### Announcing Opportunity

#### For Cooperative Occupation-Training.

Your high school is planning to provide work-study courses which offer you opportunity for a part-time job with pay, coupled with practical school courses which are directly related to the job. You may earn your high school diploma as you prepare to enter your chosen occupation.

**What is the purpose of this program?** To provide, along with one's general education, occupational training which can not be provided within the school. This is done through cooperation of business, industry and other community organizations.

**A broad purpose is to increase the opportunities which your school offers you.**

**Who is eligible for the program?** Anyone who is sixteen years of age and interested in entering a trade or occupation which requires special training. You should lay your plans for cooperative training as early in your high school career as possible.

**Graduation through cooperative training does not prevent college entrance, but may prove very helpful for technical and engineering careers.**

**What are some of the trades or occupations which I might consider?** The field of occupations will possibly be increased in South Bend as we gain more experience with the program and seek cooperation of more employers. In general, an occupation which requires one thousand hours or more of training will be considered. Some possibilities include: auto mechanics (auto electrician, auto body repairman, wheel aligning and balancing, etc.), commercial advertising, baking, cabinet making, core making (foundry), cooking, drafting, electrical motor repairman, furrier, gardener, glass worker, machinist, machine operator, milliner, molder (foundry), motion picture projectionist, nursery operator, flower growers, paper hanger, photo lab technician, plasterer, printing (compositor, type-setter, etc.), radio repairman and TV repairman, refrigeration, repairman, shoemaker and shoe repairman, stationary engineering, spotter, dyer, presser and dry cleaning, watch maker, window decorator and upholster.

**How would my program be planned and what credits would I earn?** You would have half days scheduled for work. One period of the remaining half day would be scheduled for related training (study, conferences and discussion designed to help you in your chosen occupation), and the remaining two periods would include the subjects which are required for graduation.

**You would earn 4 credits per semester including one credit for related training and one credit for work experience.**

**How can I find out about getting into this program?** See your counselor as soon as possible. He will help you file application for cooperative training and work with you on your program planning.

**Talk it over with your parents. You must have the approval of your parents or guardian to enter upon a work-training agreement.**

### SCHOLARSHIPS

Fifteen four-year scholarships to leading universities are being offered for the first time this year by Lockheed Aircraft Corporation.

Full payment of tuition and fees, plus an additional \$500 each year for personal expenses, will be provided by the company under its new program of helping deserving students interested in aircraft industry careers.

Ten scholarships will be for engineering majors and the other five for students specializing in business ad-

VALEDICTORIAN AND SALUTATORIAN OF THE CLASS OF 1953, respectively, Mary Dring and Ramon Cook leave behind them records of which Central is justly proud.

### Ramon Cook Earns Salutatorian Honors

A straight "A" high school record has placed Mary Dring at the top of the list of Central's graduating seniors. As valedictorian, with a perfect average of 97.500, Mary will bid good-bye to the school as a representative of the 336 graduates. Taking second honors as salutatorian is Ramon Cook, with an average of 97.233.

Mary has been a member of the Glee Club, and is an INTERLUDE reporter. She was a top entrant in the recently held State Comprehensive Mathematics contest, and qualified to compete at Indiana University on April 25. Ramon is also an INTERLUDE reporter and has been a varsity debater for two years.

The 58 top-ranking seniors who have maintained a scholastic average of 91 points or higher will be made members of the National Honor Society at the awards assembly on Cap and Gown Day. They will be presented with pins from the society.

### Students Cited In Indiana University Tests

Fifteen students from Central have received certificates of merit in the regional examinations of the Indiana University High School Achievement Program. The students who took the tests in their respective subjects on March 28, have all qualified to compete in the state finals at Indiana University on April 25th. Richard Greer, Noel Yarger, and Richard Dunbar will represent Central in Geometry. Taking the comprehensive math exams will be Mary Dring, Dave Nowacki, Bruce Hering, and Tom Hensel; and Rita Payton, Marilyn Brown, Gordon Eslich, and Robert Lyons will compete in the algebra tests. In Spanish, Florence Rottach tied for first place in the state with a student from Hammond. The English representatives will be: Roz Johnson, Judy Mellow, and Ellen Frank, who ranked first in this area.

