CIRO Give "Heart Throb Hop" Tonight

CIRO's "Heart Throb Hop" will be given today from 3:40-5:30 p. m. in the gym. The "Serenaders", directed by Tolman Gharst, will play for dancing. This dance is being given primarily to welcome the new 10B's and 8B's to Central but every Central student is invited. Refreshments will be sold at the dance and the admission is free.

Employers Of Students Sent Work Report Cards

Employers of students who work part of each school day are being sent cards in an effort to find out if each pupil's work is satisfactory. Counselors are being asked to make reports of students' scholastic standings also. If either reports are unfavorable, the employed student may have the working privilege withdrawn.

Safety Ranked At Central

In a recent poll conducted at Central, one hundred seventy-five students, teachers, and other school employees were found to operate motor vehicles. This poll was taken in response to a request made by the South Bend Safety Council. Attempting to determine a ratio of safety between organizations, the Council will place Central in a division composed of other groups with approximately the same number of drivers. When accidents occur, the organization to which they belong will have toward rating. The program mentioned is to help the Council check on the stress placed on safety by various groups and to know where extra safety promotion is needed.

15 Students Teach Here

Student teachers from St. Mary's College and Notre Dame University are taking practical teacher training at Central by assisting Central teachers. Preliminary to receiving their degrees for teaching, each student must spend 40-60 clock hours in some public school-room. The fifteen apprentices at Central are here for forty days. These students are assisting the following teachers: Miss Lavonne McReynolds, Ruth Snyder, Antionette Ceyak, C. L. Kuhn, Edith Spray, Earl Kuhny, Agnes Frick, Francis Sanford, J. R. Smith, Chris Dal Sasso, Clarence Elbel, John Burger.

"Serenaders" Active

Central's School bands have several dates listed for this month. Tonight after school, the "Serenaders" will play for CIROS "Heart-Throb Hop" to be given in the gym from 3:30-5:30 p. m. On March 7 there will be a Junior Izaak Walton benefit program in the school auditorium at 8:00 p. m. The band will offer western selections in accompaniment to Mr. Arthur L. Smith's travelogue on the United States' western land.

Mr. Tolman Gharst, director of the school band and orchestra, will attend an instrumental workshop in Elkhart, February 21, along with all the other South Bend school band directors.

HOLDING THEIR OWN ON THE VARSITY DEBATE TEAM

Wranglers making the 1946-'47 Varsity Debate Team at Central, coached by Glen Maple, are shown above. They are, left to right: Glen Maple, coach, Fannie Hawk, Shirley Roth, Fred Fischbach, Joan Gadowski, Marilyn Rohrer, Virginia Ewing, Dorothy Gruszynski, and James Gleason, captain.

COMPILES CONDUCT CODE

Code of Conduct is the basis for a set of 10 student made rules being compiled by the Student Council. The rules will represent a pattern for good student conduct to be placed at various places in the school so that students may have frequent opportunities to review these laws and also work them into their daily school life. At the present time, the Code is being referred to the home rooms in order that students may have a chance to revise any of the rules before it becomes an established code around school. All changes suggested by pupils will be taken to the Council meeting by the home room senators and there final revision will be made on the general rules.

The Finance Committee is completing plans for a book exchange. Students who have old books will be asked to donate them to the Council which, in turn, will sell them in order to raise money to pay for the voting machines used in the spring council elections.

Dave Brown, president of the Council also announced that Central has sent a letter of invitation to all high schools in this part of the state to form a Northern Indiana Student Council Association. These schools were formerly a part of the state association until it disbanded a couple years ago.

Forum Of Affairs Meets

The Forum of Student Affairs held its first meeting of the semester on Friday afternoon, February 7, in the School Administration building. Mr. John Robinson, from New York, who organized the group, and who works with similar organized groups throughout the country, attended the meeting.

