### Seniors Choose Kaman and Morrison

Kathy Kaman and Larry Morrison were chosen by the senior class to reign over the 1958 Senior Prom.

In an election held by the class last week, eight boys and eight girls were chosen to be members of the court. Another election was held in order to choose the queen and king. Members of the court are Joan Wolfe, Marilyn Krueger, Linda Hass, Janet Tiedge, Anita Klycz, Kay Parker, Bill Murray, Jerry Martin, Jim Kuehl, Denny Bishop, Mike Sacchini, Gary Shonborn, and Bob Jones.

Kathy and Larry have been very active during the past four years. Kathy has been a member of the football court for the past two years and was a member of the Junior Prom Court. Larry was a member of last year's Junior Prom Court.

Anita Klycz was a cheerleader, served on the basketball and football courts, and was a member of the Junior Prom Court. Linda Hass was a member of the Junior Prom Court and was basketball queen.

Marilyn Krueger and Kay Parker were members of the Junior Prom Court last year. Marilyn is treasurer of the Student Council and Kay was a member of the basketball court.

Joan Wolfe, Marylou Wild, and Janet Tiedge are also well known around Central. Joan is secretary of the Booster Club, while Marylou is also an active member. Janet has been quite active in Barnstormers.

Bill Murray, Mike Sacchini, and Denny Bishop were members of last year's Junior Prom Court. Bill is editor-in-chief of The INTERLUDE and president of the National Honor Society. Mike and Denny have both been very active in sports, especially in basketball. Denny is vice president of the N. H. S.

Bob Jones and Jerry Martin are also very active. Bob is vice president of the senior class, and was a member of the Junior Prom Court. Jerry has been in charge of making posters for many of the school dances. He too is a past member of a prom court.

Jim Kuehl was chosen by his classmates to be on the Junior Prom Court and Gary Shonborn has been a very active member in Booster Club.

### Three Senior Boys Receive Awards

Awards will be presented by the Kiwanis Club to three boys of the senior class with the highest averages, in each of the five South Bend High Schools. Fifteen of these awards will be given this year.

#### Gates, Taghon, Bremer From Central

The award winners from Central are Gregory Gates, Jack Taghon, and Gary Bremer. Gregory Gates' average was 97.5, Jack Taghon's average was 97.214, and Gary Bremer's average was 97.055.

These awards will be presented on Thursday, May 22, 1958. The awards will be presented at a luncheon at the LaSalle Hotel. These awards have started this year and will be given every year from now on.

Among giving scholastic awards, the Kiwanis Club also gives athletic awards.

#### Purpose Is for Academic Recognition

The Kiwanis Club is giving these scholastic awards because they feel that boys should be given some recognition for their work for four years.

They hope that they may be able to give scholarships to college to boys of South Bend in the future.

Presenting awards at the luncheon on May 22, will be Mr. Conley Poole, a member of the Kiwanis Club of South Bend.

### Sandy Arter Receives Trib. Writing Award

The INTERLUDE wishes to congratulate Sandy Arter, an INTERLUDE writer, on being chosen by the South Bend Tribune as one of the "outstanding writers" in St. Joseph County who writes on the high school Tribune page.

Sandy was treated to a banquet on May 6, at the Tribune cafeteria where she received her award of a gold bracelet with her name and date on it.

The articles are judged on feature as well as news stories. Also how well they were written and how much and the enrollment of the school.

### Cheer Practice Begins May 19

All girls who were interested in cheerleading have signed up with the sponsor, Miss Schierberl, during the week of May 5 through May 9. These girls' records are checked by Mrs. Sterzik to be sure they have at least a "C" average-scholasticwise. Mrs. Clair also checks to see if these girls have all their fees paid up to date, while their attendance and discipline records are checked by Mr. Richard.

#### Four Sessions

Four practice sessions will be held in the girls' gym at 7:30 on the mornings of May 19, 20, 21, and 22 with the eligible girls performing. Then, on May 23, try-outs will be held on the stage at 3:30. After each girl is given a number, she will appear before the judge three different times, once with a group of girls, once with one other girl, and once alone. After the judges, who will be student representatives from school-sponsored activities and faculty members (usually eight or so), have their scores totaled, the top eleven girls are selected as cheerleaders. In order to have a high score, a girl must have made a good presentation, as well as showing quite a lot of enthusiasm. These girls must also put on a good appearance, on the whole to be considered. The results of the try-outs will be made known on Monday, May 26.

