STUDENT POETS HAVE WORKS PUBLISHED

Carol Lang and Ellen Frank recently received notice that poems which they wrote and submitted to national and state associations have been accepted for publication.

Carol, who is a student in Miss Jeannette Smogor's 5th hour class, had her poem, entitled "Jenny," accepted and published in the magazine of the National Poetry Association.

Ellen Frank, a senior A, had her poem, "On Desolation" published in the Indiana English Leaflet, a pamphlet published by the Indiana Council of Teachers of English. Two other poems which she wrote received honorable mentions. They are "Daughter of the Storm" and "Dedicated to a Certain Lady."

John Dunnock Next Year's Council President

For the second consecutive year, one party won all of the offices for next year's student council in the annual Council elections held April 20-22. The newest party at Central, the Representatives, won by a large majority. The students who will lead the Student Council of Central for next year are: President—John Dunnock; Vice-president—Bill Nicks; Secretary—Sandy DeVries; and Treasurer—Kathy Wilmore.

During the three days of voting, 647 votes were cast in the senior building and 873 votes were cast by students in the junior building. This total of 1520 was one of the largest turnouts for the elections that Central has had in a number of years, in proportion to the enrollment of students.

The campaigning by the various parties was carried out on a large scale, with the party meetings, name tags, and copies of platforms. As a culmination of three days of voting, the Representative Party was announced to be the winner at 4:00 p. m.

Tomorrow night, the graduating seniors of 1953 and other students of Central will dance to the music of Tony Papa and his orchestra from 9:00-12:00 p. m. in the Palais Royale. The dance will be Central's annual Senior Prom. The theme of the Prom, "An Old-Fashioned Walk," will be easily recognized from the old lamp-posts and park benches which will be just a part of the decorations for the dance. All of the committees for the Prom have been kept busy making arrangements for this dance which will be one of the largest of the school year.

Invitations have been sent to Mr. Pointer, Mr. Richard, and Mr. Allen, present and some former members of the faculty, the school board, and the parents of the senior cabinet and class officers.

The high point of the Prom will be the crowning of King and Queen of the Prom, the boy and girl receiving the most votes from the student body. The candidates for the king and queen are: Mary Dring and Dave Nowacki; Gay Wodrich and Jack Wiltrout; Gayle Jones and Tom Schafer; Patsy Jagla and Chick Highleyman; Phyllis Burger and David Hab; Ella Chacho and Bob Blasczyk; Kay Unger and Bill O'Dell; Ila Martin and Larry Lauterbach; Nancy Babcock and John Bauer; and Janis Dannenberg and John Eichorst.

The traditional grand march of the evening will take place at 10:00.

Tickets for the Prom are \$2.00 and may be purchased from any senior A home room agent. No corsages are to be worn at the dance which is open to seniors, alumni, and students attending the Prom in the party of a senior.

SPECIAL ACTIVITIES MERIT RECOGNITION

The Band, directed by Mr. A. J. Singleton, and the orchestra, directed by Mr. H. E. Kottowski, gave an exceptional performance at their annual spring concert in the Central auditorium last night. Last week-end, Miss Betty Mathews' swimmers presented the fifth annual water ballet, "Festival," before enthusiastic capacity crowds. And throughout the entire year Mr. Elbel's Tumblers demonstrate their skills for numerous organizations and schools. These are but a few of the specialized activities featured at Central. Receiving comparatively little publicity, these groups deserve a great deal of credit for their valuable contributions, and The INTERLUDE wishes now to express a small part of that appreciation.

Honor Roll Corrections Recorded

The following students were either misplaced or omitted from the 9B Honor Roll released in last week's INTERLUDE: Susan Schmidt, 15 points; Carol Posick, 14 points; Sharon Pollock, 13 points; Don Riffle, 13 points.

