J. A. LEAGUE COMES TO CENTRAL

BULLETIN

Already this year several attempts have been made to renew the fights which almost cost South Bend high school students the cancellation of all sports events last year. Most notable of these riots this fall was the one last Monday night between a certain south side high school and a twin-city high school. We sincerely hope Central students will abstain from any fights of this nature and keep Central's name honorable.

You are not cowards if you do not rush off to drag Central's name in the mud. Moreover, you are a moral coward, if you do not have enough will power to keep away from this.

Central's name is known throughout the state as a school of fine sportsmanship. The schools which have partiicpated in these riots jeopardize the athletic teams of their schools because the I. H. S. A. A. will not tolerate this type of conduct on the part of students.

If we had had any more fights last year, both football and basketball would have been discontinued and the Bears would have never been able to bring Central and South Bend a state basketball championship. These other schools have nothing to lose, WE DO.

GROCKI WINS PREDICTING PRIZE

Dan Grocki, 12B and one of the state's best prep wrestlers, won last week's \$1.00 prize presented by The INTERLUDE for predicting the best percentage of last week end's pigskin tilts right.

Dan predicted 4 of 5 area games correctly, missing only on the Central-Elkhart game. His predictions

Central 13; Elkhart 7 ** (0-26) Washington 32; Goshen 6 (13-0) Mishawaka 14; North Side 7 (28-6) Riley 20; LaPorte 7 (19-0)

Adams 19; Michigan City 7 (33-0) **Actual scores.

Bill Grossnickle finished runnerup guessing 3 of 5, and John McNarney came in third with 2 of 5.

FAMILY NITE AT THE WASHINGTON GAME

On Saturday, October 10, the Booster Club will begin a series of programs to promote better sportsmanship at our games. The first of these programs will be Family Night, at the Central-Washington game. The purpose of this is to get the parents to attend more of our games, also at the game our Central Tumblers are going to perform at half-

They are also planning on dances after all of the games. Though the plans for the dances are not complete, they hope to have the activities start

At all football games in the future they are going to save choice seats on the fifty yard line for all members of the club. They are hoping that all members will purchase season tickets to football, baseball, wrestling, and swimming meets. With approximately one thousand members already, the club is still open for membership until October 2, and representatives will be in the home rooms every morning to enroll people wishing to become members.

BOOSTER'S PROMOTE Arthur Williams Sings

By JEANNE MARTIN

Arthur Williams, a former Centralite, hornored the Glee Club Friday afternoon by making a "farewell appearance" and singing once more the songs we all know and love so well. The U. S. Navy has claimed him and he leaves shortly for a cruise to the Mediterranean.

Arthur graduated two years ago, after serving the Glee Club and Barnstormers well and lending his tremendous tenor to many programs and productions. After leaving, he kept on singing and studied voice at Indiana University, coming back from time to time and entertaining the Glee Club and also singing with them at Christmas. He had an audition with the Mariners, Arthur Godfrey's quartet, and they praised and encouraged his talent.

Then came his near-fatal tussle with spinal meningistis. The entire Central student body and faculty anxiously awaited news and many prayers were said for him. He soon recovered, and now his voice is richer and more beautiful than ever. He kept the Glee Club entranced for a solid hour, with his own straightfrom-the-heart renditions of "The Lord's Prayer," "Without A Song," "Sylvia," "For You Alone," "When I Have Sung My Songs To You," the ever-popular "Because," and a soulstirring Negro spiritual with a unique and memorable tune, "Let Us Break Bread Together on Our Knees." He also brought in two foreign songs, "Diet Post," sung for Miss Gienand's German class, and "Mattinata," which is the Italian version from which a popular American tune was taken. His style is so sincere and his talent so great and real that there were many tear-filled eyes Friday, as always when Arthur Williams sings.

Clubs Meet On Tuesdays

This year the club meetings will be held during school time on every other Tuesday from 8:25 to 9:00 a.m. The clubs included in this schedule are G.A.A. in room 23, Barnstormers, 14, Ushers in the Auditorium, Library Club in the Library, Projectors in 209 and Student Council in 317. The Student Council's executive committee and the representatives from each of the groups mentioned will be called to Mr. Kuhny second hour on any occasion in which they are needed.