Sandy has been active on The INTERLUDE since she was a freshman. Besides being an honor roll student, she also participates in Glee Club, Barnstormers and the Booster Club. At Marquette she was elected editor-in-chief of their paper.

Although she doesn't like to have it known, she also had her own paper which she printed and edited herself. This is where she obtained the beginnings of her newspaper interest.

Five other writers from the surrounding area were also awarded in such a manner. The INTERLUDE congratulates Sandy for this fine achievement.

### School Calendar

May 23 — Senior Prom which will be held from 9-12 at the Indiana Club.

May 26 — Senior Cap and Gown day.

May 30 — Memorial Day. No school.

June 3-4 — Final Examinations to be given 4, 5, 6 hours on Tuesday and 1, 2, 3 on Wednesday. School will be dismissed at 11:35 that day.

June 6 — Report cards will be issued at 11:00. School closes.

Sept. 2 — Registration for pupils.

Sept. 3 — Classes for 1958 - 1959 year begin.

### Grainger to Represent Central on TB Board

The past year, Bill Murray and Alice Mull have served as Central's representatives for the Junior Tuberculosis League. Since Bill is graduating, Jim Grainger, a sophomore A from home room 319, has been selected as our representative for next year.

This organization consists of a boy and girl representative from every school in South Bend, one being a senior and the other a junior. These representatives attend meetings which are held the second Wednesday of every month. These meetings are made up of business, entertainment, and refreshments.

The main purpose of this group is to give young people more knowledge concerning this dreadful disease and inform them of the methods of preventing and caring for it.

#### Numerous Projects

The activities of the T.B. League are numerous with the most outstanding one being charity work. Making baskets at Christmas time for the people at Healthwin Hospital and money raising projects are a couple of things classified under charity.

The poster contest is also one of the main activities of the year, and a scholarship is given to the person making the best poster. This scholarship was won a few years ago by a Centralite, Christine Tuveson.

### Barnstormers' Play To Be Given May 23

For quite a few weeks rehearsals have been going on for the next Barnstormer production, "Knave of Hearts." It will be presented by the newest members of the club so that they can have a chance to show their acting abilities. "Knave of Hearts" is a one-act comedy based on the Mother Goose rhyme of the same name. This play has been given many times, and though it may sound a little juvenile, it has been enjoyed by both children and adults.

#### To be Given May 23

It will be given for the Junior High as an assembly on May 23, and also for the Barnstormers club. James Lewis Casaday is directing it, and Juli Christman is the student director.

Another Barnstormer activity is scheduled for May 19. This is when the honorable mention winners will go to see "Auntie Mame" which will be given at the Palace. The students who will go are Nancy Manuszak, Henry Prebys, Thom Sholly and Don Willman.

### Staff Changes '59 Yearbook To Be Larger

To prepare next year's staff for running the paper, several practice changes are being tried this week.

John Lamberson is taking over as Editor-in-Chief, and he will work under the direction of Bill Murray, this year's editor. On page one, Lorraine Cohen will be in charge. Charlene Peretti, this year's page one editor will supervise Lorraine. Sue O'Malley will edit page two under Larry Morrison's direction. Karen Lawrence will be supervised by Barbara Stegman on page three. Jim Grainger will take over page four from Greg Gates. These changes will probably be in effect next week also.

### Council Ends 1957-58 Term

Larry Morrison presided at the last Student Council meeting of the year on Tuesday, May 6. This meeting was opened with a pledge and prayer given by Marvin White.

Due to the many complaints about "litterbugs" received by Mr. Ferrell from nearby business establishments and neighboring residents, and to the fact that there has been a lot of debris on the school grounds, Mr. Hughes has put up trash cans. The Student Council earnestly urged students to place their unwanted papers in these cans.

Also at this meeting, Nancy Manuszak reported the election machines have been taken away. Mr. Ferrell and Mr. Kuhny requested that the summer American Field Service plans be dropped.

