

## Central Girds For Strong Defense Program

Oil chemists are among the few to whom "so many owe so much." To them we owe 100 octane gasoline, explosives, and many synthetics. Petroleum will power the punch that is

going to knock out the Axis. TANKS (upper left) travel on rubber, too. Rubber blocks on the tread of this crawler enable it to climb over obstructions more quietly and more

quickly. Inside, rubber cushioning further reduces shocks and rubber insulation reduces noise from the engines. Just another reason why we must conserve our rubber supply now

on hand. The Great Towers and Vats (right) are those of a typical refinery where cracking, distilling and many chemical operations are necessary to produce high-grade aviation gasoline.

### ALL OUT EFFORT FOR "SHARING AMERICA" GETS UNDER WAY.

#### MARCH OF DIMES CONDUCTED

By Wm. Happ

Today when "defense" is the watchword more than ever before and when we find people everywhere affected by defense activities, it is only natural to ask what is being done in the schools to further the defense effort. Central high school is participating in numerous such enterprises. In many of them students are urged to help.

The sale of Defense Savings Stamps in the school will be the first project. Ten and twenty-five cent stamps will be sold—denominations small enough so that every student may support the sale. The slogan for this sale is "Sharing America." The organization which manages this sale will have as its center the bookstores. Special stamp albums will be given with the initial purchase containing space for \$18.75 worth of stamps. Special emphasis will be placed on the sales on Mondays.

With most colleges running a three semester year so that students may graduate earlier, it will be necessary for some freshmen to be ready to take entrance exams and enter in May. Following a recommendation from the State Board of Education, Mr. Pointer has announced that seniors may get their credits and graduate in May if they expect to enter an institution of higher learning in May.

#### Meets Red Cross Quota

Central is willingly aiding in all features of Red Cross work. A short time ago the school answered the second Red Cross call and Central went over the top with more than \$700. In a letter of thanks to Mr. Pointer, C. Scott Fletcher, chairman of the Red Cross War Relief Fund, said, "It is indeed a pleasure to express to such a fine group of people sincere appreciation for a job well done."

All over the school girls are busy knitting and sewing. Mrs. Cannon is enlisting volunteers for Red Cross Sewing projects. Miss Dennis and Miss Roop in the Home Economics Clothing Department announce that

### HERE AND THERE ABOUT CENTRAL

By Your Roving Reporter

#### New SPURS

"Something new has been added" could very well apply to the S.P.U.R. club. Miss L. McReynolds, sponsor, announced that newly elected members are the following: Lora Ann Stephenson, Charlotte Jackson, Mary Minges, Peggy Miller, Jane Post, Barbara O'Keefe, Mary Murdock, Carolyn Shanafelt, Helen Woodard, Jacqueline Kaslow, and Kathleen McCaffery.

#### Soph. Dance

The 10B's party, which is a regular occurrence at Central upon the entry of all sophs, will be held Feb. 5th. A sophomore from each home room will be selected to form a committee for the further arrangements of the entertainment. Miss Edith Spray and Miss Ethel Montgomery will be in charge.

#### Enrollment Decreases

According to latest reports, the enrollment at Central has decreased from 2,380 students last semester to 2,339 this semester. This includes 1,176 boys and 1,163 girls. The Junior High has enrolled 215 boys and 266 girls, making a total of 481. In Senior High there are 1,747, including 900 boys and 847 girls. There are 58 boys and 50 girls in the Practical Arts Department, while the Post-Graduate course can boast only three boys.

#### Library Staff

The following girls have met the requirements for members of the library staff and have already been assigned definite duties at the circulation desk, reserve room, etc.:

Lucy Hayes, Ella Fokey, Christine Pinkowski, Florence Czarnecki, Barbara Lukaszewski, Katherine Lange, Catherine Peters, Esther Wesoloski.

#### SHOOT FOR LOOP TITLE

Central's perfect slate in the eastern division of the Northern Indiana High School cage conference goes on the block this week. The Bears, who are undefeated in loop play with six consecutive triumphs, tangle with the unpredictable Mishawaka Maroons Friday night in the John Adams gym. The Cavemen are traditional rivals of the mighty Bruins and are out for revenge for the defeat handed to them by the Bears earlier this season. The former was a very close battle, however, the score being 30-28.

Leading in Coach "Dutch" Struck's ranks are: forwards—Steele and Bane; guards—Corbin and Haughton; and center—Trump.

