The annual football banquet will be held at the Oliver Hotel on Monday evening, November 19 at 6:30 P. M. K. L. Wilson, Commissioner for the Big Ten, will be the principal speaker. Tickets may be purchased from any member of the Smilers Club.

## Yearbook Pictures

The members of the 12B class will have the individual pictures for the Interlude yearbook made at Carlton's Studio immediately after Christmas vacation. Prints will cost 50c. Students are not compelled to purchase additional pictures unless they wish to do so. All 12B students desiring to have these prints made before Christmas so they would be able to use them for Christmas gifts might go to Carlton's within the next few days.

## Instrument Given School

The instrumental department has received a double bass, a gift from the parents of Richard E. Cleary, a former member of the band and orchestra who was killed in action February 23, 1945.

Richard was very active in both the band and orchestra during his high school days. The gift of his instrument to the school is a timely tribute to his memory.

## Scholarship Test Taken

Mattie Payne and Betty Smith, both of whom are seniors, took the test for a scholarship to Howard University on Tuesday, November 13. Howard University offers 11 of these scholarships to those students throughout the country that make the highest grades in this test. The test was given in Gary, Indiana.

## Bangle Pins Sold

T. B. bangle pins were sold at the home football games at Notre Dame by various teams composed of students from high schools of South Bend, Mishawaka, and New Carlisle. Eloise Treanor won first prize at the first game. Martha Pease took this honor at the second game. Total sales from both games amounted to \$1029.-68. This amount includes all sales made by all schools.

## Swimming Required

Beginning next semester all boys enrolled at Central must take one semester of advanced swimming for five days a week while they are in either the 11th or 12th grade. A course of Fundamentals of Swimming will be offered to 10A boys (a two-day a week course) desiring it.

## Glee Club Officers

Officers for the fourth hour girls' glee club were recently elected. Dorothy Nelson was elected president. The vice president is Audrey DeMan; Katherine Adams, secretary; librarians, Phyllis Goddard and Joan Dawson.

## Student Opinion Results

Only 36 per cent of American high school boys believe that the United Nations Organization will prevent another world war during their lifetime. This lack of faith in UNO, as a war-stopping device, is revealed in results of a nationwide survey just completed by the Institute of Student Opinion under the sponsorship of Scholastic Magazines.

The poll question, asked of 90,036 high school boys and girls throughout the United States, was phrased: "Do you believe that the United Nations Organization will prevent another world war during your lifetime?"

National percentage results are as follows:

	Yes	No	Opinion
Boys	36%	52%	12%
Girls	41%	45%	14%
Combined	39%	48%	13%

Although the above percentages indicate that high school girls are slightly less pessimistic than boys, the survey shows that high school students are much more pessimistic than adults. In a recent Gallup poll (July, '45) only 36 per cent of the adults polled thought that the United Nations charter would not prevent future wars, as against 48 per cent of the combined boy-girl vote in the ISO poll.

"The opinions of these high school students should be a stern warning to politicians, statesmen—to the adult world," said M. R. Robinson, publisher of Scholastic Magazines, in announcing the poll results.

Central's ballots, reported in the Oct. 4th Interlude, were practically identical with the national results.

## HOME ROOM GIVES PARTY

A Hallowe'en party treasure hunt was given by home room 14, Wednesday, October 31. The hidden treasure was won by Delores Wiczorek, Donna Barnes and Marilyn Everly. The Social Committee was made up of Betty Lou Amiegh, Phyllis Andrews, Helen Batchlor, Clara Shafer, Joe Beeler, Red Blyton, Bill Balok and Donna Barnes.

## Central Open House Held

The annual Open House for the parents and friends of Central students was held on Tuesday, November 13. The evening started with a dinner served in the school cafeteria. The Amigo club assisted in ushering and seating the crowd after the dinner. The Handy Andy club sold tickets for the dinner.

"Pilgram's Progress," which was produced by the Barnstormers and the Glee club, was presented in the auditorium at 7:15. Following the play the parents visited the teachers in their rooms.

## SOCIAL STUDIES MOVIES

Last Monday the Social Studies classes saw the movie "The Bill of Rights" which was recently purchased to be shown for the first time. On November 26 the movie "The Louisiana Purchase" will be shown to these classes also.

