Model Club Formed

The Central Model Airplane Club is being organized at the present time under the sponsorship of Mr. S. M. Pierce of Room 14. Students interested in building or flying model planes should sign up for membership in the organization soon. An exhibit of different types of model planes is being shown now in an exhibit case in the main hall.

Contributions Urged

Central students are urged to contribute to the annual March of Dimes campaign for the battle against Polio. During 1945 there were 203 cases of this disease in Indiana and in St. Joseph county three cases were reported. It is noted that the contributions of the people of this country will make possible a fight against Polio greater than ever.

Consider Student Court

The Student Council in their meeting last Monday considered the advisability of having a student court. All senators are to discuss in their home rooms the ideas to see what the students think concerning it. A vote will be taken in the meeting next Monday. The measure is provided for in the constitution of the Student Council and if adopted, a committee will be appointed to define the field of jurisdiction and decide upon procedure and penalties to be imposed.

Teaches Aids Course

Assistant Principal Merlin Richard has announced that he will teach a course in audio-visual aids here at Central beginning February 7. These lecture courses will be taught for ten successive weeks all on Thursday in room 114 from 8:15 to 9:30. The courses are for teachers, business and labor men, and those interested in youth organizations.

Teacher Attends Board

Miss Edith Spray of the Central English department and a member of the Indiana State Board of Education has been attending recent meetings of the Board in Indianapolis. The Board is, according to Miss Spray, now preparing a bulletin on "Teachers' Education and Certification." This bulletin will serve to better acquaint administrators and teachers with developments in the field of teacher education.

Withdrawals Decrease

Assistant Principal Merlin G. Richard has recently released facts concerning withdrawals at Central during the last ten years. Of a total enrollment in ten years of thirty thousand 4,001 have withdrawn in the same time. Withdrawals have doubled in the last ten years, the increase occurring during the war years mostly, or an increase of 9% withdrawals to 18% in the war time. Of this 18% war withdrawals 6% came from sickness or moving or unpreventable causes, while the remaining 12% withdrew because of lack of interest, over sixteen years of age, or lured by the war and work. The low year for withdrawing was 1937 with 4.9% quitting, to a high in 1944 with 12.6% leaving school.

Mr. Richard, however, noted encouragement in withdrawals in that a decrease from 12% to 9.6% of those quitting has occurred in the last four months.

To Hold Debate Assembly

Mr. Glen Maple, debate coach, announces that on February 6 and 7 the members of the debate team will engage in a debate in the auditorium for an assembly. On Wednesday, February 6, Naomi Barcus will present Daniel Bernhardt and Charles Eldredge of the "B" team affirmative who will debate the Mishawaka negative in the assembly. At the same time James Gleason and Don Looten of the "A" team negative will debate the Mishawaka affirmative in room 114. Lorene Richardson will present the "B" team negative, consisting of Dave Gilmour and Dorothy Grusczyński, who will debate the Nappanee affirmative on Thursday. While they are debating, Nettie Orlein and Virginia Norris will debate the Nappanee negative in room 114. Each side will present two speeches in the assembly, or a total of four, and the rebuttals will be given in a classroom.

P. T. A. MEETS FEBRUARY 6

On Wednesday, February 6, the P. T. A. of Central will meet in the Little Theater at 2:30. A panel discussion on the subject, "The Responsibility of the Home to the School," will be conducted by Mrs. Harvey Reed, chairman, Mrs. Frank Nolan, and Mrs. O. H. Mienter. Mrs. Robert M. Selle will conduct the candle lighting and the devotional period. A tea, sponsored by the 10th grade mothers, will be served in the cafeteria here. General chairman for the event is Mrs. Peter Gadowski.

JOIN FORENSIC LEAGUE

Mr. Maple announces that there are more new members for the National Forensic League. The following have met the requirements for membership in the N. F. L.: Dorothy Grusczyński, Dave Gilmour, Charles Eldredge, Lorene Richardson, Nettie Orlein, and Dan Bernhardt. The two latter have met requirements for a degree of honor. The old members have been given advanced degrees. Don Looten, James Gleason, and Virginia Norris each received a degree of excellence and Naomi Barcus a degree of honor. All of the debaters are members of the League.

