

Pointer Returns Home

Mr. P. D. Pointer, the Central principal, left the St. Joseph Hospital where he was recovering from a severe illness and returned to his home on Saturday, September 29. Mr. Pointer hopes to return to school in the near future.

Library Honor Rooms

Miss Genevieve Hardy, librarian, announced recently that eleven home rooms start the year on the Library Honor roll. Rooms 108, 115, 116, 123, 209, 303, 311, 313, 321, 322, and 403 have the distinction this week of having all their library "business" up-to-date, and can display the Honor Roll banner. For each week that a room is on the list, it will be entitled to receive a banner, properly dated. Make plans now to be on the eligible list for this recognition.

Airplanes On Display

Model airplanes are on display in a case in the main hall. The display includes models of the Northrop Black Widow, the Douglas D-3, the Lockheed Lightning P-38 and a plane showing the "stick" and the foot pedals which operate the plane. The famous Black Widow was expertly made by Fred McFaul, a former Central physics student.

Percy Grainger Coming

The South Bend Symphony Orchestra, conducted by Edwyn Hames, will open its season on October 21 with Percy Grainger as guest artist. Student tickets, selling at \$1.80, may be obtained from Miss Weber or Mr. Cleland. They also have adult tickets selling at \$3.00 plus tax. On December 2 at 4:00 P. M. the South Bend Symphony will present an all symphony concert. Carroll Glenn, famed woman violinist, will be here on February 3. On March 7 the symphony will present a "Pop" concert. The season will close with the appearance of Witold Malcuznski.

Inter-School Council

The Inter City Student Council met to elect officers last Thursday at Central.

The president is Betty Rhodes, from Riley; Vice President, Dick Guin from Adams; Secretary, Janice Van Houten from Adams, and Treasurer, Don Krider from Riley. Four schools are participating in Council at the present time: Central, Adams, Riley and Mishawaka.

Classroom Quiz

"The Classroom quiz," a weekly program, heard over W.S.B.T. every Thursday evening, will again select students from the different schools in the City to participate in their program.

Central's turn will come sometime this fall. The school will be notified approximately one week in advance.

The program this season will essentially be the same as last spring. There will be three students from each of two schools every Thursday evening. Each of the six student contestants will receive one dollar in cash for participating in the program. The student who compiles the highest score on each quiz program receives five dollars in cash. Cash prizes are being given this year instead of war saving stamps.

Spanish Club Officers

The officers for the current semester of the Spanish Club which is under the sponsorship of Miss Ceyah, have recently been elected. They are Richard Edwards, president; Dan Metros, vice president; Doris Elbel, secretary; Phyllis Roberts, treasurer; Catherine Cox and Marie Hilton program co-chairmen and Beverly Farnsworth, social chairman.

BOOK COLLECTION HELD

The Handy Andy Club, under the sponsorship of Miss Edith Spray, will be in charge of the collection of books for the "Books for Russia" campaign which is to be held here during the weeks directly following. During the German occupation of Russia almost all of the libraries were destroyed. We seek to replace those English language volumes to promote a closer understanding between the United States and Russia.

One million books are sought nationally. Central's students are urged to bring good books, preferably by the following American and English authors:

Washington Irving, Emerson, Thoreau, Walt Whitman, Mark Twain, Herman Melville, Edgar Allen Poe, Bret Harte, Jack London, Robert Louis Stevenson, Upton Sinclair, Longfellow, Frank Norris, Sinclair Lewis, Hemingway, Steinbeck, Harriet Beecher Stowe, Pearl Buck, John Hersey, Richard Wright, Archibald MacLeish, etc.

Among the English writers are Chaucer, Shakespeare, Coleridge, Johnson, Sterne, Swift, Defoe, Keats, Shelley, Browning, Spencer, Wordsworth, Tennyson, Dickens, Swinburne, Byron, Fielding, Burns, Wilde, Galsworthy, Gray, Donne, Herrick, Bronte, Eliot, Austin, Hardy, Conrad, Priestley, etc.

Paper bound books can not be sent. Textbooks, school books, dictionaries, encyclopedias, translations from foreign languages, and books that are defaced or with broken bindings are not desired. The collection will be made in Room 16 of the Junior Bldg.