## VICTORY BONDS ON SALE

The victory loan is in full swing. The eleven billion dollars is slowly mounting. Up to Monday evening \$1,805.70 in bonds and stamps had been sold in this drive here at Central. The Book Store is carrying on all bond and stamp business.

## 12B's Elect Hickey

The 12B class held their Senior Officer elections on Thursday, November 8 in their home rooms. Out of eight candidates four were chosen to serve as officers for their class during the following semester. Joe Hickey of Room 104 was elected president, Virginia Norris of 301 is vice president, Bill Mapel of 102 will serve as secretary and Kathlyn Dumont of 115 was elected treasurer. Cabinet members from Home Rooms 119, 121, 123, 301, 322 and 402 will be chosen within the next few days and will be announced in the Interlude in a future issue.

## SENIOR A's AND B's VOTE

The Senior A and B classes voted this morning for the girl they believe possesses the following qualities to an outstanding degree.

**DEPENDABILITY:** Which includes truthfulness, loyalty, punctuality.

**SERVICE:** Cooperation, courtesy, consideration of others.

**LEADERSHIP:** Personality, self-control, ability to assume responsibility.

**PATRIOTISM:** Unselfish interest in family, school, community and nation.

The result of their voting will be in the next issue of the Interlude.

## BASKETBALL SEASON OPENS WITH LEBANON

Central Hardwooders will make their debut in the 1945 basketball season Nov. 23 in a non-conference game with their old rivals, Lebanon, at John Adams.

The Bears again have a tough schedule ahead of them, but they also have some good playing material to turn loose on their opponents. In an interview, Coach Charlie Stewart admitted that the other teams in the conference have much better material than Central, but if the boys will work hard and keep up the good spirit they now have, they can do all right for themselves.

There are only two lettermen back this year, Bob Adams and Ed McCarthy. Along with the two just

named, there are practicing with the varsity Bob Temple, John Mull, Jack Henderson, Ernie Bond, Louie Lawton, George Clauson, and Dick Woltman. The boys Mr. Stewart is working with now, as he says, cannot come near replacing boys like Jack Woodard, John Hazen, and "Tug" Finger, but they will very likely make a good showing. As soon as football ends Eugene Ring, Jerome Perkins, Dick Flowers, and Roy Jensen will begin working for places on the basketball team. Perkins and Ring played a little varsity last year during the Sectional Tournament, and really looked good. There are twenty five boys out for practice. Walter Kindy is assisting Coach Sewart.

## N. I. H. S. C. Championship At Stake In Afternoon Game

### SCHOOL FIELD TO BE SCENE OF TUSSLE

### LARGE CROWD EXPECTED

The Central Bruins, currently ranked as the seventh best team in Hoosier-land, will tussle with the Rough Riders from East Chicago Roosevelt, who occupy the number 1 spot in the state rankings, this Saturday afternoon at 1:30 P. M. at School Field.

The officials of the two schools met last Monday to decide when and where the game should be played. As the Eastern Division is host this year, they decided on the School Field site. Anticipating a large crowd the school officials thought it would be best if the game was played during the day. The Roosevelt officials boast that a crowd of 5,000 from East Chicago will attend the game this Saturday.

This contest for the N. I. H. S. C. Championship will mark the first time that Central has been in such a playoff game since 1940 when they defeated Gary Lew Wallace, 13-0. The Rough Riders are a powerful ball club, boasting a hard-charging, weighty line and a pair of backs who are known for their broken field running. The Roosevelt lads have sailed through their season undefeated, beating seven conference foes and two non-conference opponents.

This battle following the grueling Reitz contest should be an equally tough encounter for the Bears. The Orange and Blue suffered many minor injuries and bruises last Friday, but should be back in condition by Saturday. The kick-off for this all-important contest will be at 1:30. It's up to Central to keep the conference title in the Eastern Division.

## THANKSGIVING ASSEMBLY

Rev. Edward M. Sausaman will be the guest minister at the Hi-Y Thanksgiving assembly which is to be presented November 21. Tom Smith will give the invocation and Rudy Wilfing will read the response. The Glee club under the direction of Miss Helen Weber will sing three hymns.