Several concrete problems which are tangible and capable of being discussed, were suggested, and a vote was taken to decide which should be discussed first. It was decided that a problem of current interest and one that action could perhaps be taken on is that of school activities outside of school hours, especially social activities.

Mr. V. C. Harter was asked to make a bibliography of books that members of the group may read in order to be able to discuss this problem more intelligently. At the next meeting ideas on student activities, based on reading and thought, will be presented.

The next meeting will be held at 8:30 a. m., February 21, at Central.

T. B. POSTER CONTEST OPEN

Senior high school students are eligible to compete for a full year scholarship to the John Herron Art School in Indianapolis and all high school students have an opportunity to win cash prizes in the Health Poster Contest being conducted by the Tuberculosis League. "Prevent and Control Tuberculosis" is the subject all the posters should be based upon. Suggestions offered by the League include "Through Education," "Through Case Finding," "Through Treatment," "Through Rehabilitation."

The county contest to which all posters are first submitted, offers prizes of five, three and two dollars to the first, second and third place winners, respectively. Following the contest, posters made by high school seniors will be sent to Indianapolis and entered in the State Health Poster Contest. The winner of the state competition will receive the scholarship.

Poster must be 16 by 22 inches in size and can be made either at home or in school. Inks, water colors, oils or any other media with either pen or brush may be used. All entries must be in the Tuberculosis League not later than March 10, 1947. For further information, inquire at the T. B. League, 319 Main St., South Bend.

"Flying Devils" Scheduled

The featured noon movie for next week will be "Flying Devils" with Laurel and Hardy. Two other shorts to be shown are "Galloping Hoofs" and "Jitterbugs."

BEARS HOPE TO DEFEAT LAPORTE FOR TITLE

Riding on the crest of nine straight conference victories, Central's Bears invade the hardwood of the Laporte Slicers tomorrow night with the purpose of gaining the victory which will give them the undisputed eastern division Northern Indiana conference crown. If Laporte, possessing seven wins, against one loss, drops tomorrow's tilt to Central, or is beaten by Washington, whom they play next week, then the Bears will have sole ownership of first place.

Central has had but one close call in the conference this season, when they squeaked past John Adams, 31-30. Laporte's one loss has been a red-hot-for-the-night Riley, 47-46.

Laporte, pre-season favorites to win the conference, is big, fast, and on occasion can really hit the basket. In the first quarter of their game with Mishawaka, they raced away to 23-3

BLEACHER AND BALCONY SEATS SOLD FIRST FOR SECTIONAL TOURNNEY

The officers of the Student Council and the editor of the INTERLUDE met with Principal P. D. Pointer, C. L. Kuhn, and Walter Kindy a week ago last Tuesday to decide what seats in the John Adams auditorium should be sold to the students first for the Sectional Tourney. Central's section is the same as last year which includes the south-east corner of the floor bleachers, a section of the south balcony, and a portion of the stage.

The decision was made to sell the seats on the floor bleachers first to the students, then sell as many seats as necessary in the balcony, and then the remainder of the seats on the stage. The adults will then be sold whatever seats students do not buy.

Tickets will be sold to the students in this order only on Monday, February 24, and only season ticket holders may purchase sectional tickets. The box office will be open at 7:00 A. M. but students will not be permitted to stand in line before 6:00 A. M. Pupils are requested to have the correct change, \$2.40, when they buy their tickets.

TAKE INTERLUDE PHOTOS

Any Senior A who is expecting to graduate this semester and wishes to have his picture in the Interlude Yearbook should call the Carlton Studio at once for an appointment if no appointment has been made so far.

Two From State Awarded College Tuition And Monthly Allowance

Eighteen seniors have been named by their fellow classmates to take the Pepsi-Cola scholarship test to be given Friday, February 14, from 9-11 a. m. at Central. Two students from the state are awarded the scholarships which consist of four years' tuition to any accredited college and a monthly allowance plus traveling expenses.

