## Central-Mishawaka

Commission Meets
To Discuss Vandalism Prevention In Future

Answering the challenge made by he local school authorities, a com mission of Central and Mishawak students met in the Mishawaka High school, Monday morning. November 10 , to discuss steps to be taken
prevent in the future any rivalry dis turbances such as those that occurre before and after the Mishawaka foot ball game this y
placed on either school, the commis placed is striving to find the deficiencies in both schools that caused the student vandalism. Suggestions wer made that both schools might have uniform pre-game activities such as
parades and pep sessions which have parades and $p \varepsilon p$ sessions which hav the Mishawaka game. Other statements made by the commission tended that the two schools are not well enough acquainted and possibly tablishing better attitudes within both student bodies.
Whatever plans are attempted, the idea in back of them is to promote the feeling of good sportsmanship in the mind of the individual student. This is considered most important not only when Central plays Mishawak in football, but when Central and

## WELFARE AGENCIES VISITED

Scannel, Fred Fishbach and mysel from Central High School were taken on a tour of several welfare organ izations last week. With us were high schools.
Our first stop was at the Circle of Mercy day nursery. This home sponsored by our Community Chest and receives four thousand dollars year. The children are left there by their mothers who work days and cannot be with their children. The home charges from twenty cents one dollar twenty cents each day. The children have diet planned meals and morning and afternoon naps Mrs. Nowicki is the supervisor and seemingly a very efficient woman.

The children have minor responsibilities like garden work. If their mothers cannot pay for their care they receive the same attention as the other children. Their training in
the home consists of short stories, music, dancing, and singing. We then went to the Goodwill Industry, established in 1936, where they employ handicapped people and have thirty-eight on the payroll. The people are handicapped with many hardships such as deformed bones and heart disease. Rev. Knight is the supervisor. The Goodwill Industry each year from the Chest. Their employees make chairs, dolls, etc., and the industry earns about thousand dollars
We also went to other places such as the Visiting Nurses Home and the Children's Dispensary. These too, were very worth while organizations. Altogether there are twenty-one give very generously to this drive give very generously to this drive.
South Bend has set a goal of $\$ 347,000$. These "Red Feather" organizations need our money very badly.

## SKIPPING DOWN THE LADDER

Before you "skip" school think it over and consider what will happen if you do. Will it aid or hinder you in your work? It certainly will not help you make your grades or advance you any further in your plans for the future. Truancy will only put off what you have to do for the day until the day, it will not eliminate it. Remember the old saying, "Never put off until tomorrow what you can do today

Be honest, truthful, and wise. Think of your grades, yourself, and your all important future. Don't let that word "truant" mar your record. When it comes to getting a joh your high school record plays an important part in whether or not you are chosen.

In the future when you are holding a responsible position, "skipping" your job will not be tolerated by any employer. Therefore, why start a habit now that will always be detrimental to you?

## NO TEARS NEEDEI)

Well, those grades for the first nine weeks have come and yone. You may be proud of them or you may want to throw the report card away. In a way, you can do this. Those grades aren't permanent. You still have another nine weeks to make up your final grade that will follow you, via the record sheet, all the way through col lege and later. Now is the time to dissolve your grade-gripes and to plan for the next nine weeks. To raise your grades, here's a bit of advice. Besides just carrying your books home each night, open them at home and do some studying. You'll enjoy your classes so much more and consequently, you'll eliminate burning that midnight oil before exams.

You say that the new fashions look way, yes, Fashion moves in a cycle. But these new styles with the fall skirts and longer lengths can be flatcring to you.
The full skirts are preferred in corduroy, wool or gabardine. Cashmere sweaters in light pastel shades complete a becoming school outfit
Wool sport dresses are taking the place of Sloppy Joe sweaters in the classrooms. Soft plaids and iny checks are a favorite.
Neck scarfs have come rapidly into style. Scarfs with sweaters, blouses and suits are now very popular. Then too Peter Pan collars still remain a favorite to every girl.
Popular school shoes among the girls are saddles, loafers, Joyces and sandles. Argyles, cable-stitched and angora anklets are worn with the shoes.

In this column we have tried to show you some of the latest styles in girls' fashions, Next week we will feature boys' fashions.