### COUNCIL ELECTIONS NEAR CLOSE

As campaigning heads into the home stretch, the Central student body anxiously awaits the results of the forthcoming 1953 student council elections.

This year the interest of the students is even more divided, since there are once again three parties with their hats in the ring. Last year, there were only two parties, Pioneer and Student Action.

Last year the Pioneers made a clean sweep of the election placing in office Bill Barrett, Bill O'Dell, Judy Mellow, and Ellen Frank. This year's nominees are Jack Cote, Bobby Pauszek, Jeanne Mae Martin, and Carol Brandley. The Pioneers are campaigning behind the slogan of "For a better year next year, vote Pioneer this year."

The second party is the Student Action Party, headed by Jerry Moss for President, Terry Fridh for Vice-President, Vel Rae Smith for Secretary, and Barbara Nowacki for Treasurer. "Have you heard the word for the day? Student Action all the way!" is the official motto for the Student Action Party.

The new party this year is the Representative Party. This one which has as one of its slogans, "Get Hep—Vote Rep." has John Dunnuck, Bill Nicks, Sandra DeVries, Kathy Wilmore running for the offices of President, Vice-President, Secretary and Treasurer respectively.

As the election draws near, the respective parties are doubling their drive for votes. The grand finale will come Monday morning when a mass assembly will be held for the benefit of the students. The different parties will present their candidates and explain their platforms more fully.

Elections will begin Monday after the assembly and will continue until 4:00 o'clock Wednesday. Students may vote before school, between

### "KING DODO" TO BE GIVEN AT RILEY

Riley High school is offering South Benders who saw "The Sho-Gun"—and anyone else who enjoys good music and entertainment—the opportunity to have a second taste of Gustav Luders' lilting melodies, in its production of "King Dodo" to be given in the Riley auditorium April 16, 17, and 18, at 8:00 p. m.

Another of Luders' delightful comic operas, "King Dodo" concerns the dilemma of an aged king who seeks to gain the favor of his young ward, Angela, by bathing in the fountain of youth. The plot thickens when Angela rebuffs the advances of the "rejuvenated" king, because she prefers "older men," and the poor fellow is

### TRYOUTS FOR SENIOR PLAY SCHEDULED

Tryouts for the Barnstormer-senior class play, "Mr. Barry's Etchings," a zestful modern comedy about a benevolent counterfeiter, will be held Friday, April 17, after school in Central Little Theatre, room 114, and Monday, April 20, at 6:30 in the Central auditorium.

There are six girls' and seven boys' roles in the show, and any senior or Barnstormer is eligible to try out. Members of the student council will help sell tickets and promote the publicity for the play.

Judges for tryouts will be Miss Spray, Miss McReynolds, Miss Hatt, senior sponsors, and Mr. Casaday.

### ART EXHIBIT HELD

Central students who are studying art with Mrs. Gertrude Butcher, Miss Rosemary Donatino, and Mr. Bert Trottnow have entered some of their works in the City-wide Art Exhibition which is being held at the South Bend Art Association.

The display, of approximately 2,000 pieces of the best works, opened April 12 and will continue through April 26. The show is open to the public, free of charge, from 2 to 5 o'clock on Saturdays and Sundays and from 3 to 5 p. m. week days, except Mondays, when the galleries are closed.

A variety of exhibitions created by students are on display in the show. Among them are mobiles and stables done by Bob Ferguson, Terry Botteron, George Pettit, and Sue Crothers, all of Central.

On different Sundays, students will present demonstrations of art methods used. On April 19, Mary Ann and JoAnn Fichtner, Sue Crothers, and Fred Hawkins will be in charge of the demonstration.

## Student Council Election

Next week, we will have the opportunity to put our knowledge of democratic principles into action. We will be electing our student council officers for next year. Voting is our way of speaking up in student affairs. It is a matter of personal preference for whom we vote; it is a matter of obligation that we vote.

## Representative Party

"Government of the people, by the people, for the people . . ." — in those simple words Abraham Lincoln voiced the principle that makes the government of our nation outstanding. It is the statement that a leader must know the viewpoints of those under him in order to lead wisely: it is the principle of government by all citizens.