LECTURE SERIES HERE

The Town Hall Series of lectures will be very interesting this season, as is usual. Brigadier-General Carlos Romuol, the first speaker was attached to General MacArthur's staff during a good portion of World War II. Mme. Vijaya Pandit is a political leader and writer from India. Other speakers are Dr. Louis Berg, a psychiatrist and sociologist; Dr. Kirtley F. Mather, an educator, author and professor of geology at Harvard; Nora Waln, author; and Maurice Hindus, an expert on Russian affairs. Tickets may be purchased in the Bookshop for three, four or five dollars.

Movie Operators Elect

The Movie Operators Club has recently elected the following officers who will serve this semester. President, Don Smith; Vice President, Vernon Baer; Secretary, Dennis Richardson; Treasurer, Richard Fox; Reporter, George Cohen; Sergeant-at-Arms, Bill Frost.

Football Queen Nominated

The annual election of the football queen for the Mishawaka Central game will take place during the first two weeks of October.

The nominations from the respective senior high grades was held this morning. Next week the election of the queen will take place. This second election is to choose from the nominees of each grade the one who is to be queen.

The queen will be announced at Leeper Park on Friday the 19th of October. The Hi-Y president will crown the queen with the traditional crown which will be worn during the rally and at the game.

COUNCIL COMMITTEES

The Student Council has recently elected and appointed the committee chairmen and members that are to serve the student body for this year.

Heading the Finance Committee this year is Jim Brademus with Don Looten, Phil Potts and Robert McDough assisting him. Howard Johnson is chairman of the Publicity Committee and Bill Kline, Bob Ivy and Mary Schube are committee members. The Cafeteria Committee is headed by Don Looten with Howard Newbow assisting him.

The Safety Committee chairman is Rollie Cooper with Phil Potts and Fred Prikosovitch as committee members. Joe Hickey is the chairman of the Election Committee with Ned MacWilliams, Rollie Cooper and Phyllis Casey as committee members.

Noon Committee News

The Noon Committee has selected these students as their officers for this semester: President, Pat Bohm; Vice President, Dewey Welch; Secretary, Doris Stein; Treasurer, Bill Ludders.

POLL RESULTS REVEALED

The future is rather dismal for the United Nations Organizations if the opinion of 192 Central students carries any weight. In the September poll of the Institute of Student Opinion, sponsored by Scholastic Magazines and conducted by the Interlude, 58 of the 119 girls and 40 of the 73 boys stated that they believed that it would not prevent another world war during their lifetime. Only 49 girls and 27 boys believed that it would while 12 girls and 6 boys were of no opinion.

To a second question, "Which of the following comes closest to being your ultimate aim in life?" Two girls and six boys expressed a desire to make a lot of money. The largest group of students, 56 girls and 27 boys wished to live a simple but secure and happy life without making a lot of money or becoming famous. Thirty students, 23 girls and seven boys, wanted to serve society and help improve the health or welfare of their fellowmen. "A desire to become famous was acknowledged by another group of 30, 17 girls and 13

boys, and almost as many, 10 girls and 19 boys, aimed to be prominent and respected members of their community. Twelve students, 11 girls and one boy, confessed they didn't know what their ultimate aim was.

By far the greatest number replied they didn't know what would be their greatest obstacle to overcome in reaching this ultimate aim in life. Of the 83 students who checked this answer to the question, 59 were girls and 24 were boys. Lack of talent was considered the greatest handicap by 12 girls and three boys while nine girls and eight boys listed their lack of training or education. Thirteen Centralites, eight girls and five boys, felt a need to overcome "poor health, physical handicap, or lack of physical stamina." Lack of money is believed to be their biggest problem by eight girls and 16 boys and lack of "pull with the right people" is the main difficulty for 11 girls and 13 boys. "Unwillingness to make the personal sacrifices necessary to reaching my goal" was considered the greatest hinderance to their efforts by 12 girls and four boys.

CLUB TO BOOST CENTRAL SPORTS

MEETINGS HELD MONTHLY

A new community sports booster club has been recently organized at Central. The organization, to be known as the Punt and Pivot Club, has named as its officers, Harry Sears, president; Dick Robertson, secretary; Otto Neilson, treasurer. The group membership is open to any Central graduate or other sports follower except members of the Central staff.