Family Most Influential

The family exert the greatest influence on the thinking of high school students. Second strongest influence is magazines and newspapers. These facts are revealed in the latest survey of the Institute of Student Opinion, a national polling organization sponsored by Scholastic Magazines. The survey question, voted upon by 101,548 high school students in 1555 junior and senior high school, and the percentage results are as follows: "In your opinion, which of the following influences your thinking to the greatest extent?"

Parents and other members of my family (38%); my school teachers (5%); my close friends (11.5%); community and student opinion (6%); magazines and newspapers (17%); radio (10.5%); movies (3%); school books (1%); don't know (3%). The poll was conducted in Central High School by THE INTERLUDE.

Poll number 12 for January 1946 is being conducted at Central in the social studies classes this week and the results of the local survey on this new poll follows next week in The Interlude.

CLUB COLLECTS CLOTHING

The French Club has been collecting clothes for the "Save the Children Federation." So far only the members of the club have been contributing, which is not enough, and all Central students are urged to bring all their old and unusable clothing for this drive. This is a thing which most of Central's students should not find difficult to do. A spokesman for the Cercle Francais says: "What has been done is only a drop in the bucket, but every drop counts. Let's clean out our closets and share our supplies with our friends abroad." So far two hundred pounds of clothing has been sent from Central.

NEW SENATORS ENROLL

Six new senators have enrolled in the Student Council. They are: Jack Sonneborn, 303; Kenneth Beckman, 14; Patsy Shaw, 311; John Bianco, 24; Pat Altgelt, 116; and Clyde Williams, 116.

CENTRAL BEARS PLAY ELKHART TOMORROW

Tomorrow night the Central Bears will be the guest of the Elkhart Blue Blazers on the latter's floor. Just how good a host the Elkhart boys will be remains to be seen. However all Centralites hope the Blazers are polite and allow their guests their way.

Up to the time Coach John Longfellow's boys have made things rather rugged for teams in the Eastern Division. With a perfect record behind them the Blazers are rather the No 1 team in the state. In this strong Elkhart squad are regulars like Jim Swartz, Bill Kern, Ed Hoffman, and for a substitute they have Dick Brown. Brown set a new conference scoring record last week against Nappanee. The Blazers defeated N. S. Fort Wayne and Riley, while Central lost to both of these teams.

The Bears are getting better all along. With boys like Adams, Perkins, Ring, Temple and McCarthy, they are bound to give Elkhart plenty of trouble. Central also has Flowers, Bond, and Henderson as very able reserves. The Elkhart-Central game is usually a rough one and this season's edition may be no different, at least it will be bitterly fought by both contenders.

Central will send a sizeable delegation to the fray.

ASSEMBLY PRESENTED

Last Tuesday morning representatives of the various clubs and schools presented an assembly to the new Central students. James Gleason, president of the Student Council introduced the speakers, Miss Estelle Ellis, social chairman, was introduced, and the cheerleaders concluded the assembly with some Central yells. Representing the feeder-schools were: Nancy Dodge from Muessel, Lee Mills from Linden, Rennata Hess of Oliver, Bill Jensen from Perley. Clyde Williams represented Central. Representing the clubs were: Anne de Pew, G. A. A.; Jim Pier, Hi-Y; Bob Reinold, Jr. Izaak Walton League; Bill Mapel, Ushers; Don Kuespert, Magicians; Tom Brademas, Barnstormers; and Charles Eldredge, Student Forum.

CONGRATULATIONS

We believe that the Central student body deserves a pat on the back for the fine way they have conducted themselves in the assemblies during the last semester.

In past years we have had a number of occasions when certain groups completely disrupted assemblies and changed the half hour of entertainment to a half hour of drudgery.

We believe that the speakers of the assemblies last semester were well received by the student body. Their messages were clearly understood and all due courtesy was given to them.

Let us try to keep up this fine record this semester and even try to better it. It's up to you, Central!

CONSIDERATION FOR DEBATING

Of all the subjects taught in school, probably the least understood and studied is debating. When you mention debate the majority of high-school students will ask you, "What is that? What does one do," etc. Then, after having the subject explained, they will give a groan or grunt and change the subject as soon as possible.

The debaters of Central have made a place for the school in debate circles of Indiana. Whether the students know it or not, Central is one of the top-ranking schools in the district for her debating. There are trophies in the hall which were won by Central's debate team and of which we should be justly proud.