The students from Central who will take the test are the following: Doris Elbel, Fannie Hawk, Rollie Cooper, Harold Whiting, Eugene Bolinger, Robert Pendl, David Brown, Bill Brummond, Howard Johnson, James Gleason, William Parshall, Nancy Hogoboom, Joyce Raih, Valerie King, Jo Ann Hurt, Emily Rehm, Floyd Burton, and Edward Arnold.

From St. Joseph County, two students will receive scholarships to several Indiana colleges and universities to be determined through tests taken by entrants this morning. These awards cover one year's tuition and the scholarships are renewable yearly if the students' college work is satisfactory.

Taking the scholarship test for Purdue University were Doris Elbel and Robert Pendl. For the Indiana University awards, Nancy Hogoboom and Emily Rehm competed. Lorraine Kiska and Patricia Plumbeck tried out for the Indiana State Teacher's College scholarships. Vivian Lochmondy and Dorothy Gruszynski took the tests for Ball State Teacher's College.

BE SQUARE

What is wrong with the world we are living in? Each one of us has his answer. Each one may be right. It is that many people believe that they can get something for nothing, high wages for less work, a credit without earning it, a good position without sufficient qualifications.

Does the world owe us a living? Not unless we make some effort to deserve it. We must prove our worth, not because we are existing doesn't mean that we are living. We cannot live a full and happy life unless we know what our fellow man is doing and has done in the past. There IS a place in the world for everyone, but we must EARN it. It will not be handed to us on a silver platter.

"Even in the meanest sort of labor the whole soul of man is composed into a kind of real harmony the instant he sets himself to work."—Carlyle.

VALENTINE'S DAY

Originally, Valentine's Day was the feast day of eight different Christian martyrs named Valentine; that is, in the medieval church, services were held on that day in memory of their martyrdom. The custom of sending valentines or gifts has nothing to do with the martyrs, however. It happened that a springtime festival, which was kept by the Romans, came on the same day. The making of gifts on this day has come down from the old festivals. Eventually the gifts were called valentines because of the name given to the day. This is a good example of how customs survive, sometimes for hundreds of years, among people who do not remember how they began.

WHERE IS THE SOAP?

"Soap, soap, where is the soap." This is the dismayed cry which is heard daily in the girls' washroom. During the morning hands acquire dirt, grime, and germs, furthermore one can work much better when one feels clean. But the girls' washrooms have no soap. This adds to bad sanitation and we would greatly appreciate it if the school would supply them with soap.

WHY GRIPE?

One liked least among people is a griper. They gripe about their school work, home work, what they don't have and what they can't do. It is most annoying to other people and if they realized this they would probably have more friends.

People should learn that it doesn't help matters any to gripe. On the contrary it may make it worse, because it affects your way of thinking and in the end you honestly begin to believe you are being mistreated. You'll eventually lose most of your friends and scare away people whom you might have met. It disgusts people to hear you talking of your troubles all the time as if they themselves had none. So let's all try to look at the cheerful side of life and think of all the good and wonderful things we have. And be extra thankful for the good world in which we live and all the wonderful boys and girls you can point to and say, "There's my friend."

LOOK RECORD REVIEW

TOPS IN WAX—Shared by two great trumpet men, Roy Eldridge waxes Hoagy Carmichael's opus: *Rockin' Chair* and *Yard Dog*; and Billy Butterfield records *Jalousie* and *Steamroller*. All four sides rate playing but the stand-outs are *Rockin' Chair* and *Jalousie*. On the former, Roy "Little Jazz" Eldridge gives his full range trumpet a complete work-out and in a mood of relaxation that must rate bows from Hoagy, the composer. Roy catches the precise feeling Hoagy originally intended, and, in addition, Roy lends careful support through the background music, in the use of his band (Decca). On Butterfield's Capitol label of *Jalousie* and *Steamroller* the great horn of Billy predominates throughout except for a spot given to Bill Stegmeyer for clarinet. Billy sings *Steamroller*, and production remains along the line of *Cement Mixer*—a good novelty.

