

Bruins Vie With Fort Wayne Friday

SPUR Assembly

The SPUR Club will present its pre-basketball game pep assembly tomorrow at 8:35 in the auditorium. A skit will be given followed by cheering. An original song to SPUR the boys on will be featured.

Gym Requirements

Gym periods can be made up between 8 and 9 A. M. on Mondays, Wednesdays, and Fridays by students who have no opportunity to make them up during the day. All periods must be made up or a gym credit cannot be given. Students must report to their home room teachers before going to gym. Students who have been absent from school should report to their home room teacher by 8:20 A. M. so that absences may be cleared before they re-enter school.

Students To Be Excused

Students 16 years old or over who have had their applications to aid the retail merchants during the Christmas rush accepted by the Association of Commerce will be excused at 1:40 P. M. next week. No student under 16 years of age will be excused any part of the school day. Blanks must be obtained from the Study Hall directors.

Snoball Dance Plans Roll

Get hep, snakes, and let's crawl to the super music of Chuck Eaton's orchestra at the Comet Club's Snoball dance, to be held on December 18 from 9 to 12 P. M. at the Progress Club. Even though it's not formal, it's advisable to wear shoes.

The committees include: the ticket committee, John St. Clair, chairman, Bill Weaver and Bob Hevel; the advertising committee, Don Ratcliff, chairman, Bob St. Clair and Dale Miller; the decoration committee consists of Mike Commer, chairman, Jim Nelson and Don Gotch. Leo Cunningham is chairman of the music committee.

Watch the Birdie

It has been announced by Mr. V. C. Cripe, INTERLUDE adviser, that all senior pictures for the INTERLUDE Yearbook must be brought to Room 221 not later than April 1, 1944. However, Mr. Cripe stated, that seniors graduating in January should have their pictures in before they leave school.

Wou'd She?

The Barnstormers, under the direction of Mr. James Lewis Casaday, are planning to present their annual three-act play "She Wou'd or She Wou'd Not" by Colley Cilber in February. "She Wou'd or She Wou'd Not" is a favorite Spanish comedy. Tryouts for the play will be held after school December 16 in room 3.

Vacation Reading

Extra reading can be done over Christmas vacation because all books signed out of the Central library next week will not be due until after Christmas vacation, it was announced by Miss Genevieve Hardy, librarian.

Plumps vs. Skinneys

Watch your date calendar for the dates of the roof-raising basketball tourneys between the Plumps, Skinneys, and In-Between girls of the Central student body. Mr. Peden will coach the Plumps, Mrs. Rathje the skinneys, and Mrs. Moore the In-Betweens. The girls are practicing in the Y. W. C. A. gym after school. The Plumps will battle the Skinneys and the winner of that clash will meet the In-Betweens. There will be a small admission fee which will be given to the Community Chest.

"IT'S THE GREMLINS, TEACHER!"

Izaak Walton League Makes Civic Resolution

The Junior Izaak Walton League has passed the following resolution and has asked that it be printed in the INTERLUDE and that Central students think seriously about it.

WHEREAS: the heritage of American youth includes in part a clean, healthful out-of-doors in which may be enjoyed such recreation as tends to build good health and good character, and

WHEREAS: much of this heritage has been wasted and destroyed through the pollution of our rivers and streams, thus tending to limit such recreational opportunities, to the detriment of the health and character of America's future citizens, and

WHEREAS: a deplorable example of such misuse of America's waterways exists in our own St. Joseph River, which has become vilely polluted and poisoned with municipal sewage and industrial wastes, and

WHEREAS: our civic leaders are now directing their attention to the planning of useful public works for the period to follow this war, now therefore be it

RESOLVED: that the Junior Izaak Walton League Chapter of Central High School, and the student body, hereby urge our mayor of the City of South Bend and other city officials to give first consideration, in their plans for the post-war era, to the construction of such sewage disposal facilities as will permit our beautiful St. Joseph River to flow clear and pure once again, for the better health and enjoyment of all.

