## Kuespert Elected Rotary Representative

The Senior A class has elected for the current semester, as their Rotary Representative, Don Kuespert of home room 218.

Don is an active participant in many school activities. He has been on the Barnstormers Board for two years and has participated in many plays. Don also is president of the Magicians Club and a member of the Sophists Club.

Don's duties as a representative include attending the weekly Rotary luncheons along with the representatives from the other schools and senior members of Rotary.

## Council Holds Meeting

The student council held its first meeting in the Little Theater last Thursday afternoon. The senators elected five of their colleagues to the Executive Board, whose members are:

Fred Fischbach, chairman; Bill Balok, vice-chairman; Joan Kuhny, treasurer; Mary Cook, senior; Dan Boyd, senior; JoAnne Levy, junior; Delores Voorde, sophomore; Reginald Grimm, jr. high.

Meetings of the council will be held every two weeks and executive board meetings as often as necessary.

## Win Tickets To Revue

Winners of the contest given by 211 concerning the senior revue were Ava Kronick and Charles Kuespert. The prize was two tickets to "How Deep is the Ocean?" and the treasure chest contained, of all things, a starfish.

## Spurs Entertain Sophs

The Spur Club held its annual sophomore Welcome Party Sept. 23 after school. Dancing was featured and refreshments were served. Don Kuespert entertained the group with a magic show. Nancy Bloom, president of the Spurs, was general chairman of the party, which about 75 sophomores attended.

## Students Go To Purdue

Four Central students will participate in a high school student leader conference at Purdue University, Monday, October 6. Approximately three hundred students from Indiana high schools are expected at the meeting to discuss problems common to all high schools. Central's delegates are Virginia Fruit, Fred Fischbach, Lois Gross and John Scannell. Mr. V. C. Harter will be in charge of the group.

## Sponsors Band Trip

Word has been received that Central's Punt and Pivot club will sponsor the band's trip to Muncie, when the Bruins play their football game there Oct. 17 against the Wildcats. A bus will be chartered so that we can take our band to this game.

## "B" Team Wins 13-0

Central's Cub football squad rolled to an easy 13-0 win over the Goshen "B" team at School Field last Monday afternoon. Led by the running of halfback Arthur Buckhanon, who tallied both touchdowns, the Bears were deep in Redskin territory several times, but could not capitalize on several marches. Bob Wisniewski, diminutive quarterback for the Bruins, drop-kicked the extra-point and also ran for a 25 yard touchdown, but a penalty nullified the score. Line-play was featured by the spirited game of tackle Dick Barnhart and guard Lance Harrison.

## SCHURZ OUTSTANDING AMONG CHICAGO TEAMS

GAME AT SCHOOL FIELD, FRIDAY, 8:00 P. M.

Tomorrow night Central meets one of the strongest Chicago high school football teams, Schurz, at School Field at eight o'clock. This will be the Bears' fourth encounter of the season and is also Schurz's fourth game.

The Chicago team has had an undefeated season up to date and they have scored 74 points against a lone touchdown by their opponents. Teams that have toppled before the Schurz powerhouse are New Trier (6-0), Roosevelt (42-6), and Taft (26-0).

Schurz, which is the second largest coeducational high school in Chicago, won the North Section City conference there last year. These visitors will employ the "T" formation, where they can put their hard driving backs to good use. The backfield is built around co-captain Schwind at right halfback, Pedi at left half, Sandquist at quarterback, and Kapusta at full. Pionki, a lad who not only can pass the oval, but can run and kick as well, substitutes at quarterback for defense and at fullback on offense. The best lineman for Schurz is the other co-captain, Gerlinger, at left end. He does the punting on the kickoff and for the extra points. Schurz also has plenty of strength in their reserves.

### Expected line-ups:

## Help Save The Shades

The Conservation department of the state of Indiana is now carrying on a campaign to raise money to buy the scenic land for Indiana's fifteenth state park, the Shades. In order to keep the present owners from selling this territory to timber companies, the state is making an appeal to Indianians to contribute money to purchase the 1452 acres of virgin hardwoods located in the center of the state. The goal of the campaign is to raise \$300,000 to not only buy the Shades but to provide for its development. Students at Central are asked to help "Save the Shades" by depositing their contributions with their home room teachers by 4:00 p. m. tomorrow, October 3.

## PEPSI-COLA OFFERS FOUR-YEAR SCHOLARSHIPS

Seniors of Central are being given the opportunity again this fall to participate in the national competition for 119 Pepsi-Cola four-year scholarships and 550 fifty-dollar College Entrance Awards granted each year by the Pepsi-Cola Scholarship Board.