Foremost among the aims of the new club is the establishment of Central as the leader in the local field of secondary school sports. To create more interest in sports participation the club will offer trophies or awards of some kind to the outstanding sports participants at Central and at Central feed schools, namely, Linden, Madison and Muessel Junior High Schools. Other plans are being developed.

Meetings are held on the second Tuesday of each month. The next meeting is scheduled for October 9 in the Little Theatre, room 114, at Central. Central sports fans are cordially invited by the club's board of directors to attend this meeting.

CENTRAL MEETS PROVISO TOMORROW NIGHT

The Proviso Pirates from Maywood, Illinois will engage the Central Bears in a non-conference grid tussle on School Field this Friday night at eight o'clock. Coach Louis Slimmer's Bucaneers are again a very strong aggregation with a powerful line and a well-rounded backfield but the Orange and Blue are an improved team over the 1944 squad and should repeat their victory of last year over the Proviso grid-men.

Not too much is known of Coach Slimmer's eleven as they have been engaged in only two contests so far this season. They have four returning lettermen, but none of the lads who made the most trouble for the Bears last year at Maywood will be in the lineup this year for they have all graduated.

Last year the Bears beat the Bucs, 20-7, on their field before a crowd of 4,500 in a very rough-and-tumble grid tussle. Coach Crowe is hoping to triumph again and make a clean sweep of the two-game series.

The probable starting lineups:

ON THE RECORD

In spite of the seemingly endless desecration of rain upon our great city I have managed to flood myself out of the recent daze I've been in, due to a severe mud bath suffered by me last Sunday, and taken my place, pen in hand, to again attempt to send your way the names of the latest hit recordings.

The rain may dampen some, but not the deep voice of Dicy Haymes as he gives out with the new and beautiful, "It Might As Well Be Spring." A fine man and a fine song cannot miss popularity. The band and sweet sax of Coleman Hawkins has made the mark with their instrumental "Stuff." It may be futile, but ask for the best in tenor sax solos, Coleman's "Body and Soul."

Vaughn Monroe has let fly with a new one about a town down South he wants all of you to get acquainted with. It's called "Down in Chi-Chi Hotcha Watchee." It really does sound good. Vaughn's spot on the hit, slow record of the week can be turned over to the Pied Pipers who have a mighty nice "We'll Be Together Again." If you want a danceable tune, the Pipers have the ticket.

A trumpet and an old tune make the lovebugs go astray as Benny Carter plays "I Surrender, Dear." Benny has a reverse side which shows promise as he switches to sax and plays "Malibu." The large amount of tunes about or from towns south of the border is getting annoying. I wonder what the strange attraction can be?

The amazing Miss Jo Stafford, who just had the hit "There's No You," has done it again with Jerome Kern's "That's For Me." You can bank on Miss Jo to make it mighty pretty.

Your reporter has a humble confession to make to all of you. I am very sorry about the whole thing but it can't be helped now except for this apology. Last week's column urged you all to buy "A Paper Moon" by Harry James. It seems that I was in a daze when I wrote that and that the real recorder of that tune was Benny Goodman. I recommend the song still and beg your forgiveness.

Speaking of Mr. James he has really produced the goods in his "11:60 P. M." and "Carnival." They are fine releases and the trumpet man gets the orchids this week.

My own three hits of the week stand as follows:

1. "It Might As Well Be Spring" by Dick Haymes.
2. "We'll Be Together Again" by the Pied Pipers.
3. "11:60 P. M." by Harry James. Good-bye and Good Luck to each and all of you.

It was a great disappointment not to be able to go to the Washington-Central football game Monday night. Everyone was all set, but the weather man got his weather mixed up again. South Bend will soon be a floating city.

The Ushers were particularly disappointed. They enjoy helping the people find seats, and Bob Pendl always manages to save Bev. Barnesworth a place near his post (ain't love grand?). HOW TO BE REMEMBERED

You often find a friend's name carved in your desk, or find his name written somewhere on the school walls. If you ask him why he put them there he will nine times out of ten reply, "I didn't want them to forget me." Carving names in desks, what a deed to be remembered by!