FIRST CONFERENCE GAME FOR CENTRAL

RILEY TO ENTERTAIN BEARS SATURDAY AT ADAMS

Central embarks on its '43-'44 basketball conference season this Friday night when the Bears entertain the powerful five of North Side Fort Wayne. Last year Central ran away with Ft. Wayne 50-28, led by the brilliant shooting of Jim Powers who scored 24 points. Ft. Wayne has returning two men who were responsible for 10 points in that game. Hinga score seven points and Andrews hit the nets for three. This year the Redskins have built their team around these two gentlemen to take care of more of the scoring come Saturday night.

Thus far the Redskins have one non-conference victory over Masonic. And they also had a conference game with Riley last Saturday, winning by one point.

Central, however, is not without its veterans because all of the men on the first five played against Ft. Wayne last year.

Central is counting heavily on a victory to start out the conference season on the right foot and Ft. Wayne is also looking for a victory over Central because of her game with Riley last Saturday.

Riley Has Balanced Team

This Saturday night's game with Riley promises to be one of the closest and most thrilling games that will be played by the Bears this year.

Riley this year has an evenly balanced powerful team with no especially outstanding players. Husvar, Schwartz, and McDaniel are all good players. Saver at guard and Schwartz are plenty good at dropping the leather pellet into the iron hoop.

Bond will probably be in for Central at pivot position; Bruce Burgess is equally good at guard or forward; Johnny Hazen has been one of the two top scorers in all of Central's games thus far; Tug Finger is plenty hot on his one-handers and Jim Hans is good anywhere on the floor.

With two such evenly balanced teams the game cannot help but be exciting.

Ft. Wayne North Side definitely raised itself into position to vie for the N. I. H. S. C. title by defeating a powerful Riley Wildcat team 34-33 last Saturday night. Coming back from a 46-26 shellacking handed to them by a strong LaPorte team the night before the Redskins played the entire game without a substitution and slipped Riley a crushing moral defeat.

HI-Y CONFERENCE TO BE HELD TODAY

The District Hi-Y Conference, for Northern Indiana, will be held today in the Y. M. C. A. Building from 4:30 to 9 P. M. The theme of the conference will be "My Responsibility in Making Hi-Y More Effective in My School and Community."

Mr. George Corwin, the National Hi-Y Secretary from New York City, will be present. Various activities of the conference will be the discussing of Hi-Y plans for the balance of the year and discussion groups where boys and leaders may present the

G. A. A. CLUB GIVES GIFTS TO SERVICE MEN

The G. A. A. Club has donated a year's subscription of the "Life Magazine" to the Navy's sick bay at Notre Dame. The subscription was financed by funds collected from the skating party held at Playland Roller Rink last Monday.

Cigarettes were given to the Service Men's Center with the rest of the money.

TEN HOME ROOMS BOOST BOND DRIVE 90%

Out of more than 70 home rooms only 10 have contributed 90% to buying war bonds and stamps. Central is trying to buy stamps and bonds to 90% so that the "Schools at War Flag" can be flown. Every home room will have to be 90% in a few days because December is such a short month.

RESULT OF CAREER POLL TOLD.

The results of the Institute of Student Opinion Poll which was conducted at Central by the Interlude last week have just been announced by Mr. V. C. Cripe, faculty adviser of the paper. The question of the poll, in which 1304 students participated, was: "If you could begin your career in any of the following occupations and obtain the same income at the start, which one would you choose?"

The suggested occupations and the number voting for each are as follows:

- a. Government or public service.
Boys 96 Girls 98
Total 194
- b. Working for a large business or industrial establishment.
Boys 131 Girls 139
Total 270
- c. Working for a small business or industry.
Boys 62 Girls 89
Total 151
- d. Owning or managing your own business.
Boys 155 Girls 108
Total 263
- e. A profession, such as medicine, law, teaching, or nursing.
Boys 84 Girls 295
Total 379
- f. Farming or some branch of agriculture.
Boys 34 Girls 13
Total 47

Principal Pointer commended the Interlude for conducting this contest. He stated, "Students should learn to express themselves and to think about such subjects because they will soon have the privilege and the responsibility of participating intelligently in affairs of government."