Roy Eldridge

Dunham (on Vogue) and Freddy Martin (on RCA Victor) have worthwhile recordings of *Save Me A Dream*. Exclusive Records offer a jumping novelty, *T. W. A.* by Joe Liggins and The Honeydrippers, then back it with a moody *Last Night Blues*. Another new Exclusive release is the highly playable album, by Johnny Moore's Three Blazers, three 10 inch discs with these titles foremost—*Gloria*, *St. Louis Blues* and *Now That You're Gone*. New York's sensational small group, the Joe Mooney Quartet, have a four star topper in *September Song* and *Just A Gigolo* (Decca). Tommy Dorsey does two titles from his new picture. "The Fabulous Dorseys" a mellow instrumental, *At Sundown*, featuring his trombone; and the reverse, *To Me*, which Stuart Foster sings (RCA Victor). Victor also offers the Mary Lou Williams Trio in *Humoresque*, a relaxed and carefully arranged instrumental. On the reverse, the Trio does *Waltz Boogie*, one of her originals. Columbia has one of the last Doris Day vocal choruses with the Les Brown band in *Sooner or Later* and reverses it with a Jack Haskell vocal of *Years And Years Ago*, with Les Brown.

DANCE—Leading off, Benny Goodman makes a good choice of a standard marching band number for background and solo work in the Columbia recording of *Benjie's Bubble*. He backs it with *A Gal In Calico*, with vocal by Eve Young. Both *Sonny*

SECTIONAL TICKETS

An announcement was made in last week's Interlude concerning the distribution of sectional tickets. The proper and equitable manner of distribution, so that all who are entitled to a ticket get one, is a real problem. Naturally every student who holds a season ticket is entitled to a sectional ticket if he cares to buy one, and likewise adults who have season tickets also deserve consideration.

We will be allotted 580 sectional tickets. We have 835 season ticket holders. How to divide these so that all will be satisfied will be difficult. I am sure the student body appreciates our problem. What we need is a larger gymnasium. That, however, is far in the future. In the meantime, we will have to do the best we can. Even though all of us will not get tickets, it will not dampen our enthusiasm for one of the best teams that ever represented Central.

**BEARS BEAT BLAZERS;
GAIN A SURE TIE FOR
LEAGUE TITLE**

Central's Bears swept to their ninth straight conference victory defeating Elkhart, 54-33, last Friday night before a full house in the John Adams gym. The win cinched at least a tie for the eastern division Northern Indiana conference championship for Bears.

Led by guards Gene Ring and Jerome Perkins, the Bruins convincingly avenged an early season two point loss to Elkhart. The game was hard-fought throughout, with the Bears missing a flock of easy shots, but they packed entirely too much speed and power for a smaller Elkhart five.

Develop 2-Point Lead

The Bears were behind momentarily in the opening minutes of the game, but their speed soon began to show telling effects, and by the end of the first quarter they were rolling along in front 11-5. Jerry Perkins accounted for six of these eleven on his tricky lay-in shots. "Perk" had five baskets and two free throws in all. Gene Ring copped game scoring honors with 16 points, while Ernie Bond had nine and Dick Flowers eight. Longfellow led the losers with nine tallies.

The Bruins possessed a 23-14 lead at the half, and continued to build their advantage. At one time in the final quarter they were ahead 50-24. Elkhart kept in the game on free throws, scoring 15 of their 33 points from the charity stripe.

BEAR FACTS 

Three Central sports teams will be attempting to capture NIHSC first place trophies for the Orange and Blue trophy cases tomorrow and Saturday. Tomorrow night, Bob Primmer's Battling Bruins, already assured of at least a first place tie, will be out for undisputed possession of the Eastern Division championship crown when they tussle with Laporte's second-place Slicers. Saaturday, Bob Jones' wrestling squad journeys to East Chicago Roosevelt for the conference wrestling meet which Central hasn't participated in since pre-war days. Central's tank team is host to six other swim squads in the 21st annual NIHSC swim meet at the South Bend Natatorium.