## "TWELFTH NIGHT"

The Barnstormers, under the diection ol $\mathrm{M}_{1}$. Casaday, are present ing "Twelfth Night" on Thursday and Friday of this week. This production is one of the more popular of the Shakespearean plays. It is not often presented by high schools and Central students are fortunate in that they will have an opportunity to see a play of this character on our stage. The stage productions at Central are always cutstanding. Mr. Casaday has no superior when it comes to He has won for himselif an enviable reputation as a producer and director. Those who work with him appreciate the fact that he demands the best of everyone and generally gets

## W O W !

The Central High School football eleven salvaged next to last place in the Northern Indiana Conference, by exploding in the faces of a bewildered North Side Fort Wayne team, to gain a decisive $40-0$ victory on School Field turf, last Friday evening.
This victory was the Bruins first and only conference win of the season, and also accounted for the greatest score rolled up by the Bears in a single game this ycar.
a single game this ycar.
The Bear line play was outstanding in this tilt, with gaping holes opened up in the right side of the line by Pat Hagerty and Bob Neeser. Capt. Jack Guthier and Bob Hepler lead the line in the defense department, by breaking into the Fort Wayne backfield several times and throwing the Ft. Wayne backs for sizeable losses.
In the backfield Bob Wisniewski and Wayman Redding took the scoring honors for the Bears, both tallying two times.

Blocked Punts
Central jumped into the lead early in the first quarter, after end Ernie Bond blocked a Ft. Wayne punt on the visitor's 13 -yard line. After three unsuccessful running plays, Redding streaked over from the 14 -yard line. Kowalski's try for the extra point was good.
Ernic Bond, playing heads up football, blocked another Fort Wayne punt in the second quarter, which set up a second Bruin touchdown. Central drove 21 yards to score, with Jack Morrical plunging over from the six-yard line. Guthier's conversion for the extra point was good.
In the dying minutes of the first half, Central launched a 50 -yard drive which accounted for another T. D. Wisniewski plunged over, making the score $20-0$ at the half. On the opening play of the second (Cont'd on page 4, col. 1)

## BEAR FACTS

With just one more week between them and their opening game, Central's varsity hardwooders are bearing down during their daily practice sessions. The Lebanon five the Bears will meet next Friday already will have some 1947-1948 experience under their belt3, and will be out to avenge the $34-28$ defeat the Bruins handed them last year. Coach Primmer, in his second year as head coach, is building an offense designed to utilize the commanding height Central will possess this season. Topping the "sky-scrapers" are John "Big Ben" Davis, a sub last year, and Pat "Moose" Hagerty, who missed last season because of illness. Both ane six feet-four, as is Russ Hosler, a senior who is playing for Central for the first time this year. Dave Coquillard and "Zeke" Neeser are both six-two, while Emie Bond, around whom the team will be built this year, can make six-one if he stretches a little. Bond is the only regular back from last year's great team, which won 23 and lost 5 . John Mull, five-foot eleven-inch forward, is the biggest of the small boys, including Bill Balok, Gene Olson, Connie McCaw, Jack Morrical, Carman Chapman, and "Chuck" Beyrer. Bill Wilson, Andy Toth, Ralph Grams, Reggie Tisdale, and Jim Parks round out the varsity candidates who are out at present. "Red" Santa, a sub last year, will be ready as soon as a large boil on his leg heals sufficiently to allow him to get in the required ten practices.

The Bears are going to miss the five seniors who did so much to mold last year's successful record. Guards Gene Ring and Jerome Perkins, who, along with Bond, provided the main scoring punch for the Bears, have left the scene through graduation, as have Roy Jensen, Dick Flowers, and George Clauson
poor investment if crowds didn't surpass the handful of spectators who braved the northern blasts to see the Bruin-North Side tilt last week. Of course, the weather was "sorta" cold, just a little bit, maybe, but it would a little to see the Bears romp all over a little to see the Bears romp all over the field. The people who did turn up were the hardiest of Central rooters as shown by the school spirit they displayed. Might be, though, that all their jumping up and down was just an effort to keep from freezing solid. (Cont'd on page 4, col. 5)

With the falling of snow comes the launching of the Central wrestling team on another season of competition. During the war years, wrestling was discontinued and was not resumed until last year w turning of Coach Jones.
Last year the grapplers lost all their meets, mainly because of inexperience. However, as the season progressed, our maulers improved neatly in the "bend 'em and break 'em" game. Four of the Bears walked oft with second place and one with third place honors in the conference meet last year. These matmen were Kowalski, Baumgartner, Solander, Hep ler, and Seach, respectively.
One factor high in favor of the 1947-48 Central squad is that all the men from last year's team will again be on hand this year. Besides the returning five lettermen mentioned above there are four others: Siyer:, Greer, Wrezin, and Guthier out as candidates for the squad. Central has a very rugged schedule ahead of them this year including such tough competition as the reigning state champion, Washington of East Chicago and the state runners-up, Rooseve of East Chicago.
Coach Jones requests that all freshmen boys who are interested in wrestling and whose weights fall between 95 and 115 pounds, should see him this week.

## Intramural Basketball

Once again the Intramural season at Central is about to get under way This time the Junior Walton League Trophy will be the prize for the winners of the round-robin play who will be able to proudly display the Trophy.
First games on the round-robin schedule will be played at noon, Monday, November 17.