Mr. C. O. Fulwider, head counselor, commented that in his opinion the professions are already overcrowded and although professions seem to have more appeal, the majority of students will not end up in the professions. In South Bend about 60% of the working adults are in industry while only about 33% of the students who balloted showed a desire to go into industry.

"The guidance department has emphasized," continued Mr. Fulwider, "that too many aspire to be in professions and that there are not enough professional openings to go around." He concluded that the small number of students wishing to go into farming or some branch of agriculture is to be expected since South Bend is a metropolitan area.

In Central's campaign to buy a jeep a week sales reached a total of \$1,365.40 last week, \$200.40 over the cost of one jeep to buy spare parts. The total sales of the current year reached \$14,610.80. Room 211 was the first to reach 100% in purchases.

OFFICER TELLS BOYS HOW TO PREPARE FOR SERVICE

"How You Can Best Prepare Yourself for Military Service" was the topic of Captain George T. Fahey, who is one of the officers at the Chief Induction Training Section Fifth Service Command. Captain Fahey spoke to all Central High school boys Monday morning.

Captain Fahey brought out the point that those who are at the home front are in the war just as much as the soldiers in the trenches or on the battlefronts. He also stated that 8 out of 10 men of military age are physically fit for service, but the remaining two who are unfit are in this war on the home front.

Captain Fahey gave the common needs of all soldiers as follows:

1. Fitness to live and fight.
2. Understanding of the issues of the war.
3. Understanding of the nature of military life.
4. Ability to speak and read clearly.
5. Ability in basic mathematical skills.
6. Character, skills and responsibility.
7. Technical skills.

In conclusion Captain Fahey said, "Stay in school and make every minute count." He remarked that army training is based on "Learn now so you can live later."

GLEE CLUB FEATURED AT PROGRESS CLUB

"Deck the Halls with Christmas Holly" and "Gloria" were the songs sung at the Progress Club Friday afternoon by a selected group of Glee Club girls. The girls who participated in the program were: Marjorie Manuel, Eleanor Pecze, Frances Slack, Cecelia Zonenberg, Beverly Klapp, Marcella Ludwick, Virginia Northcott, and Rowena Shorb. Miss Helen Weber directed the chorus.

THE PROPHET SPEAKS

And the people came to the great prophet Tellall and asked of him, "If we have a great discus thrower in our village, is it necessary that we go to the discus-throwing tournaments in the colosseum to cheer him on? Can't he do just as well without us, for we are very busy and somehow never find time to go to the tournaments?"

The prophet Tellall answered them in a parable saying, "You have heard tell of the great temple which once stood where that stagnant pool now sleeps. Once that was a beautiful building which could withstand all storms because its pillars were strong and flexible. But for some reason the pillars began to decay. When they gave way the whole building fell and slowly decayed into the earth. Those who do not attend the tournaments are like unto decaying pillars."

And the people departed knowing that Tellall had spoken wisely.

18-YEAR-OLDS SHOULD NOT VOTE

With the 18 year draft law in use the natural question lies in the minds of many, especially young people: "If 18- and 19-year-olds can fight for their country, why can't they vote?" The answer is the same in war-time as it is in peace-time—a person of that age doesn't take an active interest in politics and is still swayed in his decisions by his elders.

When young men are fighting for their country they realize what their government means to all the Americans, but until they are out in the world earning their living, government does not touch them and seem important in their personal lives. At the age of 18 and 19, many young men are still debating the question of what courses to take in school and what occupations to enter. When they are undecided even in that phase of living, how can they be given either the privilege or the responsibility of voting. Since scientists have proved that few reach maturity before the age of 21, the voting age should not be lowered but left as it is.

WHO'S OLD FASHIONED?

Next semester girls will be offered many courses in blue print reading and tracing, inspection, pre-nursing chemistry, and Red Cross first aid. Some of these courses have been offered before, but some girls who might will have taken advantage of them have not done so. This is probably because it has been traditional that such courses were not for girls. Our grandmothers would have thought it preposterous that girls should ever study to read blue prints—but that was before the war. Since 1941, ideas and customs have received a radical revamping. No longer is it considered unlady-like to study such vital subjects as inspection and navigation. Our country needs girls who have a thorough knowledge and understanding of the sciences—including mathematics, and chemistry. If you are planning to be a nurse take pre-nursing chemistry. If you just want to help your country in its war effort, try pre-flight aeronautics or blue print reading. Don't be old fashioned, try a new course next semester.