#### Adams "Little 500"

The John Adams Student Council Scholarship Fund is having a bicycle race at three-thirty on May 23. Those wishing to purchase tickets, are to contact Larry Morrison.

Larry Morrison concluded the meeting by thanking the council for their cooperation.

### Interlude Picnic Was Held May 14

The INTERLUDE Newspaper and Yearbook staffs had their annual picnic on Wednesday, May 14, beginning at 3:30 p.m. It was held at Pottawatomie Park and only

### Centralites, It's A Date

It's A Date, for all those in Junior High to attend the "Knave of Hearts" a Barnstormer production, under the direction of Mr. James Lewis Casaday.

It's A Date, for May 22, to attend the Kiwanis Club awards banquet at the LaSalle Hotel. At this time our own Greg Gates, Jack Taghon and Gary Bremer will receive Kiwanis Club awards presented by Mr. Conley Poole, a member of the South Bend Kiwanis Club.

It's A Date, all future Cheerleaders — for May 19, 20, 21, and 22, at 7:30 a.m. Practice sessions will be held at these times for the try-outs on May 26, at 3:30

As the final steps are being taken to complete the 1958 INTERLUDE Yearbook the new 1959 yearbook is well on its way to becoming a big success.

The choice of new editors and managers has been made and the results are as follows: Editor-in-chief is Susan Hoehn replacing Myrna Woods, again for Activities Editor is Ann Siekman, Underclass Editor is Judy Smock replacing Susan Hoehn, Nila Grabowski is taking DewAnn Drout's place as Literary Editor, Faculty Editor again is Mary Balis, Classes Editor is Charlene Hans taking the place of Billie Leslie, Senior Editor is Billie Leslie replacing Jean Houck, Jim Wyllie is replacing Bob Rozewicz as Sports Editor, Business Manager is Janyce Sletten in the place of Joan Wolfe, Advertising Manager is Sharon Hauck taking the place of Francis Makris, and finally Circulation Manager will be Pam Rerick in Darlene Schanefeld's place.

#### Larger Staff

Next year's staff will have about seventeen members, which is larger than this year's staff.

Many things will be different concerning next year's yearbook. First of all there will be a reference index in the back of the book and consequently the pages will be numbered, this has never been done in the past. There are going to be more captions and name headings, and if possible, there will be individual junior high pictures instead of the usual group pictures. The introduction in the next yearbook will be smaller, thus allowing for the activities sections to be larger. Also there will be picture ads next year.

#### Same Price

Some of the things which will remain the same are the price, and the number of pictures in the activities sections.

The staff is now in the process of selecting a new and different theme to use in the 1959 yearbook.

those members of the staffs were allowed to attend.

The various editors and reporters for next year busily planned for the long-awaited affair. Alice Mull, general chairman, had as her committee members Sue Hoehn, Larry Morrison, and John Lamberson.

Besides the mainstay of the picnic, the food, various recreational activities were planned which added up to an enjoyable picnic enjoyed by everyone.

p.m., on the stage. Results will be issued on Monday, May 26.

It's A Date, for you boys to get those tuxes ready and for you gals to get those formals out because the Senior Prom is upon us! It's to be held at the Indiana Club from 9:00 to midnite on May 23.

It's A Date, for May 15, at 6:30 p.m. when the Junior Achievement Company will hold its annual banquet at the Indiana Club.

It's A Date, for all you Ushers to attend your banquet on May 22, at the Oldenburg Inn.

It's A Date, Future Teachers Association for May 20, when you have your tea.

## A Pleasant Experience

This year's senior class entered high school four years ago amid a multitude of warnings of dark things to come if we didn't compile a perfect high school record. We were told of the increasing difficulty of getting into college, of getting a job, of doing anything worthwhile with ourselves. We were warned that if ever we considered our schoolwork to be less than an onerous burden, this would be strictly at the risk of our future.

Perhaps all of this was true; perhaps, on the other hand, the picture painted was a little more pessimistic than necessary. Instead of being an ordeal to keep in line with all the requirements put upon us, most of this year's graduating class found that going through high school has been a quite pleasant experience.

The consensus of opinion seems to be that the effort required was not too great, and that the benefits received are substantial. The environment we have had during the past four years has been a most pleasant one. The school administration has done a topnotch job of making us feel at home, the faculty has instructed us well, and our classmates have been an agreeable lot. The "struggle for a sheepskin" has certainly been less difficult and bitter than expected.