The REPRESENTATIVE PARTY has brought that principle into Central's Student Council elections. This party is backed by the president or chairman of Band, Barnstormer Board, Debate, G. A. A., Glee Club, Hi-Y, Library Club, Orchestra, Projectionists, Jr. Red Cross, Jr. Academy of Science, Tri-Hi-Y, Tumblers, and Ushers. No other party even begins to approach that variety of background. It is that widespread support that makes the REPRESENTATIVE PARTY worthy of its name!

Why do the leaders of all the school-sponsored organizations choose this party? The answer to that question is found in its candidates. There are no "bosses" running on the REPRESENTATIVE ticket. Dunnuck, Nicks, DeVries, and Wilmore have asked the organization presidents to meet with them and express their viewpoints. That type of action results in excellent government: government by the people. If you will give the REPRESENTATIVE candidates your permission in the voting booth next week, they will combine that willingness to serve with the clear, keen mind each of them possesses to bring Central's Student Council a remarkable record of achievement next year.

—Dave Nowacki.

## It's New, It's Better, It's Pioneer!

Central students, this is to you! This year you have a choice of three platforms and twelve individuals to run your Student Council in '54. Most of the time students do not study parties, platforms, or people enough to realize what they really want. Now is the time to seriously consider!

This year, Pioneer offers you leaders who have not had previous experience with our Student Council. In other words, we're giving you a group of students with new ideas and a plan for a completely new and streamlined Council. They offer you a platform which is original and free from "impossible planks."

As the saying goes, "A platform is only as good as the people who support it." Well, Pioneer offers you a group of outstanding students to fill the Student Council offices, and a platform with all-new ideas. These are the things our Council needs to give it the importance it should rightfully hold in school affairs.

We want to make the Student Council an organization that everyone can look up to and be proud of, and we know you want that, too! With Pioneer leadership this can be brought about. This year Pioneer offers you new people with equally new ideas. They are leaders of the type you want to run your Council. So, for all of you who want a change, here is a real one!

Pioneer's candidates for office are Jack Cote for President, Bob Pauszek for Vice President, Jeanne Martin for Secretary, and Carol Brandley for Treasurer. So, this year, stop . . . think . . . and then vote — PIONEER!

—Jeanne Martin.

## Student Action

This year once again you are asked to select the officers for your student council. Since these are the people who will speak for you and your school the next year, this decision that you, the voter, have to make is an important one. Then let us not be hasty, or flow with the tide, but make our own independent decision after reviewing all the facts and records.

A question may arise in your mind as it did in mine, "What yardstick must I use to measure the capabilities of the candidates?" We may best answer it like this: Is this person sincere in his desire to serve? Is he capable of expressing himself so that his views will best be understood? Has this candidate fresh, new ideas for the council to act upon? Then the most important question of all: Does the candidate have a good record of service in the student council? For if this last necessity is missing, even though all the other good qualities are there, the desire to do well will be stemmed because of a lack of the all-important knowledge of how best to serve. This year we find this experience, this knowledge of the workings of the council a characteristic of only the Student Action party. Our candidates have those qualities which are necessary in those who take on positions of responsibility. Their records inside and out of school are noteworthy. They are active and capable of accepting responsibility. They are the candidates that Central can place confidence in — by voting straight Student Action.

—George Beamer.

VERIE SAUER SAYS:

Under-the-clock conversation centers around . . . spring; when the sport-minded ones turn their thoughts to baseball and golf . . . the Student Council elections and the soap box speeches and the platform planning that goes with them . . . the annual "Stardust Swirl" that promises to be a star-studded event . . . the huge orange and blue banner in the main hall that reminds everyone that we really are the '53 State Basketball Champs . . . eye-strain caused by trying to read the upside down Nut Issue right-side up . . . the very tempting weather; it's so easy to "accidentally" float out the door on a cloud of spring fever in the afternoon . . . the super assembly given by none other than our own "Tumblers" . . . the hours being put in by a group of Central students to help raise money for the Crippled Children Fund; anyone who would like to contribute to this more-than-worthy cause can obtain further information under the clock . . .

A new dating combination that Aunt Verie is watching with great interest; Rose Budd and Johnny Eichorst. We hear they have a date for the Stardust Swirl!

