January Grads Plan Cap and Gown Day

The senior A's in a meeting conducted by class president Dave Hogoboom and Principal P. D. Pointer on November 4, urged the sale of the school revue show tickets. The proceeds will go to the class fund for the gift to the school.

It was decided that there would be a class Cap and Gown Day on January 18 for the midyear graduates with a party in the gymnasium following the end of the school day.

Named on a committee to plan the Senior A prom were Jeanne Borges, Nancy Wilson, Betty Manchow, and Bob Minkow.

Tom Moon Heads Jr. Academy of Science

Central's Tom Moon was named president of the Junior Indiana Academy of Science for the year 1950 at the annual fall meeting held at Wabash College in Crawfordsville last Saturday, November 5. Tom has served through the past year as vice-president of the organization. At this meeting he presented a paper on the local water supply.

Sue Schaffner of Shortridge High School, Indianapolis was named the new vice-president. Representing Central at the meeting in addition to Tom were Arthur L. Smith of the Science department and John Nyberg.

Wins SPUR Trophy

The final game of the S.P.U.R. softball tournament was held Thursday, Nov. 3, at Leeper Park. The following teams participated: Stillson, Handy Andy, Be-Boppers, Home Room 28, and Pfaffies's Peaches, with H. R. 28, playing Pfaffies's Peaches for the trophy playoff. Hard hitting and experience paid off for the Peaches against the younger but spirited H. R. 28, with the final score reading, Peaches 25, H. R. 28 3.

A handsome team trophy was presented by S.P.U.R. president, Shirley Wolfe, to team captain Lois Pfaffenbach. The tourney was under the direction of Miss Betty Mathews, gym instructor.

D. A. R. Candidate

It is again time for Central to choose a candidate to represent the school in the annual D.A.R. Pilgrimage. This candidate must be a senior girl and an outstanding student. She will compete with representatives from surrounding schools in a test which will be given here at Central at some future date.

It has been the custom in the past, for each representative to be tested at her own school and the results then sent in separately to the D.A.R. This year the test will be given to all students at the same time, here at Central.

The winner will receive a free trip to Washington, D. C. and will be conducted on a sightseeing tour of that city. It is a contest which any girl will be proud to win. In voting pupils were urged that a girl who is an outstanding student be selected in order that she may be able to show up favorably in future competition.

The Central Bears, recently ranked the number three high school football team in Indiana, meet team number two, Reitz of Evansville, in School Field at eight o'clock tomorrow evening, Friday, Nov. 11. This game, which brings together such gridiron talent, should be an outstanding one.

Squad members shown above are BACK ROW, LEFT TO RIGHT: Joe Kabzinski, Harold Pope, Jack Hill, Don Barnhart, Dick Barnhart, Jim Booher, Louie Zobrosky, Arvester Flemings, Gene Williams, and Jim Coleman. THIRD ROW: John Brooks, Entee Shine, Bob Swanson, Governor Grady, Clarence Krueger, Dave Baim, Delbert Molnar, Tom

Owens, Norbert Schillinger, Stanley Davis, Tom Landon, and Jack Morrical. SECOND ROW: Bob Powell, Ted Buczynski, Louie Batalis, Don Morgan, Murrel Brooks, Bob Seach, Norbert Gassensmith, Ronald Zaremka, Nathan Eshelman, John Gruse, and Jim Vesel. FRONT ROW: Leonard Buczkowski, Jack Takacs, Wayne Senger, Wayman Redding, Ted Kavadas, Gene Laughlin, Bob Klapp, Dan Urbanski, Wally Gartee, Jim Meehan, and Don Chlebek.

Head Coach Bob Jones has been assisted by Coaches John W. Burger, Chris Dal Sasso, Ross Stephenson, and Tom Hoyer on the gridiron this year.

CHEERLEADERS IN STATE-WIDE MEETING

A State Wide Cheerleaders Convention will be held Saturday, November 12, at Bloomington, Indiana. It is sponsored by Indiana University for the purpose of changing ideas on cheerleading and increasing student body enthusiasm.