Few members, if any, of the graduating group have sacrificed a great deal of entertainment and pleasure while doing the job expected of them. Most have taken an active part in the school social life, athletic program, and extra-curricular activities, in addition to their academic work. We have had full and profitable careers at Central and are grateful for the opportunity to enjoy them. We are not yet sitting in a classroom at the college of our choice, or employed in a high-salaried job — but we have got the foundation for either.

By BILL MURRAY, Editor-in-Chief.

## 'What Does That Mean?'

We speak with words. We write with words. Even if we communicated by thought, we presumably would do so in words. In thinking to ourselves, we employ words. So in order to understand, be understood, and be understanding, we must be the general of our army of words; we must have complete command of what we say and write. This all requires a healthy vocabulary.

Now there are several ways to develop a sound vocabulary. Reading is a particularly painless method. Well-read people always know what they are talking about and are able to make others comprehend what they are speaking of because of their vocabulary.

We in school are in the best position to learn more words and more about words if only because we are closer to books and because we have more time. The fair thing to do then is to extend a bit of effort toward picking up a few top-notch words every other day or so and making use of them in ordinary conversation.

## The Party Line

Well, seniors, only six and a half days left of secondary education, and for the rest of you just a little longer till another summer vacation. One of the most important things coming up for a lot of people is the Senior Prom, and it is only one week away!

Another big dance was last week — the Lettermen's Sports Dance. Among the many couples there we saw Charlene Hoke and Bob Taghon, Sue Gravid and Dale Matthews, Cynthia Schmidt and Paul Shimer, Bernie Stafford and Sandy Ward, Judy Smock and Bud Parker, Pat Mull and John White, and Nancy Kubiak and Jim Beebe.

It has been reported that Kathy Kaman and Jerry Dobecki (grad) have called it quits, which leaves a nice opening for some lucky guy or guys. Other gals on the loose are

Barb Dhaene, Peggy Wilke, and Mary Balis.

Everyone seen on the scene of the South Bend Armory last Friday seemed to be having a real crazy night, singing to the cool music of Eddie Sears and his J-Birds. Some of the dancers were Mary Lou Wolfe, Sally Foster, Jim Wylie, Mary Wheelock, Lois Zielinski, and Bill Schall.

Some of the kids at Janet Nowicki's party were her date Albert Walters, Lois Zielinski and Bill Womer, and Sue Glenton and Harry Lamberson. Rolf Grorud's date, Marcia Pliska, wasn't present, to the surprise of all. But everyone had a good time.

At last Clarence White and Karen Howell (Adams) have joined the ranks of steadies. And if anyone happens to see Mike Cashman walking around in a daze it's no wonder; the boy is ape over Mary Beth from Washington-Clay.

Congratulations are in order for the few brave girls who have shown up at school with chemise dresses. Some of these noble souls are Nancy Miller, Edyth Hayes, Karen Witters, Rosalind Taylor, and Kathy Atherton.

A few couples dancing to "Stardust Swirl" Friday night were Ann Seikman and Phil Martin, Gwen Oesch and John Reed, Sally Woolworth and Rolly Galloway (Riley grad), Kathy Kerestury and Kenney Delinski (Washington-Clay), Step Pawlak and Dick Szymczak, and the Rose twins, with Don and Dick, of course.

By the way, we hear that Gwen

## Gene Surveys Grads, Bear

In this article an attempt will be made to recall to mind some of the outstanding seniors and what we will probably remember most about them:

Fred Kahn—Never without his blue sweatshirt.

Larry Dennert — Came pretty close to the attendance record.

Greg Gates—"They are all snap courses." Captain of the tennis team.

Jerry Andrews — Headed the Booster Club assembly committee.

Charlene Peritti—You name it, she does it.

Jack Hayes—Gets any girl he wants.

Charlotte Nunley — Best dancer in school.

Randy Elliot—Flying high!

Bill Murray — President of the N. H. S.

Lee King—Never had girl problems.

DewAnn Drout—Always on the queen's court (except when queen).

Jim Kocsis—A real rockin' man. Marvin Ingram — One of the hardest-hitting fullbacks in the history of football.

