

REPRESENTATIVE = YOU

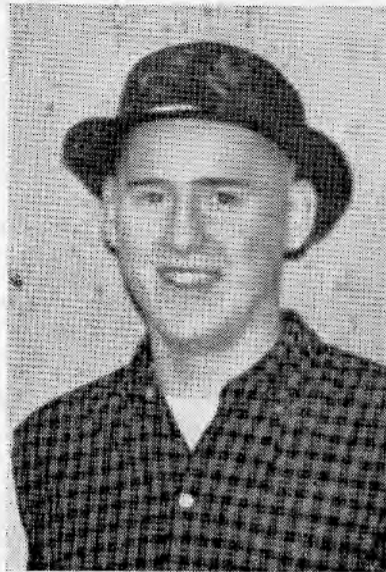

REP REPRESENTS YOU!
It is the belief of the **Representative** Party that a Student Council is run by the students, and that its purpose is to work for the students.

In the past three years under the direction of the **Representative** Party the activities in the Council have increased in number and importance. Here are a few of its most significant achievements:

The Council under **Representative** leadership has published two Student Directories. A football rivalry with Adams was created. The Council initiated Freshman Orientation Week and published a Freshman Handbook. The reactivation and strengthening of the Central Chapter of the National Honor Society is another achievement. The Intra-City Student Council which is sponsoring a Student Exchange Day was established. Revision of the Constitu-

tion and class elections was carried out.

The American Field Service has been supported by the Student Council and from now

on will exist as a separate organization. This is an example of growth under **Representative** government.

It has been the policy of the

Representative Party to support the activities of all school functions such as selling Barnstormer and football tickets. In addition to this,

Representative has always tried to adopt the best planks in the opponents' platforms.

So **VOTE FOR REP, THEY REPRESENT YOU!**

Pioneer... Works For You

This year the Pioneer Party is a combination of a previous popular party and the Pioneer Party. Its meetings were open to all the students who wished to know anything about the party. The backers are very important to any party in order to run a successful campaign and election. This year the backers shared the responsibility of running the party. Pioneer feels that if elected, the candidates will show no partisanship and will truly give the students a better Student Government. Be sure to compare the candidates and platform of the Pioneer Party and you will undoubtedly want to vote for the party which will do more for all the students. That's Pioneer!

Dale Matthews for President

For the presidency of the Pioneer Party we present Dale Matthews. We have found Dale capable for this office from the past experience in school affairs. He is now rep-

resenting the Junior Class as Vice President. Being a member of the Honor Roll since Junior High with a ninety-two average hasn't hindered Dale's activities in the least. He has received many honors in the past. Some of those are: all conference and twin city football honors, participation on wrestling, baseball, and swimming teams to mention a few. Also, Dale has been a Student Council, Booster Club, and Foreign Exchange representative for the past two years. A member on the Junior Prom and Basketball Courts are a few privileges in which his classmates have chosen him to represent them. He is now serving as chairman of the Junior Prom Program Committee. Our candidate is also popular in outside activities as he is Vice President of his youth group at Mt. Pleasant Church. All this added together shows that Dale will make the best Student Council President.

Jim Love for Vice President

Jim Love, our candidate for Vice President is well known to the students. To prove his ability for this office we should mention that Jim served as Treasurer for his Freshman Class and was elected as President of his Sophomore Class. In addition to being on the Junior Prom Committee, he is a Student Council representative. He is also on the Junior Prom Court. His reliability earned him the position as general chairman for the Sophomore Dance. Being fascinated by sports, Jim has participated in football, wrestling and track for three years. He is also active in M.Y.F. at his church as well as being in the Church choir. All this explains itself as to why Jim was chosen to run for Vice President.

Janice Kreps for Secretary

For the office of Secretary we have selected Janice Kreps. Janice has proven to be acceptable for this office as she has been secretary of her fifth,

sixth, seventh, and tenth grade classes. Other school activities that entitle Janice to the Secretary office are as follows: she is at the present time active on the Invitation and Publicity committees for the Junior Prom. During her Sophomore year, she was appointed as ticket chairman for the Sophomore Swirl and managed the position very efficiently. Janice was chosen by her fellow students to represent the school on the Football Queen's Court and Junior Prom Court. In addition to school affairs, she is active in "Rainbow" and has a perfect attendance at her church for the past five years. In spite of the many responsibilities she has in and outside of school, she has managed to obtain a "B" average through her entire school career. In the true sense of the word, Janice will make an excellent secretary.

Sandy High for Treasurer

We have chosen Sandy High to run for the office of Treasurer. Sandy's three years in

high school have been busy ones, but that has not affected her grades in any way, for she has been a prominent honor roll student. Some of the things which have kept her busy are being a member of Booster Club and an active Student Council representative. She was Co-Chairman of the Foreign Exchange Drive this year which proved to be a tremendous success and will be Chairman of the Drive next year. In addition to being a member of the Football Queen's Court, Sandy has just been elected to serve on the Junior Prom Court. Also, she has the position of Chairman of the Invitations Committee. Besides all of these things, we find that Sandy is active in other outside activities as well. One of these is holding the office of Vice President in her Junior Achievement Company. Because of her efficiency and ability as a leader we know that she will make an ideal Treasurer for the Student Council.

New Party Unites Students

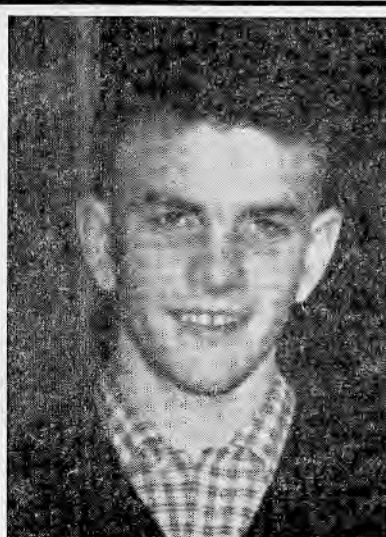

There will be a new party running in the Student Council elections this year. It will only **promise** what it **knows** it can give! It intends to actually work hard for the things the **majority** of the students really want. Its name is **UNITED STUDENTS**.

Tom Yarger is United Students candidate for President. He is the president of his church youth group. Tom has been a member of the Barnstormer and Student Council Boards. He has been the president of his home room for four consecutive semesters. Tom is a member of the Junior Prom Court. He was elected next year's captain of the swimming team. At present he serves as his home room Student Council representative. Tom has been a continuous member of the honor roll.

Our candidate for Vice President, Dave Dunlap, has been a varsity member of both

has also gone out for the varsity baseball team. Like Tom, Dave is an officer in his church youth group. He's a member of the Junior Prom Court. He too has been on the honor roll.

Alice Mull is our candidate for Secretary. Alice is one of those very few people who has

throughout her three years of high school. She is the **INTERLUDE** circulation manager. She was on the Basketball Queen's Court, and was also elected to the Junior Prom Court. She has been a Student Council home room representative and is a member of Jun-

For Treasurer, United Students offers Sue Johns. You have all seen Sue as our cheerleader captain. She was president of her freshman class, and is, at present, president of her home room. Not only is she a Student Council home room representative and a

board, but she is also a member of the intra-city student council. She was on the Football Queen's Court, and was elected to the Junior Prom Court. Sue is also secretary of the National Conference of Christians and Jews. This summer she will be Central's