## LIP READING CLASSES

There are six Central students enrolled in the lip reading class which is held here on Tuesday afternoons during sixth hour. Miss Betty Caven-der is the instructor of the class. Any students that are hard of hearing should see Mr. Fulwider, head of the Guidance Department, if they would like to enroll in this class.

### GIVE

The Community Chest drive this year is very important, just as much so as the drives held during the war and it is the duty of every Central student to support it to the best of his ability. The Community Chest supports many important local charities and also aids in the support of servicemen's families! We owe it to ourselves as a community and to the boys who fought to be generous in our contributions to the Community Chest.

Let's give till it hurts!!!

### VICTORY BONDS

BUY VICTORY BONDS! This should be your slogan for the next few weeks. Buying victory bonds is not only your privilege but it is your duty, just as buying war bonds was your duty during the war. During the war our government needed money for tanks, guns, and planes. Now our government needs the money to take care of the men in hospitals all over the world who manned those guns, tanks, and planes, the men who won the war for us here at home.

Many of our own former students are now in hospitals somewhere in the United States or in some former fighting front. They might at this very minute be in danger of losing their lives because of lack of supplies, or be going through unnecessary hardships because of the lack of little things that would help them forget the pain. It is up to the American people to send these supplies to their men, it is up to youth of America to do their share, for the country was protected so that they might live all their lives in a free land.

How many bonds will you buy? Will it be enough to support a hospital bed? Or will it only be able to support a fraction of the bed, or less? It is up to you to decide, but we are sure that none of our Central students will shirk their duty during this bond drive.

This Friday nite will offer the first club dance to be given in the Palais Royale in quite a time. The COMETS are putting on a dance there. Del Rene will play. This should prove to be a dance well worth going to.

The rest of the column will consist of a ballot for an all-star band. The ballots must be turned in a week from this coming Friday. In order: that an accurate opinion can be tabulated, it is necessary to have many ballots. It will take only a minute to jot down your favorite musicians. Then just cut or rip out your ballot and put it in the Interlude box.

Vim, vigor and vitality — that's Betty Lou McCarthy of home room 224. Possessing long dark hair and blue eyes, she's quite a picture. Being vice president of the S. P. U. R. club, treasurer of the Senior Class, and working on the Interlude year book keeps her rather busy.

Chocolate ice cream and the color red are tops with Bet Lou. She enjoys most sports; sailing and basketball heading her list. She adores dancing, driving a car, reading novels, and playing the piano. Speech and creative expression are her favorite subjects. This vivacious lass is all for Central High and likes good school spirit. Here it comes — she likes tall, friendly boys!

People who are snooty and conceited don't rate very high with her. Her antipathies include alibies, strawberry malteds, and boys who are too slushy and show off in public. Betty Lou is headed for Purdue next year to study to become a child psychologist. If she pursues that career as she does everything else she undertakes, she is sure to make a big success of it.

Who, in your opinion, would be an ideal date?

Doris Krathwol: "Lee Brazy, of course." (Now if I don't get a date with him—)

Betty Jo Christian: "Elmer Fudd." (Hubba—Hubba.)

Joan Shively: "Fred Wegner."

Bob Sellers: "Any S. P. U. R."

Chuck Eldridge: "Miss Semortier."

Don Shaffer: "Yvonne DeCarlos."

Barb Drollinger: "Tom Kuball."

### OUR LAST GAME

Our football season closes Saturday with Roosevelt High School of East Chicago. This game will determine the winner of the Northern Indiana Conference. The last time Central won the Eastern Division Championship was in 1940. That year we played Lew Wallace of Gary and won our last conference tilt. We want to win again this year, but whether we win or lose, Central's team has done exceptionally well and deserves our highest praise. Several of our boys will be playing their last high school game. If they choose to attend college after high school graduation many of them will have an excellent chance of playing more football. Whatever they choose to do we wish them the best of luck. Let us all support our team in this their last game. Our spirit this year has been the best ever. Let us continue to support our boys until the very last minute. They deserve it.