There are attempts to acquaint more students with debating through intramural debates every year. Many students enter these and learn a great deal. However, there are too many students who know little or nothing about debating.

The team is out to take the state title for Central this year. They would like and could use more support from the student body. How about it, Centralites? Let's get behind that debate team of ours and help them win the state championship.

DOES THE SHOE FIT?

Description: A basketball enthusiast, slightly over-confident, a bit too loud, and very rude.

Offense: Creating an unfavorable impression both for yourself and against other schools at the games.

Central wants the respect of other schools and also a reputation for good sportsmanship. We don't want to be disgraced by a few who have bad manners.

Check up on yourself and if you answer this description, do something about it before you and Central lose some friends.

BAD MANNERS IN THE CAFETERIA

What's a person supposed to do to get something to eat around Central? You can break your neck rushing down from third hour class, but just when you think you might get a peek at the food, about fifteen students squirm in the front part of the line and there you are—right back at the door where you started. So let's get together here and take our turn as it comes.

ON THE RECORD

Almost all of the activity around school seems to revert directly back to some phase of the Senior Revue, "Have a Heart." I've been checking up on and messing with the Revue enough to know that it promises to be one of the best in the history of Central. Now that covers a lot of ground but I think I can back up my statement and prove to each of you that "Have a Heart" will be something you don't want to miss. In many of the years before the Revue was produced with the aid of a written script, sent from the publishers, and sometimes lacking in the thing that Central's best Lotharios were best in. There won't be any trouble like that this year, because the entire script has been written and edited by Mr. Casaday and Mr. O'Hearne with the help of many students. The plot was worked around the songs which could be done best by the student material at hand and it is this fact which spells success for the Senior Revue of 1946.

Many of the numbers which will be staged will be well known to you. "Tico-Tico," "Thou Swell," "Sweethearts," "I Love You" and "The Lady is a Tramp" are only a few of the fine songs to be heard in the Revue this year.

The Revue will be an asset to Central and will be the finest production staged in any nearby high school this year and I know you students will get in there and make it a success.

—Ned MacWilliams.

We want you to meet Bob Adams: 6'1" (almost 2'), blue eyes, brown hair, and with a cute nose that turns up at the end. Bob, the revered captain of our basketball team, likes all kinds of athletics.

Definitely Mr. Personality-Plus, Bob is well known for the throngs of girls usually in his wake. When asked if there were any traits he particularly likes or dislikes about girls, he replied that he likes them just the way they are.

Although he has not decided upon his goal, he is not without ambition and is considering Purdue as the institution for his higher learning. When, and if, he goes there, he expects to take part in all sports, athletics being his main interest at present.

Things definitely to his liking are meat (steak in particular), and the color brown. Among his few dislikes are nuts and green.

Good luck to you, Bob Adams! We know you'll always be successful and a credit to Central.

I think that I shall never see

And then we still have Cookie Fink in everyone's Mind. (Who could we mean?)

And do all you kiddies know what you are going to miss if you don't see the revue. With an all star cast it ought to be pretty good.

What is this Herman-Dawson deal?

Now don't tell your Aunt Verie that Pat Barber and Bob Stansbury broke up again!

SAGA OF THE SOPHOMORE B

Lizzie, Tizzie and Dizzie were three little sophomore B's starting their three years of high school bliss at Central. On the first day they staggered wearily down her halls, drinking in with young, bewildered eyes her solemn dignity.

"Hey drip — you're going up the wrong stairs" — is the polite and helpful remark that greets them.

"Gee, Lizzie, isn't this thrilling? Just think, they have a swimming pool for us to use anytime we want to."

"Gosh yes, Dizzie, and a juke box in the gym. I just love to dance."

"An' the Morningside's just across the street. Why we can run over between classes and get cokes. You know they give us five minutes to run around."

"Hey do you know who I just saw? Sigh-h-h."

"No, Tizzie, who?"

"I think it was Bob Adams!"

"Well, who's he?"

"Don't you know? He's captain of the table tennis team!"

"Oh, of course, Diz, don't you know him? He's an athlete and such a brain too."

"Hey, look guys, there's Suzzie! What's the matter with her? Doesn't she even know which side of the stairs to use?"

"Oh some people are just naturally dumb, Lizzie."