It would have been more sensible if this student had spent the time it took to carve his signature to do something useful for the school. Extra-curricular activities are very valuable if you want to be remembered. School plays, athletics, and working on the school paper are just a few items which help your school. Doing your school work to the best of your ability is another.

Will your contribution to your school be your signature on a desk and pencil marks on the wall, or will you contribute something to improve your school for the future students?

By what deed will you be remembered?

MEET THEM HALFWAY

We have at our disposal an excellent school library. It contains almost any book that could possibly be related to school work, plus a large collection of fiction.

These books are all at our disposal. They can greatly aid every student in his school work. If we cooperated with this by returning books on time, the system in the library would work much more smoothly.

On the weekly bulletin, there is a list of home rooms which have not had an overdue book for the preceding week. There are ten home rooms on the average. There are fifty-three home rooms at Central. That is not such a good record!

Resolve, for the next year, to get your books in on time, if possible. Meet your school library halfway.

Question: "Why would you want to skip school?"

"Becky" Anton: "So I could go to California!!"

"Louie" Rosenberg: "To keep out of the 'Holy' messes I always get into."

"Bobbie" Mahler: "But I love school and besides he doesn't get off the campus during school hours."

Vince Daube: "Gus" is a pretty nice place, isn't it, fellas?"

Marilyn Bowker: "Now really — I never skip school!!"

John Spears: "It's so-oo much fun looking for admits!!"

"Gerrie" Buhler: "See if I could get away with it!"

Jim Scoffington: "Get out of gym — you know how it is, boys!!"

Peggie Cowger: "Bowker stole my answer. Neither of us would ever miss school (not to be taken two ways, underclassmen)."

"I would like to express to the school my appreciation of the splendid manner in which you are carrying on during my illness. Also I want to thank you for the many cards and letters received from the students and faculty, because they have helped me greatly in passing away the last five weeks in the hospital.

"I'm looking forward very anxiously to the time when I shall return.

"My congratulations to the football team in their victories so far, and naturally I have been following them with great interest. I certainly would have like to have been there when you played. I feel confident that we will beat Washington this year and I am sorry that the rain canceled the previous date set for the game.

"I heard someone give a talk on the radio concerning the Barnstormers production, 'Noah,' and he did such a splendid job, it made me all the more desirous to see that production which I am sure will be an excellent one.

"I know it won't be very long before I can be back with you again."

Conference Tennis Match Set Up To Oct. 6

The N. I. H. S. C. tennis tournament originally schedule for Sept. 29, was postponed until this Saturday, October 6. There will be seven schools besides Central entered in this tennis "macth of matches." The schools that have submitted their names for the tournament at Leeper Park include: Central, John Adams, Riley, Elkhart, LaPorte, Michigan City, Goshen, and Mishawaka.

Elkhart is again the odds-on-favorite as they have most of their lettermen back from last year's conference champ team. Second place honors will probably fall to either John Adams or Central. Both are strong this year, but the Blue Blazers will be just too hot to handle.

The pairings are made out and in singles there is for the Orange and Blue:

1st man — Clauson vs. Baker (Adams)

2nd man—Overholser vs. Wardel (Mishawaka)

3rd man — McDole vs. Wharton (Elkhart)

Doubles:
Paskiet and Mull vs. Krueckenberg and Klatt (Mishawaka)

Rain, Rain, Rain

Last Thursday's match with Elkhart was rained out right after the tennis lads had started to play. The match was not to be re-scheduled. Central had a match last week with the Mishawaka Cavemen but the Bears were too strong and won 5-0. Central's Clauson trampled over Banes, Overholser beat the the Maroon's second man. Wardell, McDole for Central pushed aside Celie, Paskiet and Mull in doubles thumped the Cavemen's Krueckenberg and Klatt, and Cooper and Dungez rapped Kinzie and Sherry of the Maroons in the other doubles match.

JUNIORS IN ANNUAL FOOTBALL CARNIVAL

The Junior high football carnival was held at School Field last night with Central pitted against Lincoln from the Eastern Division. The Cubs have a much better team this year than last as Coach Elbel has more and better material to work with.