### BEARS FIND REITZ ROUGH AND TOUGH

Coach Jim Crowe's Bears have tough times when they take to the road, while around the city they are feared like a dangerous plague of some sort. It's not the games away from the city that determine the position the Bears will hold in the conference standings, but they do make the team look pretty bad if they do not deliver the goods in these contests. However, the Bruins are still the Eastern Division champions despite their close 6-0 loss at Reitz of Evansville last Friday.

Two games have proved to be heart-breakers for the Bears during the season, due to passes. A pass in the last 15 seconds of the Washington game caused the Bears to tie, and at Reitz a pass that was twice deflected was the fatal play for the Bruins. Evansville heaved a pass which just slid off the fingers of the receiver and "Posey" Flowers deflected it into the arms of Jerry Schukraft who carried it over for a T. D.

#### Bears Threaten

Central opened a drive right after this touchdown, but when they reached Reitz five-yard line the Panthers pushed them back. In the fast fading seconds of play Reitz intercepted a pass and raced to the Bears' eight-yard line. They then moved it to the three, but the Bears held on with all they had. Touchdown hopes ended for the Panthers when Flowers intercepted a pass just as the gun sounded.

The Bears had a plenty good season as everyone knows. They really had some tough breaks, while on the other hand they have had some pretty good ones. There is one big contest remaining, in which the Bears will have to fight if they intend to achieve victory. The game last Friday was a rough and dirty one. If it is typical of Western Division teams to play ball in this manner, the game Central has Saturday against Roosevelt of East Chicago, who are the Western Division Champs, ought to prove very interesting not only to Central, but to all the schools in the city.

## BEAR FACTS CUBSKIN

The football squad dropped another ball game last Saturday to give the Bears a 6 won, 2 lost, 1 tied record for the scheduled season, but after a little informal gab with Coach Crowe, things were pretty well cleared up as to the reasons for the Bruins' second loss. "Jim" said that hardly anybody realized that Central played one of the toughest schedules in the state this season. They played the Kentucky state champs, last year's Indiana state champions, the Chicago Suburban League champs, and four teams that were rated as among the best in the state by the United Press sports writers' poll, Mishawaka, East Chicago Washington, S. B. Riley, and Evansville Reitz. Just fix your eye-balls on that schedule, and you can see that it's a small wonder that our team has come through in such fine style as it has.

We played Evansville Reitz after about six days rest following the rugged Riley tangle and then had to travel 300 miles to play the state's tenth ranking ball club in two inches of sloppy mud, is asking too much of any team. (The Reitz boys were big, rugged, and oh yes, they played plenty rough too, especially against our colored fellows. Perkins and White, who are well liked by all their fellow team members, and who are fine ball players, took a pretty bad mauling from the big Reitz lads. There wasn't a whole lot to do about it as Crowe didn't want them kicked out of the game for unnecessary roughness.)

oOo

Basketball tickets are being sold by various clubs in a sales campaign which ends Nov. 21 at 4 p. m. Give support, you studs. The hardwood season is just around the corner.

oOo

The game with Louisville Male high was played under most adverse conditions for the Bears but at least after the game the local police did not give the home town crowd protection while mauling the Bear coach as did happen at Evansville. Probably Central should avoid scheduling Reitz in the future.

oOo

Too bad that "Jake" Nawrot got hurt in the Riley game. Nawrot at his best was surely needed in the Evansville fracas.

oOo

Congrats to Duke Meyers for his sparkling play last week.

oOo

Central has been beaten and tied this year in two games through some very lucky passes—Bob Robertson's long heave in the Washington game and Shukraft's lucky catch in last

#### Friday's tussle.

oOo

Don't forget your tickets for the annual Football Testimonial banquet for the Central Bears to be held this coming Monday evening in the Oliver hotel. The meal is to include turkey. The principal speaker will be the Big Ten Commissioner "Tug" Wilson. The banquet is being sponsored by the Smilers club.

oOo

Well, that Reitz game is old news now and we're looking forward to another gruelling contest this Saturday. (Cont'd on page 4, col. 3)

in the state, and going through their regular season undefeated, this game for the N. I. H. S. C. Championship promises to be a great contest between two great teams. I'll be expecting to see ALL of you local Central fans out at the game, cheering like mad for our football squad, who even though they've lost two and tied one, can not be praised too highly for the honor they have brought to Central through their fine playing and great sportsmanship.