#### Play West Side Tuesday

On next Tuesday the Bears take on another conference rival, this time it being the Washington Panthers, also in the John Adams castle. Coach Johnny How's five haven't had the lucky break this season but have come through with a couple of surprises, so a very tough battle is expected. Leading the team and, by the way, ranking up near the top in conference scoring is Dick Golichowski, center. Aiding the cause are Dimick and Nemeth at the forwards and Szucs and Lawecki at the guards.

#### HI-Y SWINGHEART SWAY ON ST. VALENTINE DAY

All you chilluns who like to swing will be overjoyed to hear about the 6th annual Hi-Y Swingheart Sway to be held on dear old Valentine's Day—Feb. 14, 1942. This event is to be held at the Palais Royale with music by Ted Galagan from 9-12 P. M.

The dance is to be given for a very worthy cause. All the proceeds go to U. S. O. Just for a mere \$1.10 anyone can swing out with their best girl and help some soldier boy at the same time.

The co-chairmen of this affair are Carl Leslie and Irvin Worden. Ticket charmanship is ably held by Bob Kolar whose assistant is Don Morey. Publicity is headed by Eldon Roberts, Bill Smith is in charge of decorations. Berny Vogel has charge of patron tickets.

#### Bob Lewis Named Head Of Delta Hi-Y Chapter

The Delta chapter of the Hi-Y of which Bob Lewis is the president; Tom Hynes, vice president; Leonard Polk, secretary; Glenn Snagel, treasurer; and Bernard Vogel, chaplain, was entertained last night and will be entertained this evening by talks given by Dr. Nicholas Carter. The topic of Dr. Carter's talks is health and they begin a series which promises to be very interesting. There will be another talk this evening at the Y. M. C. A. at eight o'clock and all the members of the Hi-Y are urged to attend.

#### "CLIPPED WINGS." MOVIE

An airplane picture jammed full of thrills and excitement, *Clipped Wings*, is the noon movie to be shown in the auditorium February 2, 3, 4, at 12:30 p. m.

#### PLAN SOPH ASSEMBLY

On Tuesday, February 3, the new sophs will be officially welcomed into the fold of Central when, at that time, they will be given "The Keys of the Kingdom" by Joe Peil, president of the Student Council. An address of welcome will be presented by Paul Prass, Senior class president, which will be answered by Richard Cortwright, John Brademas, and James Oberfell, formerly of Muessel, Madison and Central Junior High schools, respectively. Combined with this assembly a presentation of clubs will be given.

#### SR. A PHOTOS DUE APRIL 1

If Central Senior A's expect to see their smiling faces in the Interlude commencement yearbook, they must have their photographs taken and FINISHED by April 1, 1942, according to V. C. Cripe, faculty adviser of The Interlude.

## GRADUATION GIFTS AND BONDS

In past years it has been quite a problem for some parents of graduating high school seniors to determine what they should get their children for graduation. Their choices have run largely to watches, typewriters, clothes, etc. But this year, in due regard to our national crisis, the choice of a graduating present is obvious! Following the custom of our nation, people in industry, professional men, clerical workers, and others engaged in their various jobs, have all put their shoulders to the wheel and have more or less kept our government going by their purchase of defense bonds. Not only is it patriotic to buy defense bonds, but it also is a good investment for anyone's money. Ordinary gifts are appreciated, but keeping in step with the millions of people in our country who have purchased defense bonds, more than ever makes the most appreciable gift a parent could buy for his children a United States Defense Bond! So this year let us disregard the usual procedure of buying personal gifts, and one and all help carry the responsibility of our government by purchasing defense bonds for the graduating seniors!

## WE'LL TAK' A CUP O' KINDNESS

Kindness is one of the cheapest, yet most valuable commodities in the world. There is nothing more inspirational or uplifting than kindness. It is so easy to be kind and it pays generous dividends.

Whether we realize it or not, true kindness always has its reward. Kind people are happy people and happy people live pleasant, contented lives.

## COLLEGE OR WORK?

In this present rush order for planes, guns, and the like, Uncle Sam is offering high and fancy prices for defense workers in the factories. Thinking this an opportunity to help in the emergency and to benefit a little for themselves on the side, many students over 16 have dropped their school studies to take up work in the factories. There an unskilled laborer, such as one who turns a screw or two, has started out into life when he is not yet mentally trained for a vocation, whereas, if he had waited until finishing his high school career, at least, and perhaps gone on to college, he would have been more mature and ready to set out into the life ahead of him.

