Tests are open to Sophomore, Juniors and Seniors, applications being obtained from Mr. Fulwider.

Testimonial Dinner

The testimonial dinner honoring Mr. Wilson Thornton, former head of the Mathematics Department at Central was held in the Progress Club at 6:45 p. m. on Saturday, October 14, with approximately 150 persons attending.

The program consisted of short skits and music prepared by Miss Helen Weber and Mr. James L. Casaday. Numbers were "School Days," "Old Familiar Faces," "Always," sung by the choral group, and "Tie a String Around Your Finger," sung by Cecelia Zonenberg. "Memories" was sung by Mrs. Miriam Thornton Bischoff, a cousin of Mr. Thornton and a former glee club member, and "Souvenir" was presented by a string trio.

Arthur L. Smith was toastmaster of the affair. The speakers were Mr. P. D. Pointer, who voiced the appreciation of Central, Mr. Laurance Harwood who represented the School Board, Mr. Nathan Levy, a former pupil of Mr. Thornton who spoke of the appreciation of his students, and Dr. Clarence Dammon, of Purdue University which Mr. Thornton attended.

Mr. John Gilmore made the gift presentation and Mr. Thornton made a short speech of appreciation.

The dinner was sponsored by the Mathematics Department with the help of Miss Marshall, Mr. Trottnow and John Pethe, Mr. Murphy and Miss Gienand.

Hoo Doo Hop

The Hoo Doo Hop, annually sponsored by the Smilers Club of Central, will be held on Saturday, October 28, in the Indiana Club. The dance will be from 9-12 P. M., tickets being available through members of the Smilers Club.

STUDENTS ON HEALTHWIN INSPECTION TOUR

The members of the Junior Anti-Tuberculosis Board and their guests, from all South Bend and Mishawaka high schools, were allowed to see the inside workings of Healthwin Hospital on Wednesday, October 11, when they were taken on an escorted tour through the hospital. Those representing Central were Frances Gadowski, Nona Frazier, Pat Noble, Bill Steinhoff, Phyllis Casey and Lois Garnitz. Also present was the newly appointed Junior Board member, Joe Hickey.

The tour included the adults' and children's wards, the classroom, playrooms, surgery, kitchens, and a demonstration of the X-Ray. Many of the younger patients have been bedridden with tuberculosis for most of their lives and some of the club members correspond with them regularly, so therefore received an opportunity to meet these people that they had known only through letters before. They were told also that Healthwin Hospital has an accredited high school and teaches all of those able to study almost all the high school subjects except science.

After the tour, the members assembled in the recreation hall for a short meeting followed by a buffet supper.

HOLD AFTER-GAME DANCE

The Hi-Spot will continue its program of after-the-game dances this week, having a football frolic after the Washington-LaPorte game. Because of the Sadie Hawkins Dance there will be only a record dance Saturday, but all juvenile jive-hounds should prepare for a super-duper Victory Dance after the Central-Mishawaka game on the 28th. Betty Murphy and her orchestra will play.

TESTS FIELDS OF INTEREST

Kuder Tests are being given to Miss Smogor's guidance classes during this week. These tests show students' fields of interest and aid them in making a vocational choice.

Fields of interest represented are as follows: Mechanical, Scientific, Artistic, Literary, Musical, Social Service, Clerical and Industrial.

INTER-SCHOOL COUNCIL PREPARES FOR ELECTION

Students Appear In Campaign Meetings

The assembly for the nomination presidential and vice presidential candidates for the mock election, sponsored by the Inter-School Student Council, was held in the auditorium on Monday. John Brademas, president of Central's student council, introduced the speakers. Furthering the Democratic campaign, Virginia Grant gave a short summary of the Democratic platform, Don Koehnemann nominated Mr. Roosevelt for president, and John Bergan nominated Mr. Truman for the position of vice-president.

Ann Dunnahoo, chairman of the Republican party, introduced the students who were to speak on Mr. Dewey's behalf. Ralph Cherryholms spoke on the Republican aims and ideals, Dick Cortright presented Mr. Dewey as a candidate, and Pat Hukill, Mr. Bricker.