Besides the honor of winning these various athletic contests, the Central athletes will be trying to accumulate enough valuable points to give the downtown school the Northern Indiana Conference's all-sports trophy for the second straight year. Let's hope they can do it again.

Central's Bees won their sixth conference basketball game, at the expense of Elkhart last Friday in the Adams gym, by the score of 43-20. They now hold league record of six wins and three losses, being notched in third place behind tough John Adams and Riley.

Fireplugs in the Elkhart game were Morrical, McCaw, and Davis. With these three leading the way the Bees left the floor at halftime with the score 24-10.

Morrical had 13 points for high point honors, with Davis and McCaw behind him with eight and seven points, respectively, to lead the scoring parade.

As most of you already know next year's Mishawaka football game will be played on a Friday night at School Field. Has the ancient Bear-Maroon rivalry one foot in the grave in light of other competition?

There were a lot of complaints about the officiating in the Elkhart game from the Central stands. Small wonder!

**BEAR TANKERS HOST
AT LEAGUE MEET**

Coach Elbel's tank team will be host to six other teams at the South Bend Natatorium for the 21st annual NIHSC swimming meet on February 15. Central will be trying to win the crown, which at present time belongs to Horace Mann, from Hammond High, Gary Froebel, Gary Lew Wallace, East Chicago Washington, Whiting and of course the present champ, Horace Mann.

Although the home squad has taken only four meets this season and these wins were over only two different schools the Central team has little more than a chance to place second in the meet. The Bears are especially strong in three departments, the 100-yard backstroke, 100-yard breaststroke, and diving. Swimming in the 100-yard backstroke this year, Parshall and Cooper have placed first and second respectively in all meets with their Indiana foes and they should repeat this performance at the conference. Gyorgyi and Scannel have been doing the 100-yard breaststroke and should place high

in the meet, while Berta and Mitchell may take the diving honors as they have on several previous occasions.

The Bears also have some pretty good secondary men in McCaffery, Jordan and Petersen along with Guenther and Van Arsdol, who should rack up some points for Central.

Current favorites for the meet are boys from Hammond High who have been riding rough-shod over all their opposition this season. In their meets with Central they have a pretty easy time of it by winning 45-20 and 44-22.

This meet starts with the first heats at 10:00 A. M. and the finals are at 2:00 P. M. in the South Bend City Natatorium.

Cheer, cheer for Central High School—that's the theme song of Jackie Givens, one of the co-captains of the cheerleading squad. You can definitely tell that Jackie is not the lethargic type, if you have watched her cheer at the games during the past three years.

Standing a small 5' 2½", she has hazel-colored eyes which sparkle whenever she smiles. Her blond hair and super-personality make a grand pair.

Besides her activities with the cheerleaders, Jackie is a member of the varsity swimming team and loves to whiz back and forth across the pool with Anita, Aggie, and all the other members of the team. Of course what makes swimming even more attractive, is that she gets to wear her red tank suit which she just adores.

Being a very amiable gal, Jackie admits to only one strong dislike, liver. To her thinking, it just wasn't meant to be eaten.

Jackie is a Senior A of Home Room 210. She intends after graduation to go to Purdue, (although she hates to leave Central) to fulfill her ambition to become a Home Ec and Physical Ed teacher.

So maybe in future years if we Centralites should return to old Central to look around, we might find that Miss Givens is the school's new Physical Ed teacher.

Jackie, we're sure a bright future is yours. We all wish you the best of luck and hope you reach your goal.