If we really want to do our part in national defense, let's stay at home unless called for on the front, finish our education, then when this war is over we will be ready to carry on and defend the high standard of living, morality, and civilization.

## DIVIDING YE OLDE ALLOWANCE

An allowance is something that is very nice to have. (Ask the man who owns one.) An allowance is something that is very convenient to have. As a matter of fact, an allowance would be an all around nice thing to have if it were not for one disagreeable quality it possesses. It is very, very, VERY slippery. In fact it is so terrifically slippery that it's liable to slip completely out of sight before the next allowance has even come into view.

Of course if it does disappear and some outstanding expenditures are imminent, there is only one course of action to be followed. That is the old American custom of the "touch." A touch is made when a toucher queries a touchee concerning something financial. Papa usually pays but not before he delivers that age-old lecture, "You're the most irresponsible person concerning money I've ever seen. Someday you'll wish you had learned the value of money," or, "Isn't this getting to be a habit?"

You ought to keep a budget." How would it look to keep a budget which reads:

Girls ----- 50%  
Cokes ----- 25%

I don't know where the other 25% went. I guess I must have squandered it foolishly somehow. Oh well, Spiro's can wait.

Is this the way to live? Is this the way to get along in the world? Well, don't ask me, brother, I do it too.

## PLATTER CHATTER

By Jim Cole

Following the custom of having dances at the Isaak Walton Club house, the original S. D. C. club (seniors) gave a hep record dance last Saturday night. This dance was of interest to many, judging by the number of people that were there. Another dance that took the spotlight was the Epworth Charity Ball. Jack "Birth of the Blues" Teagarden provided the music for this affair and his music was appreciated by all. It is even rumored that there were some fellows there that didn't go with flower girls. The plutocrats!!

We have heard that the production of the Central Glee Club's annual operetta has been held up due to the inability of the school to secure music. This is due to war conditions abroad. If you aren't satisfied with the choice of the orchestra for the senior prom see your cabinet member about it at once. There have been many complaints floating around about the orchestras that have been chosen for our proms of later years, and seeing that this is your dance, the seniors should also choose the band!! Recommended for this week:

"Blues in the Night," by Artie Shaw or Woody Herman.  
"Minka," by Glenn Miller.  
"The White Cliffs of Dover," by Glenn Miller.

## VERIE SAUER SAYS

School days—drol days. Just the place for fools ways!! Ye oldie Auntie Verie hopes all ye guys and gals have situated your hopeless selves in the desired classes and may many hot (oops,—tepid, Ed.) romances spring from the scholarly matches. During all the hurry and worry of the last week much has happened. Here 'tis, quite amiss \*\*\*

Muchly big romance — George Schmitt and Mary Catherine Barr.

Modelin' Madeline Marcus.

Twosome—Betty Lou Fleming and Bill Ives.

Foursome — Thoner, Baughman, Bair, Crowe.

Boresome—the "Great Lover" type.

Seen at one of the basketball games (we won!) — Clyde Rusk and Betty Hollis.

Come on, fellows, let's get dates for the annual Hi-Y Swinghart Sway.

Seems as tho' Mary Fritz has her man in the army!! Come on, fellows, she's free.

The everseeing "Eye" believes that Marie De Buysser and Jack Pendl seem to be getting on all too well for

merely a casual friendship.

The flame burns bright atwixt Margie Wartell and Devey Roberts.

Cupid led with his arrow in this case—Helen Graykowski and Lenard Begulski.

Double or nothin'!! The \$64 question—

What were Jean McGregor, Louie Neitzel, and Eleanor Bielaski doing sitting on a ladder in the lower hall last week after school?

An answer worth precisely nottin' also— They said they were on a "sit-down strike." Aw, come on, kids.

A very cute new addition to the S.P.U.R.'s—Helen Woodard—a swell kid.

General L. A. "No. 1 driver of the state" Smythe, has more badges, insignia, medals for various and sundry reasons, than Hitler or his pals, —'cause she's going steady.

Couple of cute sops—Janet Oren and Florence Mickley.

Consistence—Barney Bannion with Peg Miller.

Resistance—"Mike" Mikelson to all those devout feminine followers.

Persistence—That quality of a true wolf which never gets him any place.

Two soph masculine midgets—"Wad" Bair, "Mike" Harper.

From the sidelines it seems that Floyd Wertz gets along too, too sweetly.

Another basketball boy breaking hearts at present is Bruce Burgess.

Dickie Denman has been seen about with Edith Chadwick. Hmmm.