The Central varsity squad consisting of "Corky" Bradfield, Kenny Noble, Virginia Mortiz, Elaine Nowacki Jim Swathwood, and Sue Koplupa plus four members of the B-Team Squad and Miss Betty Mathews will make the trip via a chartered bus from South Bend. The four local high schools have chartered the bus and will make the trip together.

The cheerleaders have a full day planned for them, beginning at 9:00 a. m. A tour of the campus, a special presentation by I. U. cheerleaders, several discussion groups, and demonstrations by individual high school groups will take up the greater part of the day. Guest speakers for the occasion are L. V. Phillips, commis-

sioner of the IHSAA and Leo "Cabbie" O'Neill, coach of Jasper's 1948-49 state basketball team.

They say "All work and no play makes Jack a dull boy" so I. U. has planned entertainment also. The I. U. Men's Concert choir, The Jordanaires, and the Crazy Kats will provide entertainment. To end the convention a big dance in the Union building will be held.

SCOUTS TO BE GUESTS AT CENTRAL GAME

Tomorrow in celebration of Armistice Day, Central Senior High School will play host to all Cub Scouts and Boy Scouts from the St. Joseph Valley, at the Central-Evansville Reitz football game. All scouts will be guests of Central and will be admitted free at gate 6 providing they are in uniform. They will sit on the north side of the Stadium. Mr. Tolman Gharst, director of the Central band, has planned a very special program in keeping with the day for the half time ceremonies.

COMMITTEES NAMED FOR "LET'S TALK TURKEY" — NOV. 17 - 18 - 19

Committees for "Let's Talk Turkey," Central's 1949-1950 School Revue, have been named by Jim Wright, student production manager. The Revue, an original Thanksgiving comedy is to be presented in the Central Auditorium on the nights of November 17, 18, and 19.

The student director is Clifford Singleton assisted by Joan Eells, Walter Schillinger, and George Popp. Committee chairmen and members are:

Costumes: Barbara Smith, Shirley Oren, co-chairmen, Carolyn Engel, Mary Lou Bricker, Doris Harrington, Ruth Easton, Mary Kingsberry, Lois Beckman, Sue Campbell, and Barbara Bailey.

Props: Eleanor Kaskey, chairman, Carolyn Covert, Roger Reid, Dave Hager.

Stage Manager: Neil Smith, chairman, Bill Reid, Jack Appleton, Tom Milbourn, Bill Parks, Murrel Brooks, Sid Pollock, Dick Horvath.

Sets: Jim Stutesman, Nina Perkins, Roger Rensberger, co-chairmen, Dave

Hogoboom, Shirley Callum, Lesley Callum, Pat Scannell, Pat Haley, Marjorie Daube.

Lights: Paul Deranek, chairman, Bud Swinsick, Jerry Satkiewicz.

Turkey Masks: Pat Haley, chairman, Eleanor Kaskey, Dave Hager, Carolyn Covert, Joann Rummell, Sandra Holly, Sybil Boorda, Marilyn Loy, Zora Zoleman.

Publicity: John Myers, chairman, Sandy Stettauer, Shirley Wolfe, Jane Chicles, Sandra Vohs, Nancy Stephens, Sanford Tischoff, Ruth Easton, Tom Doades, Jim Swathwood.

Tickets: Marjorie Daube, chairman, Geneva Tiedge, Jim Swathwood.

Makeup: Roger Rensberger.

Program: Marty Pettit.

Posters: Tom Doades, Wayne Doyle. Members of Mr. Trottnow's art class. Miss Marshall's art classes are making tags. Miss Edna C. Roop's clothing classes have been making ruffles. Music is under the direction of Miss Helen Weber and Mr. Harold Kottowski. Miss Alice Scott is helping with the publicity.

CENTRAL HOST TO STRONG REITZ ELEVEN IN SEASON'S FINAL GAME

The Orange and Blue Bears end a successful 1949 football season Friday night at School Field against a highly touted Evansville Reitz eleven.