FRESHMEN SLAUGHTER **RILEY, 13-6**

Last Thursday the freshmen gridders scored their third straight victory by whipping Riley, 13-6. Central threatened in the first quarter, but was forced to punt. Neither team scored in the first quarter.

Central opened the second quarter by scoring a touchdown on a ten yard run by "Hot Shot" Reid. A pass from Gary Vohs to Lee McKnight ate up a lot of ground in the drive. McKnight kicked the extra point to put Central ahead, 7-0.

Central continuing their fighting spirit scored again when Lee Mc-Knight intercepted a Riley aerial and zigzaged his way through the whole Riley team. The extra point attempt just missed getting over.

The third quarter was marred by fumbles caused from poor offensive tactics, but both teams displayed excellent defensive manuvers.

Riley turned offensive steam in the fourth quarter and scored on a 2yard plunge after a long drive. The extra point was blocked by Gary Curtis and McKnight.

The starting lineup of Central had many switches this week. Jim Stavros started at fullback and Jim Eslinger was converted to halfback. Reid was also moved to halfback.

STUDENTS FORM COMPANIES TO MAKE PRODUCTS, EARN PROFITS

By ROY HOLMES

A new program, called Junior Achievement, has been introduced to Central this year. In co-operation with many of the South Bend-Mishawaka industries, such as Studebaker's, Bendix, and South Bend Lathe, junior and senior high school students will get experience in the business world.

On Monday, September 21, Mr. H. Smutts, of the Standard Oil Co., Mr. Joseph W. Hall, district chairman for J. A., and Carlyle Kavadas, who attended Miami University at Oxford, Ohio this summer to learn more about J. A., spoke to the juniors and seniors in the auditorium. A film discribing J. A. was shown.

Seventy applicants from Central will be selected. These students will meet one night a week, and divide into smaller units, or companies. Each company will elect its officers as a corporation would do. Their next obligation is to decide upon some useful household article which they would like to manufacture. Some of these products which other J. A. companies have designed are on display in the showcase in the main hall.

Capital for the company is raised by selling stock to friends or relatives. With the use of tools and other necessary equipment belonging to our co-operating local industries, manufacture of the product begins. The products are then sold throughout the community.

Valuable experience is gained through selling, manufacture, reducing production costs, raising funds, etc. Junior Achievement is a truly worth-while organization, and offers great opportunities for high school students to learn more about the business world.

Physical Exams Scheduled Oct. 5

Our school recognizes that a healthy body is a pre-requisite for a healthy mind. Therefore, provisions have been made for all students to take two physical examinations during the course of their high school years. This semester's examination's will begin on the evening of October 5. All boys from home rooms X10, 30, 39, 116, 120, 211, 311, and 314 are requested to report to the boys' study hall by 7:00 p.m. for the beginning of this program .

Students

By SARAH PLUNKETT

Students of the 7th and 9th grades, and all others newly attending Central were given an official welcome last Thursday morning. Student Council President, John Dunnuck, presided over the 30 minute assembly. Dwight Oberholtzer and LaMar Gemberling echoed many a freshman's sentiments as they told of their "mixed emotions" the first week of school.

Jerome Kazmerek represented the Ushers Club. He stated that the club ushers all plays, and football and basketball games. A boy's good character and ability to keep up his grades are the top requirements for entrance.

The Library Club was represented by Rita Tanner. She explained that a girl must have a B average and a willingness to work in order to gain membership in the organization. No better school spirit could be shown than by joining The Barnstormers, so much a part of Central. So asserted Carolyn Schraphorst, chairman of the board. The board, itself, made a brief rioteous appear-

The G.A.A. has long been an outstanding group in Central's extracurricular activities. It offers varied sports in which girls may participate. Pat Lagen represented the club.

Besides the hard work involved there is still a lot of fun to debating. Devon Bates, speaking for the society, said he hoped some of the new students would be able to fit this activity into their schedule in later

Tribune Reporters Meet

By ANNE LOUISE KNOBLOCK

Central's five Tribune writers met with reporters from the other high schools in the Tribune cafeteria last Tuesday. Paul Neiville and George Canright spoke on the duties of Tribune reporters and the function of the high school page. "The high school page is put out for and by the students concerning the news of St. Joseph County high schools," Canright said in a short talk to the teenage journalists.