"Well, goons, I'll be seeing you. Where are you going, Diz?"

"Oh, I have gym next hour!"

"Well, you'd better hurry, you only have half a minute!"

"Why hurry? The gym's right here behind the auditorium."

"We'll see you then. Hey, Tizzie, wait up! Are you going to J. Roy Smith's too?"

"Yes, it's on the fourth floor so we'll have to take the elevator if we're going to make it! Hurry up!"

When Cupid leaves his mark he generally Mrs. it.

Who, in your opinion, is an ideal student at Central and why?

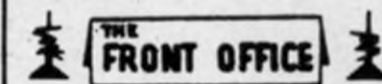

Betty Smith: "James Gleason. He looks so business-like with his brief case."

Ned MacWilliams: "Jerry Jones; she's so attentive to her studies."

Charles Eldredge: "Johnny Spears, because he does so much home work."

Nettie Orlein: "Don Looten, because he works so-o-o-o hard (ha, ha)."

Howard Johnson: "I agree with Nettie."

OUR NATION'S TROUBLES

As we look about us we see much confusion and unrest. We are passing through a period of adjustment and many problems confront us. These problems have been brought to our attention because of the nationwide strikes and the conflicts between management and labor. Probably these upheavals could not have been prevented because they are natural consequences of a great war. However, we should not lose faith. Our nation has survived many such crises and it will survive this one. No doubt we will emerge all the stronger because the foundations of our democracy are sound. You, as young people, should strive to know the causes of these problems and to try to understand possible solutions. The interest which you show now will help you later in arriving at proper conclusions. Try now to face these questions broad minded and without bias. It is only in this manner that the proper solutions will be found.

BEARS FIND MAROONS NOT TOO TOUGH

Coach Johnny Wooden's Hardwooders conquered the Mishawaka Cavemen last Thursday night in the John Adams gymnasium, 55-49, in a N.I.H.S.C. contest. Bob Adams established a new conference scoring record which, unfortunately for Bob, was short lived. Elkhart's reserve, Dick Brown, took the honors away when he scored 30 points against Nappanee the next night. Adams sunk 26 points.

The Maroons jumped into the lead 2-0 as the game opened, but once the Bears got control of the ball it was their game. When the first quarter ended Central led, 12-9. The Bears had a 21-12 lead in the second quarter, but Cavemen, Early, Vilosky and DeReeve lit the hoop for one apiece, and cut the lead. The score was 24-21 at the half, Central on top. The Bears added 17 more points in the third frame while the Maroons annexed only nine.

The Bruins held a comfortable lead at the beginning of the fourth frame. As the final gun sounded, the Bruins were ahead 55-49.

Much credit should go to Jerome Perkins and Bob Temple. Dick "Posey" Flowers took fourth place scoring honors with two field goals. Perkins and Temple had 12 and seven points respectively.

The Central Cubs beat the Mishawaka seconds, 25-21, in the preliminary.

The box score:

Elkhart's Blue Blazers seem to be about the strongest team in the state and are still out in front in the eastern division of the Northern Indiana conference basketball race by virtue of seven victories and no defeats. The Elkhartans' remaining conference opponents are Central, Goshen, and Adams. They are assured of a first place tie at the least even if two of these ball clubs down the Blazers and that seems to be a formidable job as only one net squad, Hammond Tech, has been able to do it so far.

Central, Riley, and LaPorte were currently in a tie for second place in the conference, but if Central beat Washington's Panthers last night they will be in undisputed second for a couple of days at least. The Bruins have their two toughest opponents still to face in conference competition. They are Elkhart's Blazers and Laporte's Slicers. All in all, it looks like the conference race will be a tight one right up to the wire.

HI-Y SPONSORS DANCE

You say you want to have a good time? You say you want to laugh? Well the place to go is the Hi-Y Swing Heart Sway, at the Palais Royale on February 8. The dance lasts from 9:00 till 12:00 with Ted Gallagher's orchestra to supply the music. The best part of it is that tickets are only \$1.20. Isn't that swell, fellows?

In addition to good music there will be a comedian featured, George Campbell, who is very talented and will keep you roaring every second. There will also be a door prize and a Grand March which will begin at 10:30 p. m.