The Evansville Panthers are currently rated second place in the United Press state high school ranking poll. Evansville has been beaten only once and that was by the number one team in the state, East Chicago Roosevelt.

This game between teams of such high caliber should be a bang-up affair. If Central can beat Reitz they could end up the number two team in the state. (Central is currently rated number three.)

As for Central it will be the last high school game for twelve seniors. This will be the last game for Entee Shine and Don Barnhart, the starting ends. Captain Dick Barnhart, a great tackle, and reserve tackle Jack Hill will bow out tomorrow night also. Both first string guards Dave Baim and Bob Powell along with Tom Owens will end their high school competition. Quarterback Don Morgan and Norb Gassensmith will wind up their football careers. Louie Batalis will tote the ball for the last time and last, but far from least, Wayman Redding, probably one of Central's greatest backs in history, will end his career. Wayman who

has played first string since he was a freshman, and was rated all-state last year, is truly a great football player.

Evansville has a season record of six wins and one loss. Their victories were over Henderson, Kentucky, 40 to 0; Muncie, 28 to 6; Central (Evansville), 26 to 0; Bloomington, 21 to 6; Hammond, 18 to 7; and Evansville Bosse, 27 to 12. They were defeated by East Chicago Roosevelt, 20 to 12. Evansville team was rated the state champions of 1948.

Don Steinmetz a two year letterman and center of the Panthers has been stricken with polio. Tom Wilson, the starting right halfback, may not see any action because of a hip injury. Pete Fisher was an all-state quarterback in 1948. The Panthers starting lineup averages 175 pounds per man.

Armistice Day

In this busy, striving world there must come a time when it is necessary for us to stop a second and count our blessings as well as to give a prayer of gratitude for those who made our present existence possible. On this November 11, as in years before, our country has proclaimed a national holiday, known as Armistice Day. It symbolizes the anniversary of that date in 1919 when the Allies granted an armistice to the Central Powers. This date came to mean an end of the bloody struggles of warfare, although the Second World War destroyed the vision. Nevertheless, we think of armistice as a day of thoughtful prayer, in which we commemorate all heroes which have died at any time to preserve the rights of freedom, health, and happiness. Although we will only pause a minute from our daily activities at Central to listen to the sounding of taps and offer a short prayer, our hearts should be especially moved with gratitude for those who have suffered for us and we should be more determined to make that suffering final and the dreams they died for come true.

The Use of A Drinking Fountain

Last year there was much complaining heard because of our drinking fountains, which were broken or not there at all. This year almost all have been replaced and repaired, for which we should be very thankful. But exactly what are we using the fountains for?

Some consider them a glorified waste basket, since they continually stick their gum in the bowl. If they figure it flavors the water better, we fear most of us will disagree with them.

Then we have those sanitary individuals who must wash their hands in the fountain, giving it that dirty, grimy color. In fact, although I've never seen it, they may even take a shampoo there, judging from the dingy shade of the poor fountains.

Let's try to get over these habits (although I've slightly exaggerated) and consider the person in line behind us. Bet they'll like us better for it in the long run.

The U. N. Needs You

The United Nations is the mainspring of the world's future. It cannot be considered a machine, since it is far from completed. It is beyond doubt a masterpiece in itself, although not the first attempt to unify the world. However, this United Nations has a better chance of success than any former attempt because it is more drastically needed and its necessity is universally realized.

The members of this body are the most intelligent and well-informed citizens of the world and have the good of the cause really at heart. Each realizes the need for peace and prosperity, and through this medium they are gradually becoming friends instead of each being jealous, greedy, and hateful toward the other.

Truly these people have a task, but they are helpless without the part which you and I play in the project. We have sent them to represent us, but we must still support them if they are to help us. Alone, they are as powerless as you or I would be.

We must have as much faith in these men and women and their ideals as we do in the very life we live and the goals of happiness and conduct which we have set up in our own hearts. We must believe sincerely that they can and will keep us from war, will bring about prosperity, and bring a new light upon the world. Faith, and faith alone, can make the job which is ours to do a success. There should be no doubt in our minds as to whether or not we will succeed, for we must!