While prowling around during spring vacation your Auntie ran across a few old Centralites from last year who were home from college: Wally Gartee, Bob Clements, Sandy Stettauer, P. J. DeVoir, Frannie Charon, and Dave Hager.

Also on the dating list: Bob Scannell and Carol Brockman; Barbara Pinkowski and Kenny Noble (Central grad.).

She: "Do you love me?"  
He: "Yes,"  
She: "Would you cry if I died?"  
He: "Yes,"  
She: "Show me how much you would cry."  
He: "Die first."

Aunt Verie can't seem to keep up with Barb DeVolder and Pat Higgins. At the present time we find Barb with Bill Marhon and Pat hustling Mary Jean Carroll.

We hear that Shirley Jernstrom is looking forward to the "Stardust Swirl." The reason: the date of the evening is her Dick from Lafayette.

We hear that Carol Cox is looking forward to visits from the postman and letters from her steady, Jude Dunfee (Central grad.).

Thelma North seems to be seeing a lot of Ray Pynaert (Central grad.) of late!

Seven ages of woman:

Infant  
Little Girl  
The Young Woman  
The Young Woman  
The Young Woman  
The Young Woman  
The Corpse.

A new steady couple on the "long distance" list: Betty Greene and Gene Laughlin (Marines).

Seen at the Sunday afternoon Jam Session at the Palais: Gayle Jones and Wally Gartee (Ball State). Verie suggests that anyone interested in spending an afternoon listening to some really cool music drop into the Palais.

A Bunny Hop combination: Kiki Tsalikis and John O'Brien.

And then we have Judy Esterline dating an ex-Centralite who is now stationed at Great Lakes: Bob Seach.

Verie hears that one of the younger members of the famous Jensen family, Skiddy, is steadying it with Sue O'Donnell.

It's reported that Joan Beahm is up in the clouds of late, maybe it's because her newest dating attraction is Danny O'Donnell!

Might be a dating combination: Bruce Mock and Bonnie Palmiter!

Judge: "That will be \$65.00, young man."

Young Man: "But Your Honor, I'm only a teen-ager!"

Judge: "Ignorance is no excuse."

In case anyone is under the impression that this report was fictitious, Verie would like to clear the air. Janis Dannerberger and Don Bankowski are a new steady duo!

Mary Dring, one of the few blondes that no one suspects of patronizing chemical companies, holds a distinction. That distinction: a straight A record in high school.

Ranking first in a class of more than three hundred graduating seniors, would go to anyone's head, but Mary is extremely calm, cool and collected about the fact that she is valedictorian. Mention the fact to her, and she begins talking about her trip to Texas.

It goes without saying that Mary has been on the first honor roll every semester, but aside from academic accomplishments, she is a reporter for The INTERLUDE and has a host of friends. Her artistic talent which led her to take Mechanical Drawing when she was a sophomore (the only girl in the class, no less), has also led her to believe that she wants to be an architect. Consequently, plans for the future center around the school of architecture at the University of Texas.

Home room 224 is proud to claim Mary as its own. There, from 8:20 until 8:35 every morning, she chats with some of her friends, and in the conversation, one can see evidence of her liking for blue, T-bone steaks and mincemeat pie. At the opposite end of the scale, she places such necessary evils as sweet potatoes, beets, chardreuse, and (get this) "people who try to make other people think they're somebody they aren't."

What about Central? "Well, I love Central, but everybody's already said everything good about it. I'll miss the kids most, though."

A few days after graduation and her valedictory address, Mary will leave for Texas and her new home in Dallas. We're sure that the eyes of Texas have never feasted upon a

more talented, better-looking, or more charming girl than Mary. We hope that she'll be back home again in Indiana.

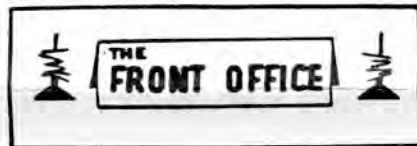

MY COUSIN RACHEL  
By Daphne du Maurier

My Cousin Rachel is the story of a beautiful woman with a definite air of mystery. As one reads the book, he wonders what sort of woman Rachel really was—a scheming murderer or merely a lonely and charming widow.