INDIANA AND PURDUE UNIVERSITIES OFFER HIGH SCHOOL DAY AND OPEN HOUSE

The fourth annual Indiana University High School Day will be held May 9, 1953 on the I. U. campus in Bloomington. Juniors and seniors in high school are invited to come to the campus Friday evening for registration in the Union Building between 7:00 and 10:00 p. m. Entertainment will begin at 8:00 p. m. The housing Friday night and two meals Saturday will be complimentary to the students and faculty sponsors. Tours and conferences of great interest will be in-

Band, Orchestra, "Do Central Proud"

A championship basketball team, a top-ranking football team, and track, wrestling and swimming teams with a string of honors are something to be proud of. But our school band and orchestra both give us something else to be proud of.

Under the direction of our comparatively new band director, Arthur Singleton, both our marching band and our concert band have taken honors. In contests held throughout the season, both the band as a whole, and individual players in the band ranked tops. And with Mr. Harold E. Kottlowski as conductor, our orchestra too has done us proud.

Not only have we a series of honors and awards to prove how outstanding our instrumental music department is, but our own ears can also bear us witness.

In assemblies throughout the year, and last night at the annual Spring band and orchestra concert, they gave fine performances. Our band and orchestra are groups we can support with pride, for they have done — much for the entire school.

Campaign Dust Is Settling; Entire Student Body Is Urged to Support "New Administration"

Last week, we elected four students to our school's most representative offices for next year. The candidates on the Representative ticket won the election for Student Council by a decisive majority.

The smoke of battle is cleared, and with it should go the tensions and barriers of campaigning. Whatever our political sentiments, the decision is made, and those who favored other candidates should go along with that decision and support the newly-elected officers.

No good will come of griping, and it is too early to plan next year's campaign. The new officers will not be able to do their best next year without the support of the whole student body. As shown by their records, they have the capabilities necessary to fill their offices well. With the absence of politics, and with the confidence of the entire student body, they can demonstrate those capabilities to the fullest.

Let's Clean Up!

Spring means many things: among them, spring-cleaning. The annual ritual is one of the many symptoms of spring fever, affecting, however, only a comparatively small number of its victims.

Spring cleaning takes place everywhere, supposedly, but one place that is often sadly overlooked is the school. Our school is taking on a Spring freshness, partially because of the blossoming of the magnolia trees in front. As the magnolias appear, so do the candy wrappers.

About twenty-one hundred students go to Central, and the confusion of papers and dirt and belongings that we leave after a day at school is too much for a half-dozen maintenance men to clean up. It's a full time job, and they do it well, but we can do our part, too.

There are waste-paper containers in the halls to hold the bulk of what's thrown away. That alone is the main problem, and one solved with little trouble.

It's Clean-Up Week in South Bend. Let's make this disease contagious, and spread the bug to Central. Let's enter into spring cleaning and make Clean-Up Week a success!

VERIE SAUER SAYS:

Under the clock conversation centers around . . . the Senior Prom; to a Central senior the Prom is 13 years of wishing and waiting wrapped up in one colossal affair . . . dropping pennies into a jar and the current question; "Who do YOU think will reign as King and Queen of the Prom this year?" . . . the one day of vacation and the glorious weather we had; seems there were a few cases of Lake Michigan sunburn . . . the more-than-beautiful Magnolia trees . . . senior activities; caps and gowns, announcements, and pictures . . . the better-than-ever Water Ballet; it's surprising to discover how many mermaids we have at Central . . . plans for graduation parties . . . the recent boon to all mankind; opening of the outdoor theaters . . .

Verie hears that Joan Gilbert had a wonderful time at the Notre Dame Junior Prom with a certain Don!

A dating combination with Prom plans: Thelma North and Dick Hogan (Central grad.)

Mrs. White was suddenly taken ill in the night, and the new doctor was called because he was the quickest available.

After a quick look at the patient, the doctor stepped outside the sick-room to ask Mr. White for a corkscrew. Given the tool he disappeared, but several minutes later he was back, demanding a pair of pliers.

Again, he disappeared into the room of the moaning patient, only to call out again, "A chisel and a mallet, quickly."

White could stand it no longer. "What ails her Doc, for gosh sakes?"

"Don't know yet," was the reply, "can't seem to get my instrument bag open."

