### CIRO Dance Tonight

"Summer Send-off" is the name of the dance being given after school in the gym today by the CIRO club. Central's dance band, the Seranaders, directed by Tolman Gharst, will play from 3:30-5:30 p. m. The dance is open to all students and the admission is free. Refreshments will be sold in the gym.

Hi-Y officers for next semester have been announced. Bartley Davis will serve as president while Weir Rummel acts as vice-president. Jack Durben was elected secretary; Lee Mills, treasurer; Paul Baumgartner, sergeant-at-arms; and Dan McLaughlin, chaplain.

### Test Results Arrive

Results of the Co-operative Test on recent social and scientific developments that all Central high school students took last month have just arrived at the guidance office. This test was given to 160,000 students in 700 high schools throughout the country. Central ranked at the fifty per cent mark, showing that half of all the students that took the test rank, on the average, below Central.

Next fall the graded test papers and the examination sheets will be returned to the students in order that they may find where their mistakes were made on the test.

### Extension Enrollment

#### June 12

Enrollment for the summer session of Indiana University extension school begins June 12 continuing until June 18. The session lasts from June 18 to August 23. An average of seven credit hours can be earned during the summer. Classes will be held from early afternoon until nine o'clock in the evening. More information concerning this session can be secured at the extension office at Central.

### Student X-Ray Reports

Miss Fern Watts, the Central nurse, has reported that out of the 338 x-rays taken of Central students in April, only 138 were clear enough to be diagnosed. Seniors whose x-rays were not successful had an opportunity to have them re-taken at the T. B. League building on May 19. Eleventh grade students and others whose x-rays were not clear will taken them again next fall. The unsuccessfulness of the majority of x-rays was due to mechanical defects in the machines.

### MATH RESULTS REVEALED

Further results of the state math finals given at Bloomington, Indiana, several weeks ago have been received by John Wilmore, head of the Central math department. Alan Haber, from Central, winner of last year's geometry finals, walked off with first place honors in the comprehensive test this year. Doris Harrington ranked thirteenth in the state in the algebra finals. Each year the elimination tests and the finals are given under the auspices of the Indiana University Division of Adult Education and Public Services.

### REINHOLD SENDS LETTER

President of the Indiana Junior Academy of Science, Bob Reinhold of Central, has just edited a science newsletter which will be sent to 200 science clubs and science instructors throughout Indiana. The letter contains news of science clubs that belong to the Academy and general news of the Academy's activities. Beginning with this spring's edition, the newsletter will be published twice a year and will be the responsibility of the Academy's presidents. Assisting Bob with the first issue were Mr. A. L. Smith and members of the Junior Walton Club.

### RILEY DANCE JUNE 19

The Riley Alumni Association is sponsoring a dance June 19 at the Palais Royale. Johnny Long and his orchestra will play for the affair. All seniors and alumni are invited.

### Senior King and Queen Chosen

Reigning over the Senior A Cap and Gown Party held last Friday in the gym were Patricia Morris and Ray Ciesielski, proclaimed queen and king of the affair by the results of a recent contest held by the Handy Andy Club. Coronation services were begun with a poem read and written by Phyllis Casey, president of the club. Next came the presentation of a kitten to Queen Patricia while a puppy named "Blackie" after the king's nickname, was handed over to Ray.

The selection of a king and queen will be an annual affair at each Cap and Gown Party. A total of \$50 was raised by this year's contest and the money will be given to the Cancer Drive, Anti-Tuberculosis League and the Crippled Children's Home.

### Glee Club Seniors Awarded

These awards were given to James Gleason, first place winner and Richard DeFreeuw, second place winner in the second year French division with Joan Gadowski receiving the medal for second place in the first year division. Miss Gienand will return in the fall to resume her duties of French instructor.

# The Interlude

Founded in 1901

BY THE STUDENTS OF THE SOUTH BEND HIGH SCHOOL

## ON THE RECORD

Greetings, music lovers, this is "Booze" out of Central coming to you probably for the last time. (You lucky people). The Lord and Mr. Pointer willing I shall be with you no more. I know you'll miss me (I hope) and I shall miss all you faithful readers (I wish). Here's hoping our student council will do something, anything, just a passing thought.

A hot platter your neighbors will be sure not to like is "Trumpets No End" by the Duke. Really fine, a terrific side on which Elington goes mad. The trumpets do triple time.

A fine newcomer is one Lenny Tristano, who music critics say will revolutionize jazz. Metronome says his first record, "I Can't Get Started," is an A record. That is some thing really fine to achieve.

The lamp is burning low, but before I leave I'd like to wish all you privileged characters many happy moments in and out of my ole Alma Mater.

—Hartstein.

### WHAT IS YOUR FAVORITE CLASS AND WHY?

MARY BELL FRITH: "Geometry class because Miss Semortier is so fond of me."

JANE CROWE: "GEOMETRY class there are so many interesting people."

ANN ROSENBERG: "Latin because the scenery afterwards is so pretty."