In Your Opinion What Does the Sharply Dressed Boy or Girl Wear?

John Reiter—"A barrel."
Mary Ann Miller—"Clothes usually."
Margie Daube—"Tapers."
Jim Freeman—"Cashmere sweaters, they're so smooth."
Morton Sachs—"Jimmy, you are so right."
Doug Adamson—"Blue jeans and an old white shirt."
Sara Brodbeck—"White bucks, natch."
Jean Szucs—"Cool argyles and tapers."
Bob Wade—"Gray suede spoon-bill shoes."
Nancy Herman—"Boy Scout uniforms."

Friendly and well-liked is this 6' 2", 205 pound, 18-year-old fella. He is a senior A and claims 103 as his home room. This young man's activities aren't limited for he is vice-president of the senior A class, a member of the Lettermen's Club, he plays varsity football, and is center on the varsity basketball team. Among his many likes are slow music, milk shakes, friendly girls, the colors orange and blue (I wonder why), all athletics, and parties. His dislikes number two; liver and snobbish people. After graduation he plans to go to college somewhere on the west coast and take a business administration course. I'm sure you all know who he is by now. No one could help but know him. It's "good luck and success" to Entee Shine.

STUDENT-COUNCIL SPEAKS TO THE BREAD LINE

These are the "Ten Lunchroom Commandments" as drawn up by the Student Council according to council president Bill Pendl:

1. Thou shalt not crowd or push in the bread line.
2. Thou shalt not delay the bread line by diving into the waste basket! Thou shalt not leave them thy crumbs on the tables for someone else to clean away.
3. Thou shalt throw the luncheon paper into the waste basket! Thou shalt not leave them and thy crumbs on the tables for someone else to clear away.
4. Remember that spills of food and breakage of china cause confusion and add to the cost of maintaining the lunchroom.
5. Honor those who have provided this lunchroom for thee by keeping it tidy and by taking good care of the furnishings.
6. Thou shalt take thy food seriously, enjoying it and being ever grateful for it and for health to enjoy it.
7. Thou shalt turn in thy tray, soiled dishes, and silver at the proper window and shalt always remember that the lunchroom deserves the respect in the school that the dining room deserves in the home.
8. Thou shalt not eat in the auditorium. Neither shalt thou throw wrappers on the floor—put them in containers. Thou shalt be proud of the condition of Central.
9. Thou shalt not beautify thyself at the lunchroom tables. To scatter face powder or dandruff in places where people eat is a sign of bad breeding.
10. Thou shalt eat, drink, and be merry during the lunchroom hour, but shalt not forget that table manners are an indication of thy breeding and of thy character.

Armistice Day, November 11, is a legal holiday in all the States, Territories, District of Columbia, and Canada.

Aunt Verie is very proud of Gloria Fleming, alumnae of Central, who was elected queen of the Porpoise Fraternity at Michigan State College.

A little mouse told me — Marlene Kroll may have a secret admirer in Jim McConnell.

Why have all the boys a sudden interest in a far away sweet shop?

Could it be a certain group of Riley girls??

Gerry Betley (ND) appears to be the current heart interest of Barbara Dixon.

Verie hasn't forgotten that steady couple — Betty Mitchell and Harold Bratton.

Aunt Verie wants to know who the boy is that Mary Lou Slatter is apparently so interested in.

Seen dancing together—Millie Meyers and Bill Hagerty.

Why is Margaret Herthoge so crazy over midget racing?

Dating—Ruth Ann Webb and Dick Marooney (Tri-State).

Many thanks to the Student Forum and the Civitan Club for the swell Halloween entertainment.

What's this between "Buzo" Buscoe and Barbara Burns?

Yes and No — Mary Jo Tyler and Gene Laughlin.

Seems that Shirley Wolfe was mighty happy this last week with Duke in town.

Date of the week—Pat Infalt and Jim Defreew.

Hey! Ralph Burget, there's one Amigo that thinks you're pretty cute.

One and all wish that Charon and

Vesel would get things straightened out. They make a cute couple!