BEAR FACTS

Seems as how Coach Crowe's football lads didn't take any especial liking to the field they palyed on last Friday night down in Louisville. Talking to one of the starting eleven, Ol' Cubskin found out that the game was played on a clay gridiron instead of good grassy terra firma. To make things worse, it was a nice night for ducks, as it rained continually during the contest. Of course, the Bears were not used to playing on wet "tennis courts" which the field resembled, so they were at a distinct disadvantage as the Male boys even practice on the same field.

The grimy conditions weren't the real cause of defeat for Central's eleven. The Male team was good, and they were big. Coach Jenkins' line outweighed ours by 10 or 12 pounds. The Bruin forward wall averages 163 pounds while the Kentucky State champs tilted the scales at an average of 175.

Congrats go to Nawrot who did the scoring for Central, and also to Dick Flowers who pulled off several nice runs, including one of 65 yards.

The Bruin B eleven marched to Elkhart last Saturday to meet the Blazer seconds in a conference struggle and thumped them 20-0. With Brademas at quarter, Hay and Boggs at ends, Coach Jack Nash's Orange and Blue seconds scored easily against the Blazers. Perkins at right half scored one TD and kicked two points. Drycker made the other two touchdowns. In their first conference contest of the season the B's were downed by Michigan City 20-0.

Coach Jack Nash's cross-country team opened its 1945 season with a meet against the Mishawaka Maroons on the Cavemen's course last Tuesday. The fleet-footed lads with the strong lungs will be led this year by Co-captains Pat Altgelt and Chuck Neises. The most promising looking boys along with the co-captains are: Rudy Wilfing, Don Kosinski, and George Nusshart. The remainder of the squad is made up of Al Tobalski, Jim Wolfe, Dick Slott, Russ Reid, and Eugene Bolinger.

The Bear cross-country congregation has a tough schedule to meet this season as both Elkhart (as usual) and Mishawaka are overflowing with talent. The Orange and Blues' schedule is as follows:

- Oct. 5—LaPorte (Here)
- Oct. 11—Tentative
- Oct. 16—Elkhart (Here)
- Oct. 23—Tentative
- Oct. 26—Adams (There)
- Nov. 3—Conference (LaPorte)

Cubskin's predictions for this week: Central to beat Proviso.

Riley over Washington (I'm sticking my neck out).

Mishawaka to handily down Goshen.

Adams will take Plymouth in a close one.

S. B. Catholic will lose to St. John's of Benton Harbor.

Central's golfers under the watchful eye of Coach Walt Kindy, split in two matches played last week. On the Erskine course they were beaten by the Wildcats from Riley, 7½ to 4½, while against LaPorte at LaPorte, the Bears thumped the Slicers 8 to 4. Central now has a .511 average in the conference standings as they have lost two, won two, and tied one. Adams is the conference leader as they have not lost a match.

This Saturday the Bruins will trip over to Beechwood Country Club at LaPorte for the conference golf tournament. The teams matched against

each other are: Central, Adams, Riley, Mishawaka, Crown Point, LaPorte, Hammond High, and maybe Indianapolis Tech. As Adams is the conference leader they are favored to win the tournament but should have a tough time against Central, Mishawaka, and Crown Point. The boys who will be swinging the clubs for Central at LaPorte on Saturday will be Ned MacWilliams, Capt. Bill Hullinger, Manuel Weisel, Jim Rhouselang, James Parks, and Hank Kruszewski.

Reflections from the Adams game —The Tower gave Central a good blow as they wrote saying even though the Bears won by a large score the whole business was very sportsmanlike. Thanks, Adams, and we think you were pretty swell too on the sportsmanship deal.

If Coach Jim Crowe and his fighting eleven never see Louisville Male High School again it will be too soon. Although the Bears lost the game by a close score of 13 to 12 that was not the only bad part about the game. The playing conditions were terrible.

It was Jim Nawrot that kept Central in the game. Jimmy scored two touchdowns only to fail on conversions that caused the loss. The Bears took the lead right off the bat when Jake took Male's Sherman Robinson boot on his own 35 and ran 65 yards for the first T. D.