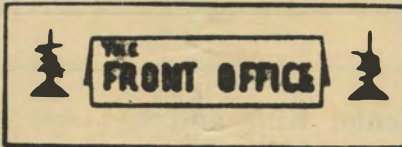

JIM PATTERSON: "Study Hall because there is nothing to do."

PHIL POTTS: "I don't like any of 'em."

CONNIE BAILEY: "Same as Phil."

JERRY FREEMAN: "Latin class, because I enjoy the dainty little ways of Miss Devin."

GINNY FRUIT: "History class, because we talk about everything."

### NEXT YEAR

Another year has drawn to a close. It has been in most respects a very successful school year. Our dramatic productions have been outstanding and Mr. Casaday has done an excellent job as always. The awards assembly showed that many seniors have distinguished themselves not only in subject matter but in music, debating, newspaper work and other fields of activity. Athletically, we have also achieved distinction. We won three twin-city championships in football, basketball, and track. Our basketball team almost got to the state finals. However as much as we glory in the past we must continually look ahead. We are now planning for the next school year. The Revue is well under way; our coaches have been working with next year's football and basketball teams. The part that you as students will have in next year's program depends on you. If you are willing to pay the price well and good. If not and you are satisfied to sit on the sidelines of our school activities then we cannot expect very much of you and you alone are missing the opportunity that is yours.

*P.D. Binter*

### Rights Under Water

Parent: "Why do you say your report card marks are under water?"  
Son: "Because they're all below 'c' level."

Congrats to the new Handy Andys: Barbara Hicks, Donna Rensberger, Marilyn Reid, Pat Bartozek, Carolyn Dunkerly, and Gloria Fleming.

Ditto the new Amigo's: Marian Kaszas, Pat Garrage, Marvinne Dalka, Jean Borgas, and Martha Pease.

Inez Sule was all excited over her date for the C. C. Prom. Who is Gus Van Der Hayden?

Verie hopes to see Donna Howard and Mike Bartz on the steady list.

A couple that Verie likes to see together is none other than Bob Pendl and Beverly Farnsworth.

Does Howard Blank have his eye on Barbara Palmiter?

Speaking of lost hearts Urbanski has done just that and the fellow is a Mishawaka lad.

Should we all take up a collection and send Carol Fuller back to Mexico City? All she ever does is talk about it. (and a certain caballero).

Hey there Mr. Johnson. The clocks haven't been started yet.

Ralph Grams loves to visit a certain someone at R. R. No. 2, Box 184.

Wallflowers at the Campus Club: Alex Santa and Gene Ring. Come on, fellas, and give the girls a chance.

Talk about wallflowers and you won't think of Ed Grunawalt. He's been having a variety of dates since he and Sue broke up.

Jim Carrol and Sue Bain seem to be getting along pretty well these days.

Jack Durbin is reported to have his eye on a certain girl these days.

A couple Auntie wants to see more of these days is Doris Kominowski and Bob Bowlin.

Boby Ivy is still carrying a torch for a certain girl, 'tis said. Who?

Seems as though Shirley Swartz and Ralph are hitting it off O. K.

Joyce Wilson has her heart interested over at Muessel.

Jeanne Borgas just can't make up her mind as far as the Spartans are concerned.

What's this that we hear about Sherie Gollnick and Al Daoust in two years.

Avonda Joyce Holston and Harlan Lusk and their romance looks as if it will go on forever.

Seen walking in the halls: Katie Albano and Jim Brademas.

Fashions by Altgelt: Shocking, long, red fingernails.

They go together like salt and pepper: John Anne Carter and Danny Walters.

Yo'r ole Auntie am mighty sad 'cause Central's magnolia blossoms done went and faded plumb away.

Best wishes to all the seniors for having at last succeeded after 12 (some 13) long years of hard work.

### BE SQUARE

In this present day many students are overlooking the value of a true education. They are hurting themselves.

When tests are to be taken, studying for them is practically out of the question for some students. They depend upon their neighbor to carry them through the ordeal. Well, some day these individuals are going to see the dawn, realize how much they lost in copying from someone else. The knowledge that they copied from their neighbor is not in their own brain, but in the other person's brain. After all, one isn't going to be able to depend on the other person to take him through life. Now is the time to train yurself for this responsibility.

How you train now will determine your success or failure in later life.

I would like you all to meet Jim McCaffery. He is 6' 2" tall and has brown eyes and brown hair. He is a Senior A and hails from Home Room 223.

Jim is a member of the Letterman's Club, and was a very valuable part of our swimming team.

He has his likes and dislikes just like the rest of us. His likes are: sailing, swimming, Swiss steak with mushrooms, Maury Mahn Orchestra and Riley girls. His dislikes are few: those people who do not attend dances and activities given by clubs. He likes everybody to get together at dances and have a good time.

After graduation, he plans to go to Purdue University and study Electrical Engineering. We all wish you good luck in the future, Jim.

### MODERN GIRL

I think that I shall never see,  
A girl refuse a smoke that's free,  
A girl whose hungry eyes aren't fixed,  
Upon a malt that's being mixed,  
A girl who doesn't like to wear,  
A lot of gewgaws in her hair,  
But girls are loved by fools like me,  
'Cause who the heck would kiss a tree?  
—Central Hi News.