"I'm Thrilled" seems to be Kath- Welter's theme whenever Syl- er Dursky draws near.

Auntie Verie is very worried about the current international situation at the noon dances. Seems as tho everybody is afraid of everybody else. Let's all have fun — that's what they're for. Guys and gals, get together.

This little sophomore Ann Dunna- hoe is no slow worker, she's got Dick Daines fit to be tied already, in fact, he's practically on her string.

Smart: "I'm very much a neighbor of yours now. I live just across the river."

Alec: "I hope you drop in some time."

## FASHION FLASHES FOR CLASSROOM CUTUPS.

By Carolyn Carlisle

Catching up on the latest "what to wear," finds us snapping pictures of the cuties as they stroll Central's halls —

**Hold it!!** In an authentically copied covert Pilot Suit with four military patch pockets and shiny metal buttons on the long-torso jacket.

**Watch the Birdie**—A wrap-around resort coat of pastel cashmere wool jersey with deep dolman sleeves.

**When I count three** — Stick the Bumper Pillbox by Brewster on the back of your head and don't, for goodness sakes, forget to fasten that "leettle" attached comb (special de-

luxe feature) through your pompadour curls. Made to spite nasty winds as well as flatter the lass who wears it.

**Don't wiggle** — The darling dirndl skirt in a mad plaid with a sleeveless waistcoat to slip over a sweater or skirt.

**Smile, please!!** — A singing-yellow wool suit with a tweed cardigan jacket, saddle stitched, and a box-pleated skirt.

**Face the Camera**—A flowery tropical blouse mated to a rayon shantung peasant skirt will hit the bull's eye. Nice collection to paste in your snapshot album, eh what, kidlets?

## OUR JOB

This past week I received a letter from Mr. C. S. Fletcher, Chairman of the Red Cross Relief Drive, in which he said, in part, "Now that the Red Cross War Relief Drive is completed, I want to thank you, your staff and pupils for the very splendid part they played in making it a success. It is indeed a pleasure to express to such a fine group of people sincere appreciation for a job well done." This is well deserved praise. We are now in the midst of two other campaigns, the "Mile of Dimes" and the Defense Saving Stamp drive. Both of these drives, I am sure, will have the loyal support of every Central student. The first drive closes this week, but all of us can have a part in buying Defense Stamps every week. By buying stamps you not only help your government, but you help yourself. It is saving for the future, but it is also protecting the present. Buy Stamps each week.

**BEARS TOPPLE MICHIGAN CITY FOR 6th CONFERENCE WIN**

Central's scrapping Bears continued their relentless march for the N.I.H.S. championship by smothering a fighting Michigan City quintet 41-34 at John Adams gym on last Wednesday night. The victory gave Central its sixth consecutive conference win.

The Bears were especially hot on the free throw lane. They hit five charity tosses in the first quarter to give them an 11-9 lead at the initial gun.

Little Benny Frankiewicz stimulated the second quarter drive by firing in three quick buckets which, with the aid of Jim Powers' charity tosses, gave Central a 21-14 lead at the half.

The third period found "Arson" Howell in his old form. The lanky pivot-man pushed in 14 of his 16 points in the latter periods. Michigan City was not, however, to be denied. A last minute rally by towering Jim Kruze and Dick Heinz tallied eight points to their sect; but the chestnut had already been left in the fire too long, and the final gun found the Bears in possession of a seven point victory margin 41-34.

The box score:

Conclusion—BEAT 'EM AGAIN.

A Michigan City reporter who attended the Bear-Imp encounter remarked that Central fans showed poor sportsmanship. It seemed you were just a bit over-zealous. So the next time Michigan City plays here kindly take your seat, fold your hands, and when Central makes a basket just sigh and whisper to your neighbor, Oh! Goody!!

The swimming team shows definite signs of improvement and is slowly but surely overcoming its inexperience. It dropped a meet to a strong Jackson of Michigan team last Saturday at the Natatorium, 45-21.

Gene Kujawa came through with two firsts for Central in the 40-yard and 220-yard free style. Capt. Ted King won the only other blue ribbon

for Central in the diving. John Makielski is credited with the only second place, this was gained in the diving. Thirds were won by Porter, a breaststroker, Nelson in the backstroke, and Slocum in the 100-yard free style.

By scoring a 27-13 victory, Jan. 20, over Hammond Central, there, the Bruin grapplers brought the season's total to three wins and two losses. The Bears lost only three matches. One by forfeit, one by a fall in the 155-pound class, and the third, by a decision.