V. Simmons—Hasn't been to the dentist in 18 years and has (look, ma!) no cavities.

Mike Kerestury—Always limping.

Everett Woosley—Brought class to Central.

Bob O'Brien—One of the mainstays of the "Under-the-clock-before-8:15" team.

Chuck Simon—One of the best presidents of the Booster Club we had this year.

Judy Reyneirs — Always a friendly hello.

Larry Morrison—Top vote garnerer in every election.

### Bear News

As everyone who was outside the school last Tuesday a week ago knows, the Central High School committee for the promotion of mascots was unable to secure a live bear for our school. Due to circumstances beyond anyone's control, we probably won't have a bear for at least another year. The Morgan-Kop Act of 1948 forbids live animals over 65 pounds at athletic events held after dark in St. Joseph County. This law hardly seems fair because we (Central) had a bear during the 1930's and seemed to get by all right. Two locally famous men are in Indianapolis, at the General Assembly right now trying to get the bill amended to exclude high school athletic events. I'm sure we all wish them the best of luck.

Many thanks to those of you who volunteered to house our prospective bear when the plea was put out. It is hard to say in words just how sorry we are in

—Gene Cohn.

## Congratulations, Mr. Graduate

There you are, seated with many of your friends. One by one each of them stands up to receive his or her diploma. This diploma is a certificate with four years of hard work behind it.

As the principal comes closer to your name, you suddenly remember your four years of high school. Quickly thoughts flash through your mind. The time when you were a freshman and got stuck in the elevator. From then on you decided not to let any upperclassman help you out. Then that sophomore year when you suddenly noticed the opposite sex. Remember that subject you didn't like, and all the essays you had to write.

The time you let the snake go in biology class, and the three months of staying after school for pulling such a stunt.

Coming into the third year, you find the extra privilege that you didn't have before, quite agreeable to your way of thinking. The Junior Prom, the highlight of the year, which you most enjoyed. Then the time you were able to drive alone. Getting arrested for speeding, were your parents mad!

The year you have waited so long for has suddenly ended. As you ascend the steps to the stage all these memories leave you, for now you take your first step toward the future.

—Linda Orban.

## Arizona-bound Linda Bixler Has Active Past

Lovely little Linda Bixler is the object of our affection this week. Bix, as she is popularly titled, was born in South Bend but lived in North Carolina, Minnesota, and Arizona before once more returning to South Bend. Concerning pre-high school education, Linda attended James Monroe and Muesel schools prior to Central. At Muesel, Linda was a member of the Glee Club and the school paper, The Portage.

As a freshman at Central, Linda joined the Booster Club, and in her sophomore year, she became a member of the debating squad. This second year also found Bix writing for The INTERLUDE on pages one and three.

### A N. H. S. Member

Progressing to her junior year, Linda was inducted into the National Honor Society and was

named assistant to the page one editor of the paper. She was on one of the Junior Prom committees and was elected to represent her home room in the Student Council.

Almost a "grad" now, Linda has quite a few accomplishments to her credit for her last year at Central. She has been the exchange editor for The INTERLUDE, secretary-treasurer of her home room, and is currently on the programs committee for the Senior Prom. English, Latin, and social studies have been her majors. Linda's scholastic record is excellent also. She has always been on the honor roll, and is rated 12th scholastically in her class. In the recent National Merit Scholarship Test, Linda received a certificate of honor — quite an accomplishment. She

also was awarded a bronze medal in the State English Contest which took place not too long ago.

### Likes Water Skiing

Linda is by no means active in school alone. She is secretary of her church youth group and her number of interests is many. Among the many activities she enjoys, we find water skiing, reading, and going to the lake at the head of the list.

Concerning the future, Bix plans to attend the University of Arizona and major in psychology. "People are interesting," was Linda's intriguing remark when being asked why she chose psychology for a major.

Well, we're sure that Linda will have a very rewarding future and we wish her the best of everything in life.

—Sue O'Malley.

## Man To Man

What's next for us males to face here at Central? First it was a scant group of Central men sporting women's shoes (saddles), then following this, during the winter many girls actually wore knee socks to school. But now, the end!! Girls in sacks!!! Now, this would be truly lovely — if the girls would wear them where they belong — across the ocean in France.