Ambrose Ashley was the guardian of his young cousin, Philip, at the English country estate, Pelyn. The two were very close, but as Philip grew older, Ambrose went to Italy and there married the Italian Rachel. A few months later Ambrose was dead and Rachel came to visit Philip at Pelyn. Philip became very much infatuated with his cousin and she, seemingly, with him. However, certain mysterious letters written by Ambrose before his death caused Philip to wonder about the circumstances of his cousin's death. Even so, Rachel controlled her cousin more and more until, at last, he turned the estate over to her completely. Mr. Rainaldi, an Italian who had known Rachel for a long time, visited her in England and made Philip very jealous. He began to think, "Did Rachel and Rainaldi kill Ambrose?" And so the reader wonders . . . did they?

Daphne du Maurier creates an atmosphere of breathless mystery about the characters in this novel. For exciting and enthralling entertainment, read My Cousin Rachel.

—Alice Abraham.

## YOUR OPPORTUNITY

If you were not satisfied with your first nine weeks' period grades you now have an opportunity to do something about them. This is the beginning of a new grading period. It is an opportunity that should challenge every student in school. What you do about this, of course, rests with you.

One of the frequent questions asked about a student's grades is, did he improve as he advanced in grade status or remain on the same level? If one's grades get worse, then he becomes a greater risk as an employee or as a college student.

You now have an opportunity to improve your record. What you do about it depends on you. All of us hope that you do all you can to make your record better.

P. D. Binter  
Principal.

# BASEBALL SEASON IN FULL SWING

## DIAMOND CREW WINS, 11-3

Coach Lou Newbold's baseball team opened its season with a very impressive victory over up-and-coming Catholic High, 11 to 3.

The first three innings were marred with nine errors for the losers. Walt Breske, a soph, started on the mound for the Bears and pitched hitless ball for two innings and let only two men reach base. In the third inning he was relieved by Larry Snyder, who gave the Orphans three runs on four hits and two errors by John Holmes and Tom McClanahan. Fred McKenzie replaced Snyder in the fifth and pitched hitless ball for two innings.

Jim Zielinski was the big gun for the Bears, getting two hits for four times at bat.

The third inning was the big inning for the Newbold-coached boys, in which they knocked in five runs on four hits. Zielinski got a single, and Pauszek was hit on the arm by a pitched ball. Jim Shedd clubbed out a double, driving both boys in. Dan O'Donnell, soph first sacker, contributed with a single, scoring Shedd. John "Tinkerbell" McNarney drew his second walk of the game putting O'Donnell on second and then Breske came through and aided his own cause with a bingle, driving in another run. A Hadaway walk and a double by Bill Przybysz scored again.

Friday's game with Washington was washed out by rain, but it has been rescheduled for April 27 at School Field.

The next game on the Bears' schedule is Friday at School Field, when Michigan City sends its "9" against the Bears in a conference tussel. Michigan City is rated as one of the best teams in the conference, and with all but three boys missing from last year's team, will really put up tough opposition.

**CENTRAL'S GOLF TEAM** — Top row, left to right, are pictured Bob Jensen, Joe Febbo, Dale Rems, Dan Dombrowski, Earl Garson, "Terrible" Terry Gumz, Mike Carrington, Ted Krusser, Bob MacDonald, Ronnie Mason. Bottom row, left to right, are Tom Schafer, Berry Dunfee, James Vitou, Charles Thurn, Marty Kleva, and Jim Larsen.

## Rap Niles, 591-10 To 499-10

Coach John Burger's Central tracksters started off their outdoor season on a successful and promising note last Tuesday with a 59 1/10 to 49 9/10 dual win over the Vikings of Niles, Michigan.

The Burgermen, who recently completed a dismal indoor season, seemed to have found new life as they swept to eight victories in 13 events.

Jack Cote was the only double winner with wins in the pole vault and high jump.

## BEAR FACTS

Now is the time for all good Centralites to come to the aid of spring sports. Baseball, track, golf, and tennis, have now finally forced basketball out of the spotlight and the future looks bright.