Dan Luzny has been seen with both Peggy Cowger and Mary Ellen Carr. Now, the question is: "Which one does he really like?"

What's this we hear about "Tootsie" Kolman and Sonny Sollitt?

One guy that slays everyone—Bob Donahue. Have you seen that sharp picture of him??? If you haven't, don't miss it.

Our crystal ball sees bright futures for Tom Kuball, Walt Mueller, and Pat Deneen.

Milly Stevason seems to enjoy herself with her V-12 friend. Yes, Milly, he is a luscious hunk of man.

Alice Gondeck surely does miss Hugh Kaiser's help in chemistry class, or is it just the help she misses?

"Pete" Jones and Lorny Phelps make a cute couple again!

Why doesn't some cute chick

arouse Jim Johnson's interest in the female species?

Eileen Coleman seems to enjoy the Saturday and Sunday tea dances. What does your soldier think about it, Eileen?

We all like Mr. Sanford's dark room, don't we, Millie, Tom and Jack.

Rise and shine — new basketball star Bob Adams.

What's this? A romance between Pat Algelt and Lois Jones?

Woodard and Shanafelt — who knows?

Personal to Marg Manuel: You have a secret admirer by the name of Elver Hoefler.

Who does Sonny Sollitt think he is, Frank Sinatra?

Inter school romances: Glaser-Campbell, Farnar-Dixon, Mitchell-Lower, and Smith-Loomis.

Won't Don Koehnaman and Fred Sundloff ever break down?

Hey, fellas—how about that cutie Marie Costaff?

'Tis rumored that Dick Adelsperger escorted a new blond over the weekend—couldn't have been Mary Menzie?

Maryellyn Hasfurther is still being true to her lucky Marine — John Crane.

When will a certain Lad in 310 wake up and notice Gloria Hesler?

Is Ella Fokey really that interested in Global Geography class or could it be a certain Ralph Kukla who holds her attention?

Central's Giant Drum-major Charles Kale can never be found in room 320. Chuck's blue-gray eyes, and light brown hair are OK on your eyes if you can see them—he's 6' 2" tall! He is President of the Drama Club and was one of the old cronies in "The Far-off Hills."

Chuck gave out plenty with his likes which are the A-12, winter, all winter sports — especially ice skating, football, dancing, music — from symphonic to swing, and all foods with liver and baked beans as his favorite dishes. Oh yes, as a friendly hint to some of these anxious girls who'd like to make a hit with the Blond Band-boy, he likes people who have a good sense of humor!

Chuck wouldn't say much about his dislikes, but we did find out he doesn't like coffee, "hangouts", Chicago, silk stockings (!), girls that smoke, and "human parasites".

His ambition is to be a criminologist—another Dan Dunn!

A sheep in wolf's clothing—Bob St. Clair.

Gobs of fondness of "Chang" in the Navy—right, Alice Nyikos?

One cute number worth noticing—Gloria Hesler.

Viewed: Eula Jane Hill and Jim Hurwich holding a charming little rendezvous.

We hear that Evelyn Manuszak and Jack Doran of Central Catholic are getting along quite well together.

Al Daoust sure goes for shy Pat Morris.

Joan Whitehead likes Esquires too. First Bill Madison and now Al Walsh.

What's this we hear about Doris Krathwol and Leo Cunningham? Is she or isn't she going with him? And if she isn't there happens to be one (?) girl who would like to take him off her hands.

Always together like ham and eggs—Helen Rupert and Virginia Palmiter.

Is Bob Penner still interested in that Rileyite or not???

Classy Lassies: Delores Kolman and Marilyn Spencer.

YOUR RESPONSIBILITY

You cannot separate your citizenship from the rest of your life. Your aspirations, interests, ideals, tastes, and habits influence the performance of your civic duties. If you are generous, kindly, and intelligent, your civic life will add sweetness and light. If you are contentious, noisy, and selfish, your citizenship will add to the confusion. If you are dishonest in your thinking and indifferent to the well-being of others, these qualities will degrade the public life. The world today needs you at your best with such qualities as these:

A determination to earn your own way in the world by useful service.