Miss Semortier who, one way or another, always finds some sort of a nickname for everyone, has done it again. Observing Dave Moeller's large starry bug eyes, she dubbed poor Dave bright eyes. Dave claims his bright eyes are caused by having to keep his shirt collar buttoned. This bothers Miss Semortier who has her eye on a real swell guy from Wittenburg, but had to miss a big dance last weekend because of an eye infection.

What's this we hear about Billie Leslie and Dave Dunlap spending the weekend at Wooster College? The purpose: to visit Dave's sister.

Bob Freshley is turning all of his attention towards Mishawaka these days; the attraction is a girl named Sharon More. Romance: Lee Baker and Marge Walker are now going steady.

The talk is that Phil Acton, Jim Anderson, and Steve Rozek have been having some pretty entertaining and exciting lunch hours. The question is where do they go?

ortier a little for she now demands that Mr. Bright Eyes Moeller wear sun glasses.

John Boyer, certainly a character of many haps, is currently engaged in mathematical formulae to determine just how close is "too close." Seems John was ticketed for following too closely!!

Bud Hayden appears to be having quite a bit of trouble in his fourth hour class — he's constantly jumping and fidgeting something fierce. Jerry Sloan, Steve Guy, and Don Miller have an awful lot to do with it. Tacks also play an important role. P-P-Piercing thought, no???

This week, Man to Man would like to introduce one of Central's greatest all-around athletes — George W. (W for wisdom) Little. George was the star athlete at Linden, where he played basketball with Rudy Andersen. Next year George plans to go out for the cross country or track team. George is also a fast man in the swimming pool where he is an instructor. Mr. Little claims his speed in both sports is gained from always being pursued by girls!!!

### Central Scene:

Craig (Huck Finn) Gustin spending a lot of time in Central's Little Theatre . . . Doug Baer seen Wednesday night in a convertible without Mr. Emerick . . . Most everyone remarking how "tuff" Eddie Sears and group sounded last Friday at the Armory.

—Bill Schall.

# Many Changes To Be Present in Yearbook

Mr. Madden and the members of the Yearbook staff have worked hard this year to present to the student body what they consider to be the best Yearbook Central has ever had.

There are to be many changes in this year's book. For instance, the cover of the book will consist of two different colors instead of the usual two shades of just one color. Mr. Madden pointed out that for the first time the entire yearbook staff voted unanimously for the new cover. Any additional information concerning the colors and the cover will not be disclosed until the books are distributed.

### Sixteen More Pages

The new 1958 Yearbook will also consist of sixteen pages more than any previous issue. This comes to a total of 144 pages, and thus more space can be devoted to each section.

Not only will the senior pictures be large this year, but the junior, sophomore and freshman pictures will be large as well. Other pictures printed will be more detailed.

### Will Arrive May 23

The new Yearbooks are expected to arrive and be ready for distribution to senior subscribers on May 23. The exact date that juniors and underclassmen will receive their books is not yet known.

# Tri-Hi-Y Dance Cash To World Service

Everybody that attended the recent Tri-Hi-Y dance will readily agree it was a huge success. The dance was held Thursday, May 5, from 3 to 5 p. m. in the girl's gym.

This is the first year such a dance has taken place, but, from all indications, we will probably see more of them in the future. The proceeds from the dance are going to go to the World Service.

### Officers to Be Elected

Election of officers for the Tri-Hi-Y will be held at the next club meeting, and the officers will be installed before school is dismissed.

# Band Presents Mich. Concert

The Central High band made one of its last appearances for the concert season, Thursday, May 8th, when it played in Sturgis, Mich., for Sturgis High School. This was what is usually termed as an "exchange concert," which is presented in return for a concert by the other school's band.

### All-Day Affair

The trip was an all-day affair, beginning around eight o'clock in the morning and ending in the late afternoon. The Sturgis High School students were reported as being "very receptive to the band from Central."

Mr. Steele, the principal of Sturgis High, introduced the numbers and afterwards congratulated the band on the performance. The numbers played by the young musicians were also included in their Pop Concert program given to the Central student body, May 15th.

### Ate at Pokagon Park

The band, traveling in two buses, stopped at Pokagon State Park for lunch. Each member brought a sack lunch.