Bears Edged Out By One Point At Male

Louisville didn't lose any time at getting even with the Bears. After a steady drive in the second quarter Gene Rhoades went over right tackle to tie the score at 6-6. Robinson kicked the extra point, putting them in the lead 7-6 at the half.

The third quarter found Male's Right Half Bob Boyer racing 50 yards to score. Things were dead again until the final period when Nawrot again raced over for another six points. Again the conversion failed, and when the final gun sounded Male was leading 13-12.

Next year Louisville will be the Bruins' quest, and they have promised Male much better playing conditions. The Bears had anything but Southern Comfort. The field was clay instead of grass, and it was just Central luck to have it rain, thus making matters all the more slippery to handle. The field also has little hills in it. Lineup:

MALE (13)	CENTRAL (12)
Phelps	LE Ring
Snider	LT Udvardi
Graham	LG Kapalczynski
Loyd	C Jensen
Crouch	RG Spencer
Rupp	RT Christen
Tafel	RE Roytek
Ormon	QB Myers
Boyer	RH Nawrot
Robinson	LH Deranek
Jones	FB Flowers

Score by quarters:
Male ----- 0 7 6 0—13
Central ----- 6 0 0 6—12
Touchdowns: Male—Rhodes, Boyer; Central—Nawrot (2). Points after touchdown: Robinson (placement).

UBS BEAT WASHINGTON

Central's Junior High gridders under the direction of Coach Clarence Elbel, have opened their '45 season and appear to be in pretty good shape. Coach Elbel says that they look much better this year than last, and if they keep working as hard as they have been they ought to have a plenty good record by the time the season closes.

The young Bears have Wayman Redding and Connie Macaw as the top kicks in their backfield, while Dean Robin and Bob Miller are the big boys in the line. The Bruins' backfield averages about 140 and the line averages 145. That is a plenty heavy average for a junior high team.

Although the Cubs opened the season with a loss, they came right back in their second game and outclassed their toughest opponent, Washington, by a close score of 14 to 13. Redding scored 13 out of the 14 points. It was a long pass in the last few seconds of the final quarter that gave the Bears their victory. The season opener was lost to Oliver by a score of 12 to 0. This defeat was due to the fact that the Bruins only had three days of practice before the game.

The tickets for the East-West Lecture Series are being sold by Mr. J. C. Dickey and Mr. V. C. Cripe. The tickets sell at two dollars for adult tickets and one dollar for student tickets. The first lecture will be held on October 8 with Pearl Buck as speaker. There will be five lectures in all.

VERIE (Cont'd)

game are something to look forward to, aren't they, Nettie?

This short delay will give the girls a chance to recuperate from their slumber party of last Thursday night. I wonder if Carolyn Emmett ever finished that letter to Matt. (I don't remember, I fell asleep at 4 a. m.)

I know we are all looking forward to a wonderful victory on October 25 when we meet Washington. Don't lose faith, students, it's sure to stop raining sometime?

**ARNOLD
WESTLY
PEDEN**

If you are ever down by room 210 and hear, along with the clicking of many typewriters, a low bass voice enumerating a-s-d-f space-semi-l k-j space, over and over you will know you have heard the voice of Arnold Westly Peden who has been gracing the halls of Central for eighteen long years.

Mr. Peden who is proud to proclaim that he is all Scotch and was born in the first capital of Indiana, Vincennes, graduated from the State Teachers College and later took his Master's degree at Indiana University. He now teaches typing for the commercial department.

Mr. Peden is a lover of antiques and he and his wife turned their hobby of collecting antique furniture, dishes, glassware, etc. into a profitable little business. Besides this interest he is particularly fond of art and music. He plays the piano and organ. The only things he finds unbearable are untidiness and celery.

Mr. Peden also confided to me that he has a definite aversion to well-dressed women but that I shouldn't mention it. (I don't believe it either.)

G. A. A. ELECTS

The Girls' Athletic Association, under the leadership of Miss Elsie Chalfant, has elected its officers for the following year. They are: Anna DePew, president, and Ethel Molnar, secretary.

The club's activities include softball two evenings a week and bowling once a week for the first period.

Committee heads are as follows: Volleyball chairman, Marnette Jones; Softball chairman, Delores Long; Arbutus Smith is in charge of bowling and Katheryn Wither is the Press Representative. The vice-president of the organization is Kathleen Frame and Sylvia Niezgodski is treasurer.