After the talks the reporters were

taken on a guided tour throughout the entire Tribune plant. They were shown all of the various departments and told of the job performed by

They saw the entire process of printing a newspaper from the various ways the news is received to seeing the papers roll off the press.

The highlight of the evening was a featured address by Gov. George Craig in the Tribune cafeteria. The Governor was in town for the Tribune's Press Conference television show. (Craig pictured at left.)

He urged the teenagers to vote as soon as they were able and approved the bill to lower the voting age limit to 19. "If today's youth are aware of what is going on in this country, Craig said, there will be nothing to fear from Russia."

The five Centralites who attended were Jeanne Martin, Anne Louise Knoblock, John Peterson, Barbara Vargo and Terry Plunkett. The first high school page will be put out this coming Sunday.

Courtesy Is Consideration

Probably every Central student at some time or another has been jarred violently in the mad rush to the auditorium on those delightful but slightly dangerous days when assemblies are scheduled. Others have often waited patiently in line to be served in the cafeteria only to find to their dismay that the thoughtless person directly in front of him is hurriedly and surreptitiously ushering in two or three of his good friends ahead of him in line. Of course very few inconsiderate people intend to cause distress to others, but a little thought could eliminate most examples of discourtesy.

Courtesy is thoughtfulness for other people. Yet few people, adults included, seem to understand just what politeness entails. A student often comes in contact with the supercilious adult who feels that he is dismissed from the responsibility of courtesy to youngsters, merely because he is the superior in age. Most parents however, spend many hours in the attempt to implant the rules of courtesy in the burgeoning young minds of their offspring. Far too many students leave their manners at home between the pages of their etiquette books.

A polite student is the one who opens a door for the girl who is struggling to push it open when her arms are filled with a gym case, purse, and wobbling books. A courteous person is the one who reaches down to pick up a pencil belonging to his neighbor that has rolled under his desk. He doesn't allow the unfortunate classmate to crawl from his seat to scramble and bump

around on the floor for ten minutes trying to reach the wayward writing tool.

It isn't difficult to be courteous, but one must pause to think of the other person once in a while. Courtesy is not painful, and it reaps rewards in countless forms. This courteous person receives the esteem and admiration of others, its easier for him to make firm and lasting friendships, and he is the one who is likely to hold a superior job. This virtue is indispensable in a large school like Central.

If every student followed the one basic rule of politeness, consider the other fellow, we would often see other people stop to remark, "Look, there goes another one of those courteous Central students."

-Sarah Allen.

OPINIONS THAT

Mrs. Staples, if you didn't know, has a very important job in the cafeteria. She is the person who makes out the various menus and has to see that it follows government regulations. She also hires and pays all the help. In other words, she is the manager of the cafeteria.

Mrs. Staples believes that there have been many improvements in the cafeteria this year. Among them is some new kitchen equipment, bought out of the school city budget. Another is that a student can now leave the cafeteria, when finished, and go either outside or into the auditorium. And even though three lunch hours are very strenous on the help, and shortens their afternoon, Mrs. Staples does think that on the whole it is much better for students and teachers alike.

However she does think there is still room for improvement in the way of manners. The most aggravating thing is the students who get in line in front of their friends instead of going to the end of the line and waiting their turn.

Another thing that even the most ladylike girls do is combing their hair next to a person that is still eating.

Mrs. Staples invites all to come and eat there. However if you should have any criticism, tell her what you don't like and she will change it, if at all possible. She and her coworkers are doing a fine job making the cafeteria a better place to eat!

Two very important people—Jim Kovatch and Emery Molnar, co-captains of our football team. Both fellas have light brown hair and brown eyes, both are senior B's, and both like sports (obviously!). But there the similarity ends.

Emery Molnar hails from home room 310. He is 6' 1" and weighs 185 pounds, so he is more than able to hold his own against enemy linemen. Popular music, the color blue, and steak are high on his list of likes. Emery hasn't much use for "people who have ability but do nothing with it" and "people who aren't interested in activities outside of school," meaning sports of course. His opinion of Central-"It's great, especially the kids! He thinks the Booster Club is a good idea. He was surprised and pleased to see so many take such an interest.