At least two of these scholarships and ten of the College Entrance Awards have been set aside specifically to residents in Indiana high schools and are open to any senior graduating in 1948. These four-year scholarships include tuition and certain incidental fees paid for four years to any accredited college in the United States, its territories, or Canada. In addition, the winners will receive allowances of \$25 a month and train fare for one round trip between home and college each year.

Only five per cent of the senior class may be entered as candidates in this scholarship competition. Next week, seniors will begin selecting their candidates whom they think would gain the most from the Pepsi-Cola scholarships. October 24 is the last day for registering these students. On Friday, November 21, the candidates will take a special aptitude test at Central. The students in each state who receive the highest scores on this preliminary test will then take a second examination on January 24. The contestants who have the highest scores on the second test and who need financial aid will win the two four-year scholarships. Winners will be announced sometime in March.

## INTERLUDE CONTEST ENDS, CRUSE WINS 1st AWARD

In THE INTERLUDE subscription contest for cash and other prizes, which ended last Friday afternoon, Viola Cruse of home room 319 was the winner of the first prize of \$5 in cash. Betty Flowers, 122, and Dolores Kinch, 211, were tied with the same number of sales for the second award.

Winners of the other awards were, 12A: Mary Sutherland, Dorothy Hess, Don McLoughlin; 12B: Jeanette Koscielski, Lucille Tomaszewski; 11A: Catherine Koontz, Juanita Swanson, Virginia Fruit; 11B: Ray Papay, Theresa Wegenka, Robert Spain; 10A: Barbara Parmley, Jennie Crowder, Rita Sommer; 10B: Marilyn Ferguson, Ann Snyder, Doris Harrington; 9A: Bernard Payne; 9B: Elsie Regard, Marla Niemier, Patsy Harris; 8A: Pat Hanley; Practical Arts: Arlene Papaczynski.

The awards, in addition to cash prizes, were free subscriptions to THE INTERLUDE, tickets to Central football games, and passes to Central stage productions. Anyone may still subscribe for the papers and the yearbook. There is no additional charge for mailing.

## MAGAZINE OFFERS PRIZES

Scholastic magazines are offering sixty cash prizes for the best essay comparing the American scene as shown in the picture "Life with Father," with the American scene today. Further information has been posted on the Interlude bulletin board in front of the main office.

## JR. LEAGUE HELPS COMBAT T. B.

In 1937 over 12,000 young people between the ages of 15 and 25 died of tuberculosis. Many more were left handicapped for life and still others were obliged to give up school.

To help combat this dread disease in our community, the Junior Tuberculosis Board was organized to promote good health and to stimulate interest in the work of the Tuberculosis League in the local high schools. The Junior Board was founded by Miss Irma Collmer who is now the Executive Secretary of the St. Joseph County T. B. League. This was the first board of its kind in the United States. There are now more than 18 other such organizations in this country.

## Golfers Lose To Mishawaka

Last week the Central Golf squad played off two 18-hole matches with local opponents, Mishawaka and Riley.

Central met and was conquered by Mishawaka, by the score of 7½ to 4½, on Tuesday, September 23, at Erskine Golf Course. The Bruins scoring was as follows, Captain Jim Parks picked up two points from his opponent Clark, Wiesel scored one point on Mullen, Pantzer took one-half point from Williams and Smuts collected one from the Mishawaka team captain, Tracy.

Playing in cold weather against Riley on Thursday, September 25, the Bears came through with a tie, 6-6. Low man in this match was Captain Stout, of Riley, who was paired against Parks. Central's points were collected by Wiesel (3), Gallivan (2) and Pantzer who racked up one point over Overholser of Riley.

## BARNSTORMER BOARD

Barnstormer members are well occupied these days. Many of them worked on "How Deep Is The Ocean?" and many more are thinking ahead to the Barnstormer play to be presented November 13-14. Directing the club's activities is the board of directors that has Fred Altgelt as chairman. This semester the board also includes Nancy Dodge, Dan Boyd, Don Jackson, Pat Miller, Don Kuespert, Jackie Des Lauriers, John Pauszek, Bessie Makris, and Paul Henry. Mr. James Lewis Casadey sponsors the club.

The local Junior Board is headed by Mrs. M. Brown and is made up of representatives from 17 schools in St. Joseph County. From each school there is a Junior and Senior Class member, one boy and one girl.

Officers of the local Board are Zuzella Osmundson, president, from Mishawaka and Ted Christian, vice-president, from Central Catholic. Each Board member is given a pen pal of high school age out at Healthwin to correspond with.

Some of the projects which the Junior Board helps to promote are the Health Cross Sale, Speech Contest, Christmas Seal Sale and Poster Sale.