The results:

95—Frederick (H) won by forfeit.  
106—C. Quimby (C) won by forfeit.

115—R. Quimby (C) decisioned Campbell (H).

Capt. Parson is still leading the conference scorers (keep it up, Daddy). Say, that Jimmy Powers boy was really pitchin' the other night against South Side. He poured in 16 points. Nice goin', Jim. I hope you saved some for Mishawaka. Bob Smith is on the loose, girls!!

The ending of the first half 1941-42 bowling season finds many newly crowned bowling queens at Central. A girls' league has been formed, but as yet has not entered in any inter-school competitions.

The high game total for the first half was 1192 bowled by team No. 6, headed by Ella Fokey, captain; Ann Fokey, Jean Porogi, Marge Smith, and Chadlea Harrison. Second team high was team No. 3, having a total of 1154 with Leonora Wyford, cap-

tain; Mary Jane Peterson, Doris Platts, Helen Graykowski, and Beverly Nelson.

High individual game was 186 bowled by Loretta Kolander.

The Central Bears' winning streak of 10 games was shattered Saturday night by a hard-fighting South Side Fort Wayne team, 41-33, on the South Sider's home floor.

Little Jimmy Powers, Central's nimble forward, led his team-mates in the individual scoring honors with six field goals and four charity tosses for 16 points.

The host club ran the score to 24-10 before Powers' free throw made it 24-11 at the intermission.

Race-horse basketball featured the tilt, both teams being noted for their breezy and reckless style of play.

Of interest to many girls who are active in sports here at Central is the annual basketball playday being sponsored by the Elkhart High School Discobolus Club on next Saturday morning, at Elkhart. Central has been asked to send a team and substitutes to participate. There will also be swimming, badminton, volleyball, and a sports film for choice of recreational activity following the basketball games.

Those who will participate for Central have been announced by Miss Lyman as follows: Barbara Browne, Lucy Hanyzewski, Louise Tackacs, Ellen Vlahakis, Phyllis Simmons, Dolores Kwieciniski, Helen Graykowski, Genevieve Paden, and Betty Kronewitter. Substitutes will be Helen Bankowski and Edna Kitt. Good luck, girls!!!

**Question of Survival**

Snow lies deep on mountainsides in the West, and the big game animals of the Rockies are having their annual test for the survival of the fit. Winter is the winnowing time for the wild horned herds, a stern season when only the strong can continue to find food and escape the hungry predators. Conservationists, who formerly tried to save every specimen, are now more inclined to let nature take its course and eliminate the old, the sick and the cripples. It sounds hard, but it is better for the herds in the end.

**CENTRAL'S DEFENSE PROGRAM (Cont'd)**

work on 200 garments is or soon will be under way.

Red Cross Life Saving and first aid courses are under way with some of the teachers instructing and others taking the courses. "The program of the Jr. Red Cross here at school is being expanded," said Miss Gee, sponsor of the club. Members of the club are attending the Jr. Red Cross council meetings and the girls have been knitting and sewing.

Another campaign, the March of Dimes, this one for defense against infantile paralysis, will be run at Central. Support for the campaign will be pushed through the home rooms. The Central Band participated in the March of Dimes parade Jan. 17. A Speaker's Bureau has been formed by Miss Frick. Members of this Bureau are ready to make speeches in regard to defense whenever they are called upon to do so.

South Bend will be returning to Daylight Saving Time the second week in February and Central will maintain regular schedules of class hours. Terms are to remain unaltered. School athletic and social ac-

tivities will go on much as before.

Members of the Central faculty also will be engaged in defense efforts. Teachers probably will do much of the work in the Selective Service Registrations of Feb. 14, 15, and 16, especially on the fourteenth and fifteenth which is Saturday and Sunday. Some teachers are registered in the Civilian Defense Corps, while others will undoubtedly obtain defense employment during the summer. A committee has been appointed by Frank E. Allen, Superintendent of Schools, which will study methods to eliminate waste in the schools.

Our school is "All-Out" for defense and it is our duty both as students and citizens to cheerfully cooperate in whatever we are asked to do.

Marriage is a hit or miss proposition. If you don't make a hit, you remain a miss.

To make a hit with the boy-friend, give him snapshots of yourself—developed at Ault's, they never miss pleasing.

Teacher (to Don Tuttle): "Don, what has to be done to canned foods to make them digestible?"

Subtle Tuttle: "They have to be opened."