Central will be represented in the Armed Forces Day Parade, May 17, as the band is one of two planning to march.

### Students Urged to Join Band

Mr. Singleton, the band director, urges all young students interested in music to join the summer band.

# Mr. Maple Leaves Central After 31 Years of Service

As the years roll on, many changes have occurred in our school. The walls have been painted and repainted. Brilliant leaders, average happy homemakers, and unsettled discontented people all have walked down the halls with their small joys and sorrows. Moreover, Central High School has said "adieu" to many of its finest faculty. This year is no exception, for as we stroll along our hallowed halls, we find that some of our own familiar teachers have decided to say good-bye to school days.

### Plans to Travel

Among those leaving us is Glenn W. Maple, who is going to a sunny life of casual living and traveling down South. Yes, Mr. Maple, that renowned debate coach is leaving us this June. However, he has left behind him 31 years of devoted service to Central High.

### Stressed Debate Importance

When he came to us in 1927, he had a fine record of teaching behind him already. When, in 1938, he began to coach debate, Central began to win statewide recognition in that field. Mr. Maple felt that a debate team is as important as other school activities, and insisted that debate be held as a class during school hours. We were the only school in the city who can boast of having a scheduled hour for debating.

### Win State Title

In 1940, Mr. Maple's enthusiasm for debate led him to enroll our school in the National Forensic League. We also joined the Saint Joe Valley League and have won the trophy in its competition fourteen out of sixteen times. However, in 1955, Mr. Maple and his team brought glory to Central by winning the state championship and traveling to California for the national competition.

So Central will be sorry to see Mr. Maple leave, but he has left behind him a fine record and many students indebted to him for his patience and tolerance.

# Tea Being Planned By Future Nurses

Ever dream of becoming a nurse? Central's Future Nurses Club is encouraging and helping girls make this dream a reality.

To help the Future Nurses discover the particular field of nursing in which they might be interested, the following speakers have been presented: Mrs. Eileen Parks, Industrial Nurse; Miss Williamson, Supervisor of Nurses at St. Joseph Hospital, and Christine Marosz, a student nurse at St. Joseph Hospital.

The group is now in the process of planning a Mother-Daughter Tea.

MEL ROSS

## Meet M. Ross; Dash Champion

Melvin Ross is one of the main reasons the Central track team is not being overlooked as a contender for the 1958 State Track title.

The 5 ft. 10 in., 180 lbs. senior has been bothered by occasional back injuries, but like the great athlete he is, Mel took firsts in the 100 and 220-yard dashes in the NIHSC meet only two days after having one of these back troubles.

### 9.9 Century

Last year Mel ran the century in 9.9 seconds but although having a better all-round year this season, he has not been able to better 10 seconds flat. He has done this three times.

Mel is undefeated in his specialties this year and the INTERLUDE wishes him the best of luck in keeping it that way, right through the State meet.

## Baseball Mark Slumps To 2-7

South Bend Central's varsity baseball team so far this season has had some tough luck. Going into their game last Monday, they had a 2-7 record for the season and one win and four defeats in their Conference games.

In their outing against Adams last Friday, May 9, the Bruins lost a real close one, 3-1. Central's lone run came in the seventh inning when Chudicki was hit by a pitched ball, and then Acton got a single to drive the run across.

### First Inning Burst

Adams got a pair of runs in the first inning and one more came in the seventh to end their scoring efforts.

With six games left on their schedule, things should be looking up a bit. Four of these contests took place this last week, but because of the deadline, none of these scores were available.

The remaining games left for the Bears to play on this season's schedule are:

- May 19—Niles -----Here
- May 20—Mishawaka -----There
- May 12—Elkhart -----Here
- May 13—St. Joe -----There
- May 15—Riley -----Here
- May 16—LaPorte -----Here

The games played this last week were against:

- May 12—Elkhart -----Here
- May 13—St. Joe -----There
- May 15—Riley -----Here
- May 16—LaPorte -----Here

The Elkhart, LaPorte, and Mishawaka games are conference contests. The St. Joe game was a night contest at Bendix Park.

Coach Lou Newbold blames the current losing streak to weak hitting, but he hopes for improvement in the near future.