## ON THE RECORD

Whassay! Your peripatetic platter columnist has been to some of the local record emporiums and is going to give you a representative little list.

Your and my old buddy Tommy Dorsey is 'reet' on a side called "Trombonology." To some squares this may seem to be just a limbering exercise for trombonists, but not the way T.D. does it. It is, what I mean, fine. The so-so on the flip is a vocal called "Deep Valley." Another fine disc is "Early Autumn" by Claude Thornhill with Fran Warren taking vocal honors. This is one of the dreamiest things put out. Get it! You can listen to "Beautiful Doll" on the other side if you're so minded.

On the bop angle we have a terrific instrumental by Erskine Hawkins called "Coast to Coast." After hearing this, as my toes were just uncurling, I had a great disappointment, the other side, "My Baby Didn't Ever Say Goodbye," was really poor. But try it just for "Coast to Coast."

And, by the way, if you have some extra frogskins rustling in your drawers, be sure to get a fine album stamped "Back Room Piano." A fellow by the name of Frank Froeba has a trio that gives you rumbling Barrel House, tinkling Honky Tonk, and black and tan Boogie. Froeba played for as many name bands as you have fingers and lets us in on these sides; "St. Louis Blues," "Sugar Blues," "Moosie Mousie Boogie," "Squeeze Me," and "I Wonder Who's Kissing Her Now."

Oh, I tell you it's great! So, my friends, hark to the above wisdom and if not we'll see you in the funny papers.

—Bob Happ.

Get 'em while they're hot! The local notes in your high school newspaper.

I want you all to meet Jim Brademas, one of our Senior A's from H. R. 225. He is 5 feet 6 inches tall, has blue eyes and blond hair. Football, basketball and the presidency of the senior class are a few of his activities.

Like everybody else, he has some strong likes and dislikes. His likes are: travel, his club, horseback riding, practical jokes, talking (which, incidentally, he thinks he does too much of) spareribs and all kinds of cheese. His dis-likes are few, only three in fact: conceited people, short hair on girls, and fishing — because it takes too much patience.

After graduating this February, he plans on taking a trip to South America before tarding in at DePauw University. The best of luck to you, Jim.

## GOOD WORK

We are now in our fourth week school. Classes are well under way. Almost all students have paid the fees. Everyone, by now, should have his books and supplies necessary to do good work. These are all essential, however, educational progress depends on many other factors; the most important of these being attitude. Unless the student has a desire to succeed in his work, nothing much can be accomplished. It is too often when a boy or girl resists all efforts of teachers to help them get along with their studies. We do not have very many with this attitude, but you should have a far smaller number. It should not be necessary to have notify parents that students are not doing satisfactory work.

These notices will be sent out so but we hope that the percentage of boys and girls receiving them will be less than before. You do not need get any and you will not, if you get your best.

### THANKS FOR REVUE

Thank you Mr. Casaday, Barnstormers, Senior class, and all who helped make Central's seventh annual revue a success. The cast and production staff did a grand job in showing us how deep the ocean really is. This revue is one we will never forget.

### GLEE CLUB OPPORTUNITIES

One of the fine organizations at Central is our Glee Club. It has a great many activities but its primary purpose is to help the student become acquainted with good music. The Glee Club has helped with the 1947 Revue and intends to give an opera as well as a number of other programs later in the year.

You new sophomore who haven't found your place in Central yet can profit by the stimulating experiences and new friendships that go along with Glee Club membership.

### MORE CONSIDERATION, PLEASE!

How do you rate as far as plain, common consideration of others goes? Just as in a football game, when one cannot expect to "carry the ball" every time, it takes teamwork and good sportsmanship to run a school Central's size.

For example, when you go into the cafeteria, do you quietly take your place in line, or do you try to push in near the front, ahead of others? And after you've finished eating, do you carry your tray back, or leave it for someone else to pick up?

Do you saunter down the halls four or five abreast, making it impossible for anyone else to pass? In the classroom, do you talk constantly, making it impossible for those near you to study?

These little infractions are much too common around Central these days. So everyone try, and see if the school's 'consideration of others' rating can go up to 100%

### Bears Taste Victory; Whip Indianapolis 24-6

An apparently improved Bruin team received the first taste of victory this season, by defeating the Washington Continentals of Indianapolis 24-6, on the Washington home field last Friday afternoon. Although this game resulted in the renewal of confidence in the Central gridders, after having dropped their first two crucial opening games, it cost the Bears the services of regular right halfback, Len Kowalski, who suffered a broken arm in this tilt. It is probable that Kowalski will be out of the Bruin lineup for the remainder of the season. This will leave a gap hard to fill.