EXTRA

Flash Bulletin!! Our man about town, Aaron Prather, is now dating Do Do Whittling!

Verie hears that Jim DeFuros had a terrific time after the Jam Session last Saturday night! What about it, Jim?!

Verie hears rumors that Marcia Cole has interests over C. C. way. What about this, Marcia?!

Forever and ever: Bruce Mock and Joan Heron; Bill Harrington and Dee Dee Thirion; Pat Grote and Joe Mes-car.

A new dating combination that your Auntie hopes to see more of: Rosemary Goodling and Terry Fridh.

We hear that Kiki Tsalikis is looking forward to the Prom and a date with Dick Shaw (Central grad.).

Old steadies still on the record: Rita Mackowski and Jim Major.

Congratulations to Maryann Wilson and Paul Szymanski, who were the winners of the door prize at the "Stardust Swirl!"

An old couple that Verie is glad to see together again on the dating list; Jim Kowalski (Central grad.) and Carol Cox.

A dating couple now on the steady list; Bonnie Palmer and Ray!

Strictly corn: "I would like some alligator shoes, please."

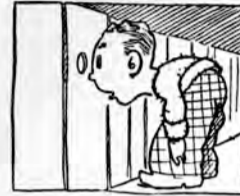

"What size does your alligator wear?" —Compact

He: I enjoyed Caesar and Cleopatra. She: Oh, is she taking Imogene Coca's place? —Compact

Bill Dunfee has your Auntie guessing—is he going steady with Beverly Laisure (Washington) or not?!

Seen together again: Barb Devolder and Pat Higgins.

Could it be that Ned Schmidt is hustling Nancy Whitlock again? Verie is wondering!

Seen at Tower Hill on one of those palmy days: Jack Schuck and Ursula Bies (Adams); Joe Hutson and Nancy Chizek (Adams); Joannie Fenska and John Stancati.

"Stardust Swirl" dates: Phyllis Peterson and a fellow from N. D.; Noreen Bruce and Jim Knight; George Beamer and Sue Forrest; Joan McGlinchey and Skip Gassensmith (Central grad.); Carol Weber and Jack Wiltout; Terry Gumz and Nancy Farrington; Carter Keehl and Beverly Carlson.

Prom dates worth noting: Dick Schutt and Dee Dee Tubbs. Rose Budd and George Makris. Marilee Achton and Joe Kline. Ella Chaco and Bill O'Dell. Carol Weber and John Madacey (Michigan State.)

Inquiring Reporter: "What new activities or improvement at Central would you like to see the new Student Council officers direct?"

Evelyn Scholz: "I'd just like to see the officers carry out all the planks of their platform."

Jerry Klein: "Our class missed a junior prom—I'd like to make the junior prom a big dance at Central."

Bill O'dell: "An employment agency as explained on the Pioneer party platform. The school and the factories and industries could work together to keep a list of jobs and students who would be willing to fill them. I hope they can accomplish this—and uphold the traditions of the council. Best of luck next year."

Larry Lauterbach: "Just carry out our own fine Representative platform and try to carry out some of the good planks in the other party's platforms."

Jerry Moss: "The method of choosing council representatives needs to be changed—so that most capable and interested people in the home rooms are the representatives. Usually the selection of the representative is a last minute affair—and sometimes the members of the homeroom don't even know who their representative is. All home rooms should select their members in the same manner."

Duane Witham: "We need parking facilities very badly—there isn't even enough room for the teachers to park their cars."

Like a ray of sunshine in a dreary day — Judy Mellow. Whenever you see this blue-eyed lass, her sparkling smile will immediately attract your attention. Her five-foot-two-and-three-fourths-inches is topped by short brown hair "with a streak."

If you saw "Lady in the Dark" you'll remember Judy's mirth-provoking performance as Alison Dubois. She is to portray "Fifty" Ferris in the coming senior play "Mr. Barry's Etchings." It is understandable why this Barnstormer says "I love to act — on the stage."