This semester the G. A. A. is instituting a probationary period for all new members. This period lasts for four weeks and during this time the club decides whether they desire the new members to remain in the organization.

HANDY ANDY CLUB ELECTS OFFICERS

The Handy Andy Club, under the sponsorship of Miss Spray, has organized and elected the following officers: Barbara Mahler, president; Lorraine Krueger, vice president; and Marilyn Bowker, secretary-treasurer. The Handy Andy's first project of this semester is the current "Books for Russia" campaign.

Fire Prevention Week

As the week of October 7 to 13 is Fire Prevention Week throughout the nation, Central students are urged to look through their homes for any fire hazards and to be particularly careful of fires. Fire drills will be held in city schools to see how well prepared the schools are for any emergency.

Through October 7 to 13, "Clean Up" Week, another paper drive will be held here at Central. This drive differs from the ones of the past in that the profits made from the sale will be returned to Central for its use. Students are urged to bring all waste paper possible to school during this period.

Attention Movie Goers

Mr. Merlin Richard, assistant principal, requests that all students attending noon movies sit in the main auditorium—not in the balcony. Students are also urged to use the side entrances when entering the movies late.

HEARD ON A CRACKER BOX

First Roach: "Where are you going so fast?"

Second Roach: "Don't you see that sign? It says: 'Tear along this line.'" —Froth.

Smith took his Aunt out riding,
Though icy was the breeze,
He put her in the rumble seat,
And watched his Anti-freeze.

"I stole a kiss the other night,
My conscience hurts, alack.

I think I'll go out again tonight
And give the darn thing back."
—The Pointer.

YOU SHALL KNOW THEM

You can always tell a junior, she is always neatly dressed.

You can always tell a sophomore, she is always at her best.

You can always tell a freshman, by her sheepish looks and such.

You can always tell a senior, but you can't tell her much.

PART-TIME JOBS HELD BY CENTRAL STUDENTS

This year as usual, most of our high-school girls and boys are engaged in work after school. Now that the war is over, the majority of them, especially the boys, have had their jobs in the war plants, etc. disappear. The girls too have felt the blows of reconversion. Some however have been able to retain their former positions.

A recent survey shows that a large number of boys are working in the South Bend Tribune building, because of the varied and interesting work there. One-ninth of the boys working, work in theaters as ushers, while still others find employment in grocery stores. Most of the local clothing and department stores employ some Central students as stock boys and clerks. The various local hotels also employ several boys at bellhops—while still another group works in drug stores as soda-jerks, clerk, and the like.

The girls do their share of the work too. More than half of Central's girls are employed in the local department stores and dress shops; as sales clerks, etc. A few work in offices and some as waitresses. Although there are a few students who aren't interested enough in working part time, subsequently many boys and girls work in their fathers' local stores, and enjoy doing so, while getting paid. The fact that many of our boys and girls today realize the importance of their holding down these jobs, is the main reason why they have succeeded!

STUDY HALL CAPERS

There was a little girl
And she had a little smile;
She sent it to a little boy
Across a little aisle.
He wrote a little note
But he made a little slip;
And they both went together
On a little office trip.

—El Paso High Tatler.

One: "Do you know what termites do?"

Two: "Naw!"

One: "That's right!"

—Benson High News.

ROTC Officer (timidly): "Why didn't you salute me yesterday?"
Bold Private: "I didn't see you, sir."

ROTC Officer: "Good, I was afraid you were mad at me."

GIRLS—

DON'T try new tricks with your hair—wear the style you KNOW is good for you.

WEAR a simple blouse or dress—no Sloppy Joes—they're out And don't wear a print—it detracts.

WEAR a light lipstick—but no rouge rouge casts shadows.

WEAR jewelry if you wish—but keep it simple.

BOYS—

DON'T get a "Butch" haircut for your photograph you don't want to look 'skinned' do you?

HAVE your coat neat looking freshly cleaned and pressed.

WEAR a necktie to harmonize with your suit a gaudy tie becomes tiresome.

BE SURE your posture is good—it shows up in a photograph.