Bear Tankmen End Dual Season; Win 37-29

The Central tankmen finished up their 1946-47 season by walloping their opposition from over Whiting way for the second time this year by the score 37-29. This made the season record stand at four wins and six losses for the Bears. Next competition on the Bruins' list is the Conference meet to be held on February 15, at the South Bend Natatorium.

Placings for the meet were as follows:

40-yard free style — Walker (W), Parshall (C), Jankowski (W). Time for this event was :20.5.

100-yard breast stroke — Gyorgi (C), Scannel (C), Markovich (W). Winning time, 1:21.7.

100-yard back stroke — Parshall (C), Cooper (C), Gradima (W). Time 1:10.5.

220-yard free style — White (W), McCaffery (C), Van Arsdol (C). Time 2:54.4.

100-yard free style — Walker (W), Guyer (W), Jordan (C). Time 1:01.8.

Diving — Berta (C), Mitchell (C), Warzyniak (W).

180-yard medley relay — Cooper, Mitchell, Berta (C). Time 1:58.9.

160-yard free style relay—Jankosek, Guyer, Gradima, Pawlus (W). Time 1:26.3.

Final score — Central 37, Whiting 29.

Earns Place In Students' 'Who's Who'

Marie Hofer, a graduate of Central and the daughter of Rev. and Mrs. Martin C. Hofer, 221 W. Van Buren Ave., Naperville, Illinois is one of eight Elmhurst College seniors who will be included in the 1946-'47 edition of "Who's Who Among Students in American Universities and Colleges," according to an announcement by college officials.

Miss Hofer was elected to the honor by the students currently enrolled in Elmhurst. Selection was made on the basis of scholastic achievement, participation in extra-curricular activities, and a promise of future success in business and professional fields.

sports, and dancing. Last year in the Goshen game, he sank a long mid-court set shot just as the gun went off. The team members all patted him on the back and gave George his biggest thrill in basketball. When he graduates, he will either go to Wabash or Indiana State Teachers College and Central knows George Clauson will make good wherever he attends college.

Uncle Sam Says

Love on a dime sounds sweet on St. Valentine's Day, but love on a stack of United States Savings Bonds rests on a firmer foundation. You can get your stack of bonds through the payroll savings plan where you work or by buying bonds regularly at your bank or post office. Savings Bonds are a sweetheart of an investment—\$4 for every \$3 in 10 years' time.

VERIE (Cont'd)

Jim Brademas certainly thinks Norma Schlundt is all right.

Who is this fellow that carries Ernestine Bailey's books home after school?

They could be such a cute couple, Leroy Stokes and Barbara Harvey.

Auntie, will you please tell me why Dolores Sloan constantly talks about Central Catholic?

Dear Aunt Verie: Who is the young man who plays the piano at noon hour? Answer: Bernie Adams of 225. One of Mr. Kuhn's boys, of course.

So li'l Carolyn Kuperfer is taking up DeLeus time.

Why doesn't Andy Toth wake up and take a certain someone out?

Monty Brodbeck sure misses Nancy Lawrence. (Walkerton).

Aunt Verie thinks that Ruth Leonhart and Don Easten make a cute couple.

What happened to that, "big romance" between Virginia Johnson and Don Morgan?

Your Auntie noticed that Peg Zeidler and Ernie Jordan seem to have a good time at the Campus Club lately.

We hear that Esther Varga and Pat Biggs (of Adams) are still steadying it. Keep it up, kids!

Who is the basketball player that Joan Trezina is carrying the torch

for "What did you say, Gene?"

Dear Verie, What is it that the Adams girls have that the Central girls don't seem to have? Curious. Dear Curious, Ask the Comets— Your Auntie.

Does anyone know how to play "Rabbit?" See Fred Fischbach for details.

Globetrotters Win Tourney

The Globetrotters, composed of Richardson, Ford, Ware, Stokes, and Winston, won the Student Council basketball tourney last Monday, 21-19, over the Zombies. It was a tie game, 19-19, at the end of regulation time.
