

RATION POINTS REDUCED

Hamburgers have gone to war. Hereafter the school cafeteria may be unable to serve meat except on the plate lunch. Hamburger sandwiches have been discontinued. This is due to a drastic reduction in the red point allotment to the cafeteria.

The point allotment to Central has been cut to about one-fourth of the March, 1943 allowance, while at the same time points for some foods, like butter, have trebled. Mrs. Gladys Staples, who is in charge of the cafe- teria, states that both labor and food costs are much above last year's, but she is still striving to give the best balanced lunches at the lowest pos- sible costs.