The election will take place during this week and results will be presented at an assembly on October 23.

Classes Choose Their Candidates For Honor

QUEEN TO BE PRESENTED AFTER PARADE FRIDAY

One of the following girls will be the Football Queen to reign over the Mishawaka-Central football game, which is being played at Notre Dame Stadium next Saturday afternoon. See if you can predict which one it will be:

Hailing from Muessel, Joan "Mickey" Hardman is the 10B's contribution to the Football Court. Having sparkling brown eyes and dark, wavy hair, Mickey is 5' 4" of unadulterated charm. Her likes include the color red, oysters, ice cream, and boys in greet jackets.

The 10As have chosen Ilene "Cookie" Finke as their candidate for the court. A vivacious gal, she has beautiful light brown hair and eyes and personality plus. Her interests include sports, strawberry malts, cashmere sweaters, and blue. It is Cookie's ambition to see Central win the Hickory stick this year.

Beverly Ferguson is the Football Queen in the eyes of the junior Bs. She has short, curly brown hair, matching eyes, and a pleasing personality. Beverly likes fuscias, green, chocolate malts, bowling and swimming, football games, and teddy bears. Costume designing is the subject in which she is very interested and talented. Her dislikes include spinach, liver, yellow, snooty people, and lectures. Beverly's ambition is to go to a coeducational university.

Members of Previous Courts

A member of the court for the second year is the 11A nominee, Betty Lou McCarthy. "Bet Lou" has short brown hair, laughing brown eyes, and loads of personality. Her numerous likes include red, purple, spinach, football games, Dewey, the S. P. U. R. Club, of which she is a member, John Bergan, and swimming at Diamond Lake.

One of the oldest members of the court is Deloris Moore, the 12B candidate. Deloris is quite tall, having a height of 5' 5" has brown hair, lovely blue eyes, and a charming smile. A member of the S. P. U. R. Club, her likes include blue, sports clothes, blue jeans, football, basketball, suntans, chocolate malts, friendly people, and her business classes. Deloris' ambition is to be a good stenographer.

Curly, brown hair and deep matching eyes are the features of Florence "Flossie" Mickley, the senior A's choice for the queen. She likes purple, aqua, and other odd colors, hamburgers with catchup, cokes, angel food cake, shoes with spiked heels, the S. P. U. R. Club, of which she is a member, sweaters and skirts, tall boys, angora sweaters, and the state of Texas. Snooty people, spinach, liver, and waiting for people are among her dislikes. STUDENTS IN POLITICS

With the presidential campaign drawing closer and closer to its climax, we see Central students proudly displaying their Roosevelt and Dewey buttons; and very often we get involved in heated arguments as to the fate of this nation. Of course none of this will settle the election, but it is a healthy sign. It shows that students are aware of the fact that they needn't be of voting age to be concerned with politics and other national problems.

At high school age, we should certainly have opinions about things and be willing to defend them. You will naturally have friends who disagree with you on some points, but there is no need to be afraid to say what is on your mind for fear of offending them. Remember, there is a lot of difference between an argument and a quarrel. If an opinion is worth believing in, it surely is worth standing up for in an argument.

ESTABLISHING RECORDS

Some Central students apparently have the idea that it is smart to be late for school. They seem to think that they can secure a social distinction by coming in as the bell rings and rushing breathless into class.

It is true that distinction can be earned this way. But is this the right kind of distinction? No one really wants to be known as one who is constantly out of breath, red-faced, and never on time. Another point to be remembered is that every time a person is late, it goes on record. This record cannot be ignored. In later life, these records are looked up to see if a person is really as dependable and punctual as he says he is. Many persons are refused positions because even though they may have a great degree of intelligence they cannot be depended on because they are "always late."

It really doesn't pay to be late, and since one seldom has a reasonable excuse to be so, it isn't worth the trouble it causes. So let's all put forth some effort and just see how long it will be possible for us to keep our record clear!