I wonder why Notre Dame has taken up much of Kathleen Smith's time??

Still going strong! Marty Pettit and Dick Swift, Della Moss and her Marve.

The game? Why it was packed with enthusiasm, but sitting behind two girls, one might find it rather difficult to center all attention on the game. Trying to keep up with their conversation might resemble going to a three-ring circus.

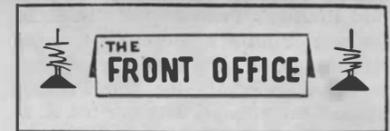

Oh! The teams coming; do you see Jim? Bob? Dick? Golly they look manly in their uniforms! Say, look at that—Mary Jane Zollinger and John Horning. I haven't seen them together in just ages. Isn't that fella over there interesting? Couldn't we stand over there and act like we're talking to someone near him? Oh! The game's started. Gee, I hope Coach will let Jim play. Doesn't he look cute sitting on the bench? He's getting up, maybe he'll play now. Ohhhhh, he sat back down. Where are we going after the game? He'll probably go to Campus so we had better go there first, then we'll go to Don's. Oh, Louie's hurt—Oh, please get up! Yipeeeee, he's up. The game's over—wasn't that the most thrilling game you ever saw? Let's hurry and get out before the crowd."

The moral of this story is—if you want to see a game, get a seat on the side lines.

Your Aunt Verie is very pleased to see Norma Noble dating Bill Peterson. They make a swell pair!

Say there! Verie thinks that Jane Chicles and Bix Connors would make a super couple. How's about it?

Bob Fisher seems to go for those Handy Andys, doesn't he? Who is it now, Bob? Could it be Leanne Rhodus???

OUR TEAM

Our football game with Reitz High School Friday evening could well be the game that decides the State Championship. Reitz is now ranked by those who know, as second best in the State and Central as third best. Roosevelt of East Chicago, who is now in first place, meets some very worthy opponents before the season closes. It could be that some other western division team would meet Riley who is ranked seventh in the State, for the Conference Championship.

Central has had a fine season. We have won all our games except one. We tied with Washington in our game with them. In fact, our last two seasons have been outstanding and Mr. Jones and his assistants deserve the thanks of all Centralites. They have done a fine job. To the boys on our team, we offer our congratulations and wish them well.

It takes a lot of courage and hard work to produce a winning team. All Central students and faculty are proud of this 1949 team and the coaching staff.

NIHSC Season Ends With Victory Over Ft. Wayne, N.S., 21-6

Coach Bob Jones' Central Bears, ranked third in the state in the weekly United Press poll, rounded out their conference schedule by downing a stubborn Fort Wayne North side team at Fort Wayne last Friday night, by 21-6 count. The victory gave the Bruins undisputed possession of second position in the N.I.H.S.C. standings.

In the opening minutes of the game the Bears brought the pigskin all the way to the North Side five-yard line, but were unable to cross the final stripe. Early in the second quarter the Redmen scored to trail, 7-6, and as the fans began to think that perhaps the ballgame would be a contest, the Bears began a march from their own 17-yard line which ended in a brilliant pass from Redding to Entee Shine and a touchdown. Gene Laughlin added another point for Central. At half-time Central held a 14-6 lead.

Coach Bob Nelf's, North Siders had to cancel their opening game because of a polio outbreak. Although they are co-residents with Mishawaka in the cellar of the conference, they played a tremendous defensive ballgame against the more experienced and heavier Central eleven.

The second half saw the powerful Bears smash 80 yards for their final tally, Redding doing the last five yards. Laughlin made his third point after touchdown for a perfect evening's work. In the fourth quarter Central and North Side fought to a standstill as neither team managed to cross each other's goal-line.

The Bears piled up 240 yards on the ground, 65 in the air, for 17 first downs. North Side gained 73 yards rushing, 67 yards on the airplanes, and 10 first downs.

BEAR FACTS BY CUBSKIN

Next Monday after the dust has cleared and Central's gridders hang up their cleats for another year, Coach Bob Jones will step over to the Jr. Building and begin the defense of his conference championship matmen. It will be a tremendous job for the Bears if they are going to have a better season than their previous one in which they not only won the tough northern conference but also finished second in the state behind powerful Bloomington.