With only six men from a stand-out squad which lost such boys as Tom Landen, Priz Pierson, Chuck Werner, Lenny Buczkowski, Ronald Toepfel, Benny Jagla, P. J. DeVoir, Joe Taylor, Wally Wirth, and Timmy Fisher, Head Coach Lou Newbold has had to rebuild his squad and observing the opening game score of 11 for Central, 3 for Catholic it looks like the Bears may be ready to battle for the league crown.

Friday the Bruins open their conference schedule out at School Field against a tough Michigan City squad which finished second in the race last year. Monday the Newboldmen entertain Niles and the following day travel across town to Harrison Field to tangle with Joe Laweck's Washington Panthers in a conference tilt.

Tickets for the 11 home games may be purchased by students for 50 cents

in the athletic office or from any varsity squad member. Price for adults is \$1.00. Two South Bend schools, Adams and Riley—unable to compete with Central in the two spectator sports, really boost baseball as well as we do our other major sports.

John Burger's track crew after barely surviving the now extinct indoor season seem to have found their second wind in the outdoor season with a victory over Niles already to their credit. Burger appears to have found a replacement for Jim Coleman, in John Clark, only a junior. Clark turned in a good 100 yard dash mark of :10.5, in the first meet. Other dependables are Gary, Scannell, Blanton, Matthews, Zaremka, Rohrbach, Cote, Foster, Onerdonk, and Major.

Central's golf squad will be seeking to duplicate the state championship showing of 1951. Coach Bud Emrick has Vitou, Schafer, Dunfee, Thurn, Barnes, and Larson back from last year. Anderson, the '52 champion has just about everyone back, too. In this section of the state LaPorte with Uebele and Birtch back for one more fling, should be strong.

For What It's Worth Department:

In a recent issue of the Hi-Times, the Riley school paper the following excerpt appeared, presumably addressed to this column:

"Cubskin: If yelling 'Hit 'em again, harder,' when there is a collision on the basketball floor is good sportsmanship, or if screaming when another school sings their school song is good sportsmanship, then your students are the best sports in the world."

Cubskin will not attempt to answer this charge because,

(1) It is not true.

(2) Cubskin attempts to promote a friendly rivalry and good sportsmanship between all city schools, instead of hatred and a "blood" rivalry.

(3) Cubskin realizes that the charges were probably written in anger after the Central-Riley game, and that the writer has now cooled off to the extent that he regrets that he, one individual, made it appear as if there is bad spirit between the schools, and so doing misrepresented the actual feelings of the Riley student body.

(4) Cubskin is certain that the Riley student body is just as glad that Central took the state as is the Central student body, since their coach is a former Central coach and since they no doubt appreciated getting out of school a day.

## Golfers Win Over Adams, 15-0

Coach Bud Emrick's golfers teed off Monday afternoon against Adams and copped a 15 to 0 decision. Emrick is starting his second campaign as golf mentor and hopes to build his squad around four returning let-terms, Schafer, Vitou, Thurn, and Dunfee. In his freshman year he led his charges to an undefeated season in 18 matches. They were also runners-up in the state with a team score of 75.

Thurn led the squad against the Eagles shooting an 81 followed by Schafer and Vitou boasting 82's. Along with these three, Dunfee, Larsen, and Kleva also scored three points, with only the first five scores counting for the total of 15. Calvin Barnes is the remaining varsity member.

The boys on the "B" team are Mason, Bankson, Jensen, Garsen Dombroski, MacDonald, Druesser, Gumz, Bruner, Febbl, and Carrington. A cut is expected this week.

Coach Emrick commented, "just as much time is spent by these boys in practice as in any of the major sports. Golf requires a great deal of very hard work."

## ST. JOSEPH COUNTY TOURNEY, SATURDAY

Any Central students wishing to enter the St. Joseph County Swim- varsity coach Tom Hoyer immediately.

The meet will be held in the City Natatorium and entries are open to boys and girls from 8 to over 15. A small fee of 10c for each event entered will be charged to defray expenses.

It is not particularly hard to win a ribbon. In fact, everyone entered from Central last year won a trophy or ribbons as the Bears scored 160 points to reach up to the team championship.

Preliminaries will be at 1:00 p.m. Saturday, with the finals scheduled for 2:00 p.m.