A personal interest in human welfare that seizes every opportunity to help others improve their lives.

A deep concern for good government combined with sustained study and action.

BEARS NOSE OUT SCRAPPY HAMMOND FIVE 40-39

A one-hand push-shot from the side by Johnny Hazen that dropped through after the gun sounded to end the third period proved to be the winning tally as the Central Bears edged out a 40-39 win over the Hammond Tigers last Saturday night at Adams for their third victory in four starts. Hysterics overcame the students in the last minute of play as football passes were being thrown from one end of the court to the other.

In the first period Hammond, with their slow-moving offensive, hit from far out to take a commanding 12-6 lead in the first five minutes. Then "Tug" Fingers went under the basket to lay one in, and Bruce Burgess hit one from far out to have the score stand Central 10, Hammond 12 at the end of the quarter.

Hazen Leads Bear Scoring

The second quarter found the Bears going to the fast break offense as "Raisen" Hazen got into the scoring column and later became high scorer for the Bruins with 13 points. After Central grabbed a three-point margin Hammond surged back to take a 17-15 lead. But Hazen and Burgess came back to score and give Central a half time advantage 21-19.

The Bears built up their largest lead of the game in the third quarter by taking a 28-21 lead.

The fourth quarter saw the Tigers of Hammond put on a 14-point rally which fell just one point short. Andy Sobek lead this rally by scoring three field goals and two free throws, eight of the 14 points.

The Central B team suffered their first loss of the season to the Riley Cats 36-21, Saturday night; the previous night they defeated Mishawaka 21-18.

Team work is now beginning to show up on Central's basketball team. The fast break which has always been synonymous with Central's name is now beginning to hit for points for the first time all season. The Central five which is now on the floor hardly looks like the five that began the season indiscriminately shooting anytime a man grabbed the ball. The five men who play basketball for Central are developing a machine — a machine which rhythmically passes the ball until an opening develops and then capitalizes on it. Or, if an opening does not come up, a hole is made in the opponent's offense and two points are chalked up for Central.

Much credit goes to the three basketball managers, Bob Dunbar and Dick Ferrell, of the Varsity, and Paul Goldberg, of the B team.

These boys are at the "Y" while most of us are still "in the other world."

when he says, "the splendid defensive play of Bruce Burgess was particularly heartwarming." And we will add to this tribute that the playing of Bruce Burgess will undoubtedly be recorded in the annals of Central basketball.

oOo

The Central B team dropped its first game in over a year and a half of competition, but at the same time uncovered a new player who seemed to have the ability to make his own breaks. This man, John Brademas, saw more action this past week-end than he has seen in all the time he has been out for basketball. John seemed to be in the clear most of the time, but he was rarely able to capitalize on his chances.

South Bend may well add to its list of names the title "Table Tennis Capitol of Indiana." Seven of the top ten players in Indiana are natives of South Bend. South Bend holds down the first four places in the ranking. The rankings of South Bend players and their ranks are: John Varga, first; Dale McColley, second; Hershey Miller, third; Jack Foster, fourth; Willie Hornyak, sixth; Walter Andonowicz, seventh, and Leslie Leviton, tenth.

CAVEMEN CLUBBED 29-16

A full house of 1500 fans saw the Bears vanquish the Cavemen in a listless tussel which hardly stirred the pulses of the crowd. The first quarter's baseball-like score of 3-2 was indicative of the scoring throughout most of the game.

Paul Johnston made his 1942 basketball debut as he rang up two points for the Maroon's on a long side-court shot that chalked up the sum total of his scoring for the game. Kenny Umbaugh also was on the "not-hot" list as he hit but four charity tosses for a total evening's scoring of four points. On the other hand, Hazen and Finger of Central chalked up six and seven points, respectively, to top the evening's scoring. Bruce Burgess played an outstanding game

for Central at forward position to inaugurate his basketball season.

The B team won easily from the Mishawaka B's, 21-18, with the big Brian McCarthy starring for Central.