The committee heads for this eighth annual St. Joe County Hi-Y dance are as follows:

General Chairman: Dick Ramhay, Riley; **Publicity:** Bob Dietu, Adams; **Patrons:** Dick Leviton, Riley; **Tickets:** Tom Smith, Central.

This dance, we are sure, will be a success. No flowers will be allowed and no tickets will be sold after February 6th.

I hope to see you all at the Swing Heart Sway.

—Fay Bihary.

CORRECTION

The names of Richard DeFreuw, George Medich and Rebecca Anton were inadvertently omitted from the first and second honor rolls, respectively, in last week's Interlude.

OLD MAID'S PRAYER:

"Lord, I'm not asking anything for myself, but please send my mother a son-in-law."

—Breeze.

The Parson was deploring make-up by saying that the more experience he had with lipstick the more distasteful he found it.

—High Tide.

VERIE (Cont'd)

The same old story: Lawton-Glaser, Kuball-Drollinger.

Dorothy Gurszynski is quite moon-eyed lately over a certain Benny. Now who is Benny, Dorothy?

Why do Fred Bennett and Jim Holmes try to keep in the background so?

And then there's always Ginny Norris and her Johnny.

Pretty sharp contribution from Muessel is Diane Helmick.

MOON ON THE LAKE

By Barbara Mahler

Black is the night around me
With patchwork stars that blink,
Full orange moon is creeping up,
The water reflects a wink.

The breezes blow with softness
Waves splash o'er high boardwalk,
This night was made for us alone
As strolling arm in arm, we talk.

CHICAGO

By Virginia Baim

Crowds of people soaring by
Tall buildings fill the sky
Flickering, colored, gleaming lights
Beckon you to all the sights;
Apartment houses row by row,
There isn't room for trees to grow.

A clear blue lake that reflects the sun
Provides the children with loads of fun.

This city of a million things
Holds everything that life can bring,
Filth, romance, and beauty, too,
Out of these Chicago grew.

HARMONY

By Gerrie Buhler

How happy can a person be?
How high can one's hope soar?
So high that one can rarely see
Their "dislikes" not in harmony . . .

Let us not think of "disliked" things,
So morbid and so blue;
Let's think of "likes" . . . the joy it
brings
And when you do . . . your heart it
sings.

ONE DIRECTION ONLY

"Mary, why didn't you wash that window?" demanded the lady of the house.

Mary: "Sure, and I did wash it on the inside, ma'am, so we could look out, but I thought I wouldn't wash the outside so those curious people next door couldn't look in."

—Tattler.

Coach: "Calf?"
Sam: "Fourteen inches."
Coach: "Thigh?"
Sam: "Twenty-six inches."
Coach: "Neck?"
Sam: "You betcha!"

—Pep O'Plant.

CENTRAL WINS THIRD STRAIGHT TANK VICTORY

By taking first place in five out of eight events, Central's tank men sunk Hammond High last Saturday, 5-31, for the Bruins third straight tank victory. The visitors also piled up three seconds and one third to nose out the powerful Wildcats. Once again the medley relay team won, to decide the outcome of the meet. Lockwood was the deciding swimmer in this relay for after starting with the Hammond swimmer, he pulled ahead by about 10 feet to give Sechowski a nice lead for the remaining 60 yards.

Results:

40-yard free style — Pellar (H); Parshall (C); Beckman (H). Time :21.4.

100-yard breast stroke—Lockwood (C); Capps (H); Hess (H). Time 1:21.8.

220-yard free style—Day (C); Makielski (C); Routa (H). Time 2:52.5.

100-yard back stroke — Parshall (C); Cooper (C); Steffen (H). Time 1:17.2.

BEARFACTS (Cont'd)

A letter reached our desk last week from New York city indicating Central's Bears as the ninth best team in our state. These Coca-Cola - Dunkel ratings released by the Scholastic Sports Institute placed Evansville Bosse as the top Hoosier quintet.

oOo

Personal to Riley's Wildcats:

Have you taken notice of John Adams' record of eight wins out of their last ten games? You beat Plymouth 49-46 and a few days later the Eagles thumped them 53-42. Don't forget this, as you meet the East Siders this Saturday night.

oOo

Bob Adams, the contending conference scoring leader with 110 points, set a new record of 26 points against Mishawaka. He held this record for 24 hours as Dick Brown of Elkhart poured through 30 points against Nappanee for another new record.