All who watched our State Champs last year know that Emery shines in basketball as well as football. In his spare time, he likes to practice these two sports because, after college he plans to play one or the other professionally.

home room 101. He is 5' 7" and weighs 155 pounds. He is very muscular and can take care of enemy linemen too! He is a friendly person so of course, he likes friendly people. Also popular with this co-captain are hamburgers and the color red. He dislikes people who loaf, but feels that music is "okay."

Jim concentrates on football which is probably the reason for his adeptness at the sport. He feels that the Booster Club "promotes good sportsmanship and is an organization we should have." About the football team Jim says, "If everybody works, we should have a pretty good chance."

In his spare time, Jim likes to work with wood, making useful articles from this material. Asked about life at Central he replies, "I like it very much." Hs is not quite sure about his plans for the future.

In whatever they attempt, we wish Jim Kovatch and Emery Molnar the very best of everything, for if there are nicer people around Central, we'd like to know where! Good luck, fellas!

FIRE DRILLS

The week of October 4th to October 10th has been designated as Fire Prevention Week. It's purpose is not only to prevent fires but to teach us what to do in case there is a fire.

Fire drills are essential in order to do this. Furthermore these drills are required by law and we are asked to have one each month.

If a fire drill is to be effective it must be planned and well organized. This week directions have been given to all teachers and every student should know what direction to take from your room when a signal is given. The signal is five rings. There should be no visiting while leaving the building. Let us read the other directions and follow them carefully. We want to protect every student from all possible danger and this is the best way to do so.

BEARS ATTEMPT COMEBACK

KINDT, DULCET READY TO PLAY AGAINST GOSHEN

This Friday night the Central Bears take on a tough Goshen eleven. Smarting from a 26-0 defeat at the hands of the Elkhart Blue Blazers, the Bears will be out to get back on the winning track and show the Central fans that they really have got what it takes. After edging the Panthers of Gary Roosevelt, 12-0, and Adams, 6-0, the Bears were knocked back on their heels by a swift Elkhart attack and a number of injuries. Everybody should be ready to go back in action against Goshen. Dave Kindt, Jim Dulcet, Jim Zielinski, and Emery Molnar will probably be in action along with Bill Harmon, who played in the Elkhart tilt after recovering from a case of tonsilitilis.

The Goshen squad looks as if they are one year off but they are able to cause trouble for anyone, as their previous scores will indicate. After winning their opener against Gary Wirt, 16-6, they dropped the next two games by scores of 6-0 and 13-0 to LaPorte and South Bend Washington. Strong points in favor of the Redskins are the rugged defense and the wing T-formation. On the whole the squad is not too big but they sport a 225 pound tackle, which is bigger than the Bears have encountered so far this season. Coach Don Yoder welcomed back six lettermen but will have to fill the shoes of the graduated Pug Hoover and Doug Naylor. Hoover was one of the best backs in the conference last year, despite his size, and will be a hard man to replace.

Experience is the key word in the Goshen picture as an all-experience first team shows. Dick Cross is the only returning backfield man, weighing in at 160 pounds. Wayne Mc-Cloughen will be at quarterback, with Leona Smalley and Cross at the halves and Dean Ramer, a converted guard, at the fullback post. Warnick, Culp, and Swihart are other backfield candidates. Warnick, the passer, is only average and weighs only 143. Phil Nofzinger, 178, and Phil Keim, 160, are slated to hold down the flank positions. Don Auer, and Don Beckner along with the big boy Myers are the tackles. Auer tips the scales at 195 and Beckner at 188. Guard posts should be handled by Larry Dubbs, 175, and Darwin King, 155, with 160 pound Frank McCloskey the center. Other outstanding candidates that stood out among the 48 that appeared on the scene for the first Goshen practice are End Bob Brown, Guard Bob Garringer and Tackles Jerry Yoder and Don Morse.

The record shows Central won 11 times, lost once, and tied once since 1930 with the Redskins.