Judy maintains an unbelievable pace. She's General Chairman of the Central Senior Prom, Secretary of the Student Council, Editorial Editor of the INTERLUDE, and she has a superior grade average. She excels in English and just this past weekend was awarded a bronze medal in the all-state contest at Bloomington. She is also winner of the medal for excellence in English.

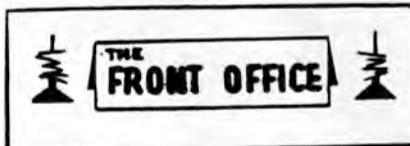

Many things are included on Judy's "good list." "Caravan"—the rhythm, is her favorite musical piece, although anything by Andre Kostelanetz appeals to her. She said, "I like gooey hamburgers with everything, anything chocolate, and Reese's peanut butter candy cups." The only "simply ghastly" thing she could think of at the moment was "people who don't read the editorials." But most people seem to like and be liked by this amiable girl.

Of course her opinion of Central is one of the most important things. Judy commented, "I've spent three of the best years of my life here and I'll miss Central when I leave."

Upon inquiring as to her future plans, she definitely stated her desire to be a journalist and continue in newspaper work. She hasn't decided where she wishes to attend college, so couldn't make any definite statement.

May her success and happiness continue after graduation and we know she will always hold a special place in the memories of all who have known her.

—L. S.

We are now nearing the close of another semester. In many ways it has been a most interesting one. The big event to most of us was the winning of the "State Basketball Championship." We also enjoyed "Sho-Gun," which was an outstanding production.

To the seniors who are to be graduated at the end of the semester there are many events which will stand out in their memories over the years, such as the "Prom", the "Senior Play", "Cap and Gown Day" and finally the "Commencement Exercises."

These experiences in one's life do not come easily. They come as a result of hard work and careful planning. No one becomes a graduate of Central unless he has the necessary credits and they are not easily obtained. Dramatic productions in order to be successful demand much work. Nothing worthwhile comes without effort. All of this should be of special significance to underclassmen. They should ask themselves what contribution they are making to the school, but most of all to their own growth and development?

BEAR FACTS — (Cont'd)

Andrews of the runner-up Black Cats of Terre Haute Gerstmeier, have already been selected for the honor quintet. From the grapevine we heard that Carl "Goose" Miller, Charlie Hodson, and Jerry Lounsberry, all of the dethroned champion, Muncie Central, will be selected. Although, it hasn't been officially announced by the press yet, rumor has it that Central's state champions will place their two starting seniors on the squad.

During the past season Cubskin had the privilege to view 41 different fives, most of them top rate. Cubskin has seen such squads as Muncie Central, Ind. Attucks, Evansville Central, Anderson, Ft. Wayne North, Richmond, Jeffersonville, Gary Wallace perform. Naturally, a great many good players have displayed their wares, which makes it very tough indeed for Subskin to select his annual all star team. Since the team would be monopolized by Central players, Cubskin has not placed any of Central's greats on the all star crew. Rated on dribbling, different types of shots, passing, defense, deception, rebounding, feeding, teamwork, and mental alertness, here are the top ten in each position.

LAST WEEK'S PREDICTIONS ON STUDENT COUNCIL ELECTIONS

INQUIRING REPORTER: "In the recent Student Council elections did you vote for the individual, party, or platform? What party do you predict to win the election?"

Pat Harms: "I vote for the person and some of the things that he has done for the school. I think that the Representative party will win."

Nancy McGrue: "Well, a lot of things can be said on paper and

promises can be broken, so I vote for the individual and what I know about him."

Nettie Warren: "I voted for the party and I do think that the Representative party will win the election."

Joe Hipskind: "I think it will be a very close election. Student Action and Representative should poll just about the same number of votes."

Ted Prange: "I voted for the party and what it stands for. I think the Representatives will win because they have planks in their platform that the other parties don't have."

Zeda Berry: "I vote for the person that I think is best qualified for the job. I predict that the Representative party will win the election."

Bill Barrett: "I vote for the individual and his record of work in the council. It looks like the Representatives will win."