Central, after winning the toss, received the kickoff and marched down to the Washington ten-yard line, where versatile left half Wayman Redding passed to left end Ernie Bond for the first tally of the game.

A second quarter wide end sweep by Central's fleet Len Kowalski accounted for the Bears' second score of the game.

In the third quarter, soph sub Art Buchannon, who replaced injured Wayman Redding, sneaked through the gaping hole in the Continental defense, making the score 18-0.

The Indianapolis eleven scored in the third period on a long pass to left half Charlie Jent, who raced the distance for the lone Washington touchdown.

After the Bears blocked a Washington punt on the Continental's 26-yard line, Central's hard charging

## BEAR FACTS BY CUBSKIN

Centralians can be justly proud of the brand of football displayed by Central and other northern Indiana schools year after year. The teams from this section of the state really play for keeps when they meet each other on the gridiron. From the thud of the opening kick-off to the sound of the final gun, "representative" football is exhibited by boys who are out there to win something more than a chesty monogrammed sweater. Those fellows are determined to do the best their brain and brawn can accomplish. They have that old competitive spirit that keeps saying "Drive, drive, drive," as the team starts marching down the field toward the opponent's goal. It all is summed up in "will to win," which is precisely what generally happens when a team from this region plays outside the area—it wins.

There is something else that comes along with top-flight football—large, enthusiastic crowds, drawn by the magnet of excitement, color, and thrills. Overflowing grandstands are beginning to be the rule, rather than the exception, in South Bend. The promise of a good show has made high school football an increasingly popular sport. May the game continue its popularity in the years to come.

Coach Barnbrook's Central High school tennis team won its fifth victory in six starts Saturday afternoon on the Leeper park courts, defeating Blue Island, Ill. Community High, 6-1.

Steele (C) defeated Schnurstein, 6-2, 6-8, 6-3; Keith Williams (C) defeated David Rohe, 6-1, 6-1; William Pendl (C) defeated James Galati, 6-2, 6-1; Tom Baker (C) defeated Bob Kleintz, 6-1, 6-3; and, Williams and Pendl (C) defeated Rohe and Kleintz, 6-0, 7-5.

The Bruin racqueteers continued on their winning way during last week, defeating Ft. Wayne North Side Redskins 4-1. The team also met Elkhart, and was leading, 2-1, when darkness halted the tilt, which will be completed some time this week. The Bears will meet LaPorte tonight at Leeper Park, and conclude their season next Tuesday against Mishawaka.

Friday, September 26, will prove to be a memorable date for Mr. Primmer and his cross-country team. It was on this day that the two-mile men won their first meet of the season by defeating Goshen's well balanced C. C. team, 25-29. It was a well earned victory for the Bruin runners as they had dropped their first two meets of the season.

This triumph for the Bears was particularly outstanding because it was run without the aid of Dick Koehler, number two man on the squad and the only experienced senior. Dick should be back by next week thereby strengthening the team for the all-important conference meets to come. The first five men across the line for Central were

Mathews (first), Toth (third), Lowe (fifth), Hensel (seventh), and Fox (ninth).

### Juniors Win Over Oliver

Coach John Burger's junior high football team started off the season with a 2-0 win over Oliver last Thursday. The only score of the game came in the last minute of play when the Central line rose up and smothered an Oliver back behind his goal line for a safety. Central had previously put on a sustained march to the Oliver 3-yard line, where a fumble lost the touchdown opportunity. Mr. Burger is decidedly optimistic about Central's chances to win the

City League title this year. The "C" Team has the strongest line in history, led by big boys like Boocher Chlebek, and Laughlin. Spearheading the backs are Blanton and Zarembka. Jim Meehan has been shifted from end to quarterback, where he is displaying a fine game as blocking back.

"Beat you out to the boat!!" "Can I wear your new bathing suit?" "Let's go to Mac's." These are familiar cries of my friends about eleven when we are out at the lake.

Boy, this day is the best we have had. Why today of all days should it be so perfect? It's so nice that I forgot I had to stay up until four o'clock this morning before I could get to bed. Those insects!!!! First I read two stories, played a couple games of solitaire then just sat up until I was dead tired.

I finally jumped, no, dropped into bed and gave the mosquitoes the high sign to come and bite away. Oh, sleep, welllll dozing.

I get on Jane's new bathing suit and Sue's best bathing cap and proceed down to the beach. Oh, that water!!! I'll just jump right in and feel the relief of that cool, cool water. Here I, what? Oh, no not really!! Are you sure??

I go up to the cottage to check and double check but there it is hung up