BEISSEL RUNS 95 YARDS TO BEAT ADAMS, 6-0

Last Tuesday afternoon at Washington's home field, the Central "B" squad took on the Panthers "B" squad. By virtue of a 95-yard touchdown run by fullback John Beissel, the Bears edged the home team 6-0. After a scoreless first quarter the Central team was set back to their own five yard line following a number of fifteen yard penalties. On three plays Central was penalized 35 yards. This set the stage for Beissel's dramatic run which came shortly after the second period started. Tom Borges handed off to Beissel on a draw play up the middle which faked the whole Washington team off balance and the ball carrier cut back toward the sidelines with the aid of some shifty running, speed, and a key block downfield he went the distance. Ross's try for the point after was wide. Beissel played a good defensive game as well as being the workhorse on offense. He got off on another long gallop only to be called back by a flag on the play.

THE CROSS-COUNTRY TEAM - Coached by Devon Phelps, front row, left to right: Gene Foster Jack Cote, Dick Meller, Carl Ott, Ed Pullman. Back row: Don Swartz, Jim Reider, Louis Kujawski, Terry Botteron, Tom McClanahan, Mike Campbell.

ATHLETE'S FOOT PRINTS

NED SCHMITT NAMED BOOSTER'S PLAYER OF WEEK By TERRY GUMZ

Each week in co-operation with the newly organized Booster's Club we will present a short sketch of the Booster's Club player of the week.

In the spotlight this week for our Central eleven is Ned Schmitt. Ned has been playing football since he can remember, first at Holy Cross, then at Central. Ned this year is filling in Ted Ringer's (Central twotime All-State center) shoes at center. Ned was a one time backfield man, but after coming to Central switched to center. The 5'8", stocky 155 pounder from Senior home room 319, says Bob Jones is one of the best high school coaches in the state of Indiana. This 17 year old gridder said at an interview last week, that he considered Central the darkhorse with Washington the team to beat.

Besides being at home on the gridiron, Ned is equally at home on a wrestling mat being one of the Bears better grapplers last year. In Ned's opinion Elkhart was his roughest game, and there are few that would disagree that having a 220-pound center breathing down your neck would be rough. In school his favorite subject is Math. At home, however, he prefers to add weight to his 155-pound frame, and his choice for doing this is a thick juicy steak, with a nice salad and for desert, "Baked Alaska" (we thought sure he would answer baked Redskin, Goshen that is.) Ned likes a good party and dislikes fickle women????? At any rate we join in with all Central fans in saving the very best of luck to Ned Schmitt in everything.

BUILDS FOR 1954

Coach Devon Phelps welcomed back only one regular from last season's corss-country squad and attempted to build a team around him. Jack Cote, the captain, is the only returning monogram man from last year's seven award men. Coach Phelps voices a plea for all boys interested in running the two-mile event. He says the lack of boys prevents him from having any "B" team meets. So anybody who thinks they would try out for the cross-country team please see Mr. Phelps.

Thus far this season the Bears have won three meets, two from Adams and one from Michigan City, and lost one to both Riley and Goshen for an overall record of three wins and two losses. Both losses were by very scant margins.

Prospects for the future are only slightly above average, according to Phelps, who hopes to win about half of the remaining meets. Any one of the seven boys entered in every meet could finish first on any given day.

Boys making up the squad are Cote, Carl Ott, Louis Kujawski, Terry Botteran, Mike Campbell, Gene Foster, Ed Pullman, Tom McClanahan, Jim Reider, and Don Swartz. The manager is Dick Meller.

BEAR FACTS

"THE ELKHART" STORY

"You have to have a state champ to beat Elkhart at Elkhart," muttered a Central fan leaving Rice Field, last Friday. This statement was far from false, when you consider that Central's state champion basketball squad barely nosed the Blue Blazers, 67 to 65 in the final game of the season at Elkhart and then, a scant two weeks later, proceeded to run away from the Elkhartans, 67-53, on the Adams

The Bears received the opening kick-off and rolled for a first down, before the refs could recover enough to roll off the penalties. Also in first quarter action, Quarterback Jim Zielinski, got roughed up several times on plays that looked like fouls for sure. Zielinski left the game a few plays later with some torn leg muscles, putting the Bears without hope of any ensueing comeback, since Fullback Jim Dulcet and Stellar Halfback Dave Kindt were benched the whole game. The big Central hero of the game in our opinion (and in the opinion of many other Bear fans) was Fullback Otha Lake, who decided he would take no more of Elkhart's dirty playing. Oh yes, the refs ejected him from the game.