We at the INTERLUDE join Mr. Newbold in hoping the hitting improves and the team brings their record up.

## 12 Individuals, 2 Relays Make Bear Squad Threat

Coming into the Mishawaka Regionals today at Tupper Field are athletes from Sectionals at Gary, Hammond, Frankfort, and Mishawaka. The meet is scheduled for 2 p. m. Other regionals are at Bloomington, Fort Wayne, and Indianapolis.

The team favorites for this weeks eliminations include Gary Roosevelt, Hobart, and our own Central Bears. Coach Jim Early said that if both relay teams survive the regionals and qualify for the finals, the Bruins stand a good chance of winning the State Crown at Indianapolis a week from tomorrow.

Individual favorites include Central's Mel Ross and Dave Underly. Gary Froebel has two excellent hurdlers in the form of Nathaniel Gains and Willie Ford. Both Froebel relay teams, which are very good, failed to qualify. Gary Roosevelt has a very strong mile relay team along with our Bruin's, and Emerson and Tolleston from Gary will give Central's 880 relay squad some interesting competition.

### Bears Sweep Sectionals

The Central trackmen completely dominated last Saturday's Sectionals compiling 62 points at Mishawaka's Tupper Field. Scoring in 11 of 13 events, the Bruins won their fourth consecutive Sectional crown. Washington placed second with 28 1/5 points. Michigan City, Mishawaka, and Adams followed in that order.

Two records fell during the hot afternoon. Mishawaka's Fred Stockbarger broke his own mark in the shot put with a heave of 56 feet 1/2 inch. The slow track hindered the dashmen, but Central's half-mile relay team composed of Mel Ross, Cassell Ross, Joe Winston, and John T. West turned in a 1:33.1 time to crack the ten year old mark of 1:33.5 set by Mishawaka.

### Two Double Winners

Central's Mel Ross and Washington's Arvester Brooks were the only double winners of the meet in winning their specialties. Ross won the 100 and 220-yard dashes in 10.1 and 22.7 seconds, respectively. Brooks won both hurdle events—taking the low barriers in 21.1 seconds and the highs in 15.6 seconds.

Other winners for the Bears who qualified for today's regional eliminations were Cassell Ross with a leap of 21 feet 3 1/2 inches in the broad jump and Dave Underly in the pole vault. It was believed that Underly had broken the record, but a measurement revealed that the winning mark was 11 feet 11 1/2 inches. Also placing were Holmes in both hurdles taking a second and third, Walls taking second in the low hurdles, West grabbing two seconds in the 100 and 220-yard dashes, Carter placing fourth in the mile run, Love taking second in the pole vault, and Doakes winning second in the high jump. Central's mile relay team made up of Bobby Graham, Sam Martin, Joe Wesley, and Richie Greene qualified by copping a first with a good time of 3:33.6. Over all the Earlymen advanced nine athletes for twelve places in the individual events and moved both relay squads to the regionals.

The Central trackmen would like to see a lot of students at the Regionals and also at the City Meet at Notre Dame next Tuesday.

—John Lamberson.

## BEAR FACTS BY CUBSKIN

Central partisans certainly have every right to be proud of their fine track squad. Coach Early's crew dominated the scene of last Saturday's sectional meet by scoring in 11 of the 13 events. Cubskin especially wishes to congratulate the half mile relay of Mel Ross and Cassell Ross, John West and Joe Winston, which broke the existing half mile record by 4 tenths of a second. This was done on a rather slow dusty track.

Mel Ross, who injured a back muscle two weeks ago, was one of the meets two double winners. Ross raced home first in the 100 and 220-yard dashes. Right behind Mel in both events was John West. Arvester Brooks from Washington was the afternoon's only other double event victor.

Coach Newbold's baseball squad could use some honest to goodness fans. The Bruins, who have won only one game this season, were supposedly one of the more powerful teams in the conference. But a lack of fans seems to have placed the varsity nine in a losing way this year. Also, the veterans who were supposed to bolster the squad have failed to come through with good hitting.

Last's weeks prediction that Harry Lamberson would break a hundred at Studebaker finally came true. Harry was in the trap 120 feet from the green on the 18th hole with a 98. His illustrious brother John Lamberson conceded the shot to give Harry a 99.