This season the "grunt and groaners" will be lead by Capt. Bob Fisher who succeeds last year's captain, Roland Solander. The 1949-1950 squad should be very strong because graduation took only four boys, Don Hager, Solander, Jerry Seach, and Leonard Kowalski. The squad will have two state champions returning in the persons of Howard Fisher, who won his fame in the 95-pound class and Harold Bratton who won his in the 112-pound class. Some of the other outstanding wrestlers who will be returning for this season are: Dick Barnhart, who won a conference title in the light-heavy division last year, and Pat Ferraro, Bob Wade, Bob Fisher, and Jim Booher, all of whom captured seconds in last year's conference match. Also, the returning lettermen, Leon Grossnickle, Lou Batalis, Kenny Crawford, and Ronald Zarembka will be on hand.

Here's hoping Coach Jones and his muscle men climb a notch higher this year and turn in an even more sparkling season, for the 1949-50 wrestling campaign-state champions.

Don Hager, former Central football, wrestler, and trackman is now attending Indiana University. Don is participating in football and wrestling there. Bruce Daube who participated in track and basketball is now enrolled at Oberlin College. Bruce is studying to become a minister.

Gene Mathews, Central's star distance runner, captured a fourth place in a field of 141 runners in the state cross country competition held in Indianapolis last Saturday, Nov. 5. Mathews, champion of these parts, had been looked upon as a most likely state champion but Jim Lambert of Muncie Central came up to shave

held the opposition to just 26 points while scoring 180 points.

The junior high cagers, who were city champions last season, have started practice for the 1949-50 campaign under the direction of their new coach, Devon Phelps. There are eight boys returning from last year's squad: Joe Urbanski, Dick Schutt, Fred McKinzie, Jerry Kline, Paul Harvey, Ernie Craft, Ted Ringer and Fred Ware.

Congratulations to Bob Jones and his football men for finishing second in the eastern division of the N.I.H. S.C.

Coach Tom Hoyer's tankers started splashing three weeks ago at the City Natatorium in practice for the coming swimming season. The swimming schedule is as yet incomplete but as

nine seconds off the record and take first place. Anderson won team honors for the fourth straight year with a score of 67 points. Mishawaka took second honors with a score of 79 while Central's Devon Phelps coached squad took twelfth with a 281 score.

A couple of weeks ago Coach John W. Burger's junior high gridders finished play in the city's junior high school football conference. After the records had all been sorted and summarized the following statistics were obtained: The "C" boys had a very fine record of six wins and one defeat. They placed second in the western division behind Oliver. Individual honors go to Bankowski who scored 76 points and not far behind is Fred Ware with 58 points. Burger's charges

The Hickory Sticks seen in the Central halls were first given by the Indiana Lumber Company in 1928 to help pep up the spirit of the student bodies of the both Central and Mishawaka. The team winning three out of five consecutive games, would get the Hickory Stick to hang with the rest of their trophies.

The Orange and Blue of Central has won three of these sticks while Mishawaka has won only one. Central won the first two then Mishawaka came back and won the third. In 1947 the Bears, even though they were beaten by the Cavemen, retired the fourth Hickory Stick for Central. The score on the fifth stick was marked in favor of Central in 1948 and again this year another win was marked up for the Bears. There are three more spaces in which to inscribe winning scores and let's hope they are all Central's.

Visual Education Program On The Increase At Central

During the year we all see different movies here at Central, but how often do we realize the work back of these movies.

First of all here are some facts about our machines. Central now owns two 16 mm. movie machines. One machine has in five years run 1,750,000 feet of film. Another has in three years ran 1,050,000 feet. The average per machine is about 350,000 feet a year.