STATE PREDICTIONS

Cubskin would like to give his observations of the various top high school teams in the state this week. Once again it looks as if the big schools dominate the powerhouse title this year. Riding on the crest of a twenty-five game winning streak the Red Devils of Richmond are ranked by state-wide polls as the top team in Hoosierland. Cubskin does not follow along with this thought because a team cannot be judged on last year's team or the team before that They are undoubtedly strong as the poll indicate, but these strings cannot go on forever. The win streak is stretched over a two and one-half seaason period. I wonder if the students know what it is to lose?

Other top teams from the south should be Muncie Central, Evansville Reitz, and Tech, Shortridge, and the Crispus Attucks, all from the capitol city. Turning northward we find a host of powerful teams from the Calumet area. Heading the pack should be East Chicago Roosevelt, East Chicago Washington, and Gary Emerson, conquerers of Elkhart in their opener. Drifting to the east and nearer home Cubby has a hunch that South Bend Washington is not as strong as last year and will be replaced on the northeastern throne by any number

The Central team lost a manager when Ed Murray left for college on a scholarship. Sophomore Ronnie Minkow will take over Ed's job as number one manager.

Former Central halfback Governor "Sonny" Grady is now a soph, down at Ball State College along with teammate Lenny Buczkowski. Both boys are in the first string backfield and scored touchdowns in the State opener. Grady also scored one and kicked the PAT last against Milliken whom they defeataed, 19-13.

Erich Barnes, the halfback from Elkhart, looks like one of the fastest boys Cubskin has seen yet this season. He really poured on the speed when he caught the touchdown pass against us last week.

Riley's Wildcats may have looked impressive to some fans in their 19-0 conquest of LaPorte last Friday, but those fans were not experts. To the experts however, the Wildcats looked very sick. Their line play was sloppy and their defense was horrible. Spike needs to drill his boys a little more.

CENTRALITE RECEIVES HONOR

Kavadas Kiwanis Delegate

Carlyle Kavadas, a senior B., has been selected as the Kiwanis representative this year. Carlyle will attend weekly luncheons at the Hotel LaSalle. Jerry Klein was the delegate last year.

fore and after the games is the purpose of the newly-organized Boosters. Carlyle Kavadas spoke to the assembly on this point. This organization is open to anyone who happens to have a spare dime.

A good word was put in for the school cafeteria and also an earnest plea for more INTERLUDE subscribers.

FITCHNER AWARDED SCHOLARSHIP

Mary Ann Fichtner, Central grada college scholarship to the Western College for Women, Oxford, Ohio. The scholarship was presented by the South Bend-Mishawaka Western College Alumnae.

The award was based on leadership and ability in art. While at Central, Mary Ann was very active in Barnstormers, and majored in art. Much of the beautiful scenery used in Barnstormer productions was the achievement of Mary Ann's efforts. The scholraship has come as a result of the fine wealth of experience she has acquired under Mr. B. M. Trottnow and Mr. James Lewis

Mary Ann will take a three year course at Western College. The scholarship is the only one given by the alumnae of Western College in Indiana, and can be renewed if she maintains a high scholastic average.

Betty Hoehn, your Auntie hears that you plan to correspond with a certain Larry Lauterbach (Central grad.) while he's at I. U. Right?

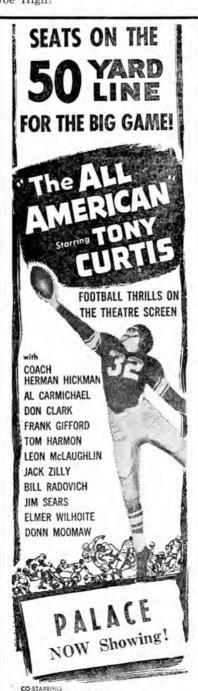

What's this we hear about Joyce Whitlock having eyes for Paul Smith (Cent. grad.)????

Hmmmmm - - - Arlene Anderson and George Gandy.

A twosome we'd like to see more of: Lenny Janowiak and Mary Jane Osowski.

One that's been on the books for a long time: Bruce Mock and Joann Heron.

Oh! Oh! What's this between Jackie Starke and somebody at St. Joe High?

Congratulations and all best wishes to Sally Shaw and Dick Sergant.

Seen together walking the halls are Larry Waggoner and Gail Grorud.