DON'T BE A TIME-SERVER

There is much agitation being voiced over the juvenile delinquent who is quitting school to go to work as soon as he is 16. Central has a generous quota of juveniles who are equally "delinquent"—delinquent in what they owe their classmates as well as themselves—who are only staying in school until they are 16 because the law requires it. They are not interested in what school has to offer them, and are grimly putting in time, like prisoners serving a sentence. They draw and hold classes back to the level of their dullness and distract teachers from the business of teaching by taking up class time and attention with childish mischief that requires disciplinary measures.

The juvenile delinquent who quits school to go to work is cheating himself; the time-server cheats his fellow students as well as himself. DON'T BE A TIME-SERVER!

WHAT'S COOKIN'?

This week there is quite a bit cookin' in the field of la musica (I'm just trying to convince Miss Ceyak that I haven't forgotten all my Spanish).

First of all the news in the record world: a new record preserving material that's supposed to be really sharp; about \$1.50. (Ed. Note: Why do people insist on using this column for their commercials? It's things like this that make feature editors' hair turn grey.)

Mellow Jacks and Jills still are flooding the record booths to hear Charlie Barnett's "Meet Dr. Foo." Also the late Tom "Fats" Waller has pounded a reissue of "Abdullah" which is really a platter that's out of this world!

A different mood, but still pa-lenty on the beam is Columbia's red-disc with Teddy Wilson's orchestra accompanying Lena Horne in "You're My Favorite Memory."

Attention alligators!! Victor has not left you out at all, for even the hottest swing fan will be sent by their reissue of 1926: "The Chant" and "Black Bottom Stomp," played by 1920's piano rage, Jelly Roll Morton and his Red Hot Peppers.

That's about all for this week, unless you'd like to know what the picture said to the wall. It merely said "I've been framed"!!

In the parlor there were three—

—The Journal, Eastern Washington College of Education, Cheney.

Dashing man-about-school is Mr. James Cole. You'll find him surrounded by a group of admiring people in room 217 or almost anywhere in the halls of Central.

Mr. Cole, who is a graduate of Minnesota, has been teaching commercial law for 18 years, 15 years having been spent at Central.

At present he is also teaching emergency mathematics.

After a violent argument with himself, Mr. Cole finally decided that he enjoys reading more than eating—but eating runs a close second. His favorite form of reading is biography and his favorite form of eating is any food—providing that it's hot parker house rolls or strawberry short cake. Music also is near the top of his list of desirables. Dancing, incidentally, is the only sport Mr. Cole enjoys.

Being an agreeable type of fellow, Mr. Cole has but one dislike, which is students who chew gum in class, because it distracts from the general appearance of the class.

Altogether Mr. Cole has our vote for the "most natural man" of the school.

Bernie Hultgren happily entertained mello Marine Miller McCarthy on his leave recently.

Ann Dunnahoo was so-o-o popular with the women when Anselmo was here from California — no wonder! She is now wearing his wings.

Sally Loomis is sporting a dream man from N. D. Such a lucky girl.

Riley's Gene Baney holds the light in Mary Louise Buechner's eyes and in the same ring is Carol Lower and Pauncho Thomas.

Hear tell that Joyce Jodon holds the light for Bryan McCarthy.

It's Mitchell and Dawson these days.

The Bartozek-Dolk combination is getting hotter and brighter!

Gerry Buhler's heart seems to be at Riley now, and probably forever.

What's wrong, fellas, haven't you noticed Nancy Richardson and Marilyn Glaser yet????

Didja notice Audrey Casey's bee-o-o-tiful orchid?? C'mon Casey, give out!

'Tis told that the song "Don't Take Your Love from Me" is more popular with the gals these days.

'Tis also told that Poochie Miller has become a frequent dater of Joyce Smith. Say George had better watch his step.

Leo Cunningham and Joann Whitehead make a sharp couple. Don't they, Doris????

Something new—Mary Louise Buechner and Bill Meyer.

Something borrowed—Eddy Glaser and Faith Campbell (of Riley).

Something blue—Frances Gadamski, now that her middy's leaving.

Bernice Ivy—"MEN!!!"

Barbara Mahler—"When will be the next one?"