Just for Kicks!!

It was very late at night when the M. P. spotted the soldier slowly walking down the street with one foot on the curb and one in the gutter. He stopped and accused: "You're drunk!"  
... "Thank Heavens" said the G. I., "I thought I was lame."

### STUDENTS' LAMENT

By Rose Repetto

I went to school, sleepy and dumb,  
orgot my homework, oh, by gum.  
Teacher got mad at me  
For flunking my test in geometry.  
Macbeth wrote Shakespeare I put in  
the test;  
In French D— was considered my  
best.  
Mixed wrong chemicals in the wrong  
cup;  
No more chem class; it blew up.  
Broke the bat that hit the ball;  
No more gym today at all.  
Burnt the cake in cooking; oh, gee,  
What more can happen today to me!  
Ice cream and pickels with a bottle  
of coke—  
These lunches sure leave me broke.  
Parked my gum in my study hall,  
Neatly stuck and round as a ball.  
School is ended at three-ten.  
Wearily trudged to journey's end,  
Butas I roam I know it's true  
For me tomorro wthere is more  
school.

The little boy riding in the street car had been sniffing loudly for several blocks. After a number of disapproving glances, the woman seated next to him inquired, "Little Boy, don't you have a handkerchief?"  
"Yes, ma'am," said the child. "But I never lend it to strangers!"

"Did you hear about the fellow who invented a device for looking through walls?"

"No, I didn't. What does he call it?"

"A window." —Evanstonian.

**CENTRAL BASEBALLERS IN DOLDRUMS**

Central's varsity baseball team continued its losing ways by dropping a 3-1 decision on Dodge Field last Thursday. In handing the Bears their seventh conference loss, the Maroons gained revenge for a 9-0 trouncing earlier in the season. Central bats were almost held to a standstill by the one-hit pitching of Clem Leninski, while the Cavemen were profiting by the wildness of George Clauson. Two walks and a hit brought one run across for Mishawaka in the third inning, and then another walk, a triple and a single gave them two more scores in the fourth. In all, Clauson walked six Cavemen, while Leninski walked none. Central's lone tally came in the seventh inning. Gene Ring, whose double in the first inning was the only Bear hit, came through with a long fly ball which the right fielder couldn't quite hold on to, and went all the way to third base. Ring scored a moment later on Dick Flower's infield out.

**Lose to Michigan City**

The Central baseball team traveled to Michigan City, Friday, to meet the league-leading Red Devils. As it turned out it would have been better for the Bears to stay home as they suffered their 8th conference loss of the season. Poor support by the Bears caused Central pitcher Gus Zalas plenty of trouble. Central got off to a quick lead in the first inning when Potts singled, Ring tripled, and Mull singled. Lax fielding by the Bears in the 4th inning accounted for four unearned runs for Michigan City and a lead they never surrendered.

Central ----- 200 020 0-4 6 8  
Michigan City ---- 110 410 0-6 7 1

**BEAR FACTS**

The round-robin volleyball tournament, under the direction of Mr. John Burger, ended competition with the "Ringers" led by Captain Gene Ring, the winner. Ring's team won all seven of their contests. The team was composed of: Ring, Flowers, Jensen, Santa, Baumgartner, Brummond, and F. Fishback.

Final standings are as follows:

Team	Won	Lost
Ringers -----	7	0
All Stars -----	6	2
Zombies -----	5	2
Odd Squad -----	3	4
C. C. C. -----	3	4
Rollers -----	2	5
Lucky 8 -----	2	5
Buddies -----	0	7

Riley High's track squad captured 32 points to annex its first sectional track and field title in the South Side school's history last Saturday in Mishawaka Tupper Stadium. The Wildcats qualified athletes in four individual events and also its victorious mile relay team. Mishawaka took runner-up honors with 27 points and one tally behind the Cavemen were the Orange and Blue thinly-clads from Central.

Five new sectional records were established and one Tupper Field record tied by an outstanding aggregation of athletes representing 17 schools. The oval was in fine condition, rolled hard with no bad holes or pockets. Records were established in the 440 yard dash, high hurdles, half-mile run, low hurdles, and half-mile relay.

Central's junior high track squad will participate in the city-wide junior track preliminaries to be held at School Field next Saturday afternoon. Coach John Burger also announced that all Central track winners Saturday afternoon would be entered in the city junior high finals scheduled for next Tuesday afternoon.

Spring football practice is again underway here at Central. Due to unfavorable weather earlier this year, it was postponed until May 15, in order to be assured of good fortune from the weather man. It can't possibly snow now! (Better not be too sure.) Coaches Jones and Dal Sasso are working hard with their boys, in order to get them back into shape, and the boys are really cooperating to their utmost, even tho' it's pretty hot work. There are about 30-40 boys out right now, and about ten or fifteen more are expected. They look forward to a very successful season next fall because we have a very "representative team."

Coach Primmer has announced the following track award winners: Paul Baumgartner, Ernie Bond, Bill Brummond, Rollie Cooper, Bruce Daube,