Next you probably wonder who runs these machines. The answer to that is the "Movie Operators." They are organized in such a manner that only the best can belong. They must be responsible, have good moral character, and have initiative. This is purely a Service and Honorary Club, sponsored by Mr. J. C. Dickey, and any boy can belong who is willing to keep his grades up and to give his share of time. Each new member is assigned to a senior member to be taught how to operate the machines. Later he is given an operators test. The boys work during study periods and when they are needed. Some of the more active members are Gerald Nijak, Jude Dunfee, Richard Mendenhall, Roy Pete, Albert Gregory, Bob Gordon, Don Miller, John Nick, Miki Pisci, Leo Korpala, George Radmonovich, Julius Karas, and Kenneth Lyle.

Film usage at Central is becoming more and more popular. Many teachers are using them and it is bringing the students much closer to their work.

The Operators Club has named Bob Bauer as club reporter. A club petition to Mr. L. W. Barber asks that the club members be permitted to use room 315 as a study and instruction room.

ENJOY RILEY POEMS

An interesting assembly was given Wednesday, November 2, at Central by Dr. George Davis, of Purdue University, celebrating the Centennial of the famous Hoosier poet, James Whitcomb Riley.

Dr. Davis spoke of certain interesting events in the life of Riley before interpreting some of the authors best loved poems.

He ended his talk with a suggestion, "If you would memorize some of your favorites in literature you would get more enjoyment from them."

JR. RED CROSS, Nov. 1-15

Students all over the nation are enrolling in the Junior Red Cross this week. The campaign ends on November 15. Central students are participating in the campaign by rendering certain services in addition to taking out memberships. John Dewey said, "We learn to do, by doing" and Junior Red Cross helps students learn as they serve.

Class Of 1899 Holds Reunion

Recently the Central class of 1899 held their 50th reunion at which 21 members were present. There were 32 graduates in this class. At the meeting THE INTERLUDE was discussed and the letter which follows was written.

THE INTERLUDE

Central High School

Enclosed please find a check for (\$26.00) twenty-six dollars, which has been contributed by members of the class of 1899 for a gift to THE INTERLUDE.

Our class was in high school in the "gay ninties" and school life was gay and full of fun — but — we had no school paper.

News just got around by way of mouth and was a little obscure at times and considerably stretched at other times.

We all think we would have enjoyed a school paper, and the class of 1899 hopes that those who are now in school will enjoy and appreciate "THE INTERLUDE."

Respectfully yours,
WILMA WALDORF

(for the class)

Central and especially members of the staff wish to thank Miss Waldorf and the other twenty grads of fifty years ago for their interest and the donation.

"SING A JINGLE"—Movie

The noon movie to be presented in the auditorium next week is entitled "Sing A Jingle." It is a musical romance starring June Vincent as a spoiled society girl and Allan Jones as a famous concert singer turned riveter. The Kings Men will do their share toward making this laugh-packed movie enjoyable to all.

CLASS AIDS TB LEAGUE

Miss Hindelang's Stenography III and Typing II classes have just gained practical experience in chain feeding and addressing envelopes since they recently completed the assignment of addressing about five thousand envelopes for the Christmas Seal Campaign of the Tuberculosis League.

"B" SQUAD LOSES FINAL GAME, 19-13

The "B" squad finished an otherwise very successful season with a loss to LaPorte's Slicers, 19-13, last week.

LaPorte was leading 13-7 at the half-way mark. Jim Coleman ace back for the Bears contributed the lone score for them in the first half on a 20 yard sprint. Sonny Grady converted the extra point. LaPorte came back in the third quarter with another touchdown to make it 19-7. The determined Bears came back in the last heat with Sonny Grady on a reverse of about 15 yards to make it 19-13. That is the way it stood at the final gun. The boys went into the final game undefeated and the loss made their overall record read six wins, one tie, and one defeat.

PHYSICAL EXAMS ARE SCHEDULED

Miss Fern Watts, school nurse, has just listed the dates of the physical examinations. Each Central student must have two physical examinations before graduation.

"If you have none, take advantage of these exams that will be given. Each student has paid for them in their school fees, so why not take advantage of them now? They are required for graduation," Miss Watts explained.

Examinations for boys will be given on November 21 and December 5. Examinations for girls will be given on November 28 and December 12.