Add to the list of those who surely look snazzy in uniform: Miller McCarthy home from the Marines.

Do "Sup." St. Clair, "Metric" Dunnahoo and Bob Dunbar sleep at Gus' Pool Hall?

Hear tell it's Millie Steveson and Bill Freeman flying high lately, together.

The people in the "Lady in Mauve" cast had such a good time at their after-show party that they've planned another for Hallowe'en!

FINAL REPORTS

We are approaching the end of the first nine weeks period. Many students have been warned that their work is not up and that there is a possibility of failure. I believe that practically all failures could be prevented if students would do what they could. What most students need is a definite urge and desire to do their best. Too many are satisfied with mediocrity or just to get by. Most students do not work up to anywhere near their actual capacity. If all did there would be very few failures. High school work is adapted to the average. Those who do better than average work are always in the upper brackets. Do not be satisfied with just getting by. Challenge your better self and make a record of which you can and will be proud. Good grades now will pay excellent dividends later.

Bears Remove Red Devils From Undefeated List

Statistics Show Superiority Of Central Over Prison City Lads

Last Friday night Central's Bears met and defeated the powerful Michigan City Red Devils, 28-12. Playing a beautiful first half the Bears completely crushed the highly touted Red Devil offense and chalked up the Imps' first 1944 defeat.

Demonstrating the T formation for the first time in local high school history the Bruins fooled the visitors from the kickoff and rolled up 480 yards to 210 for M. C. Central led in first downs 15 to eight.

The most spectacular score of the evening was scored by Deranek on a pass from Flowers. For the other scores White went over on a reverse, Flowers scored following a pass to Peczkowski, and Flowers again scored on a flanker play. Morrical kicked the extra points.

Score by quarters:

Michigan City	0	0	12	0-12
Central	7	14	0	7-28

GIRLS' ATHLETIC CLUB TO HOLD BROWNIE SALE

The G. A. A. Club, under the sponsorship of Mrs. Moore, will sell brownies in the main hall at noon on Friday, October 20. Mrs. Moore reported that the brownies will be sold by G. A. A. girls from two booths. One booth will be for Republican students, the other for Democrats. The brownies will be sold at 5c apiece.

A lot has been said about Central's school spirit and cheering and up to this time nothing good has been mentioned to any of the members of this department. The most significant statement made this past week, perhaps this year, is that if Central could play all of its games away from home the boys would win 8 out of 10. To date no one has dared give the real reason for the poor cheering at the games; although there was some attempt to blame the innocent cheerleaders. Perhaps if the student body as a whole would look a little closer to home they would instantly see the reason for the poor cooperation given the cheerleaders. The greatest single reason for the poor spirit at Central is that the students, at least a part of them, may be too absorbed tormenting their neighbors to pay close attention to either the game or the cheerleaders. If the various organizations would get together and cheer instead of holding amateur boxing matches in the stands the people of South Bend would witness real Central rooting.

JUNIORS LOSE PRACTICE TILT

Central's junior high grid squad lost to Jefferson in a scrappy practice tussle last Wednesday 12-0 at School Field. The Juniors are hindered by injuries but defense has improved and the offense with Ernie Bond and Bob Balok carrying, would be a real treat if only the forward wall was stronger.

B's DOWNED BY RILEY

Central's "B" team bowed to Riley's reserves, 24-14, last Saturday at School Field. The game was momentarily held up for only four boys were there to represent Central.

In the lineup were: Stankewicz, Wesolowski, Bradfield, Hayes, Hay, Pope, Perkins, Nelmae, Baughman, Ford, Eugard.

Stankewicz threw two touchdown passes, one to Bradfield and the other to Perkins. Bill Buhler, who played end on last year's varsity, is acting coach.

The season's schedule includes: Adams, Mishawaka, Riley.

TENNIS FINALS

Central's tennis squad has finished the season with five wins and one loss. Victories were scored over Hammond Clark, 6-0; Adams, 5-1 and 3-2, Mishawaka, 3-1 and 4-1. The loss was to Michigan City, 5-0. In the conference meet the doubles team lost to Elkhart in the finals.
