

# PIONEERS

It is the belief of the 1965 **Pioneer Party** that a Student Council is run by the students, and that its purpose is to work for the students. This is one of the basic foundations of any democratic organization.

Last year this belief became a reality when the **Pioneers** of 1964 took office. This brand new party made a clean sweep of the four offices and brought with it an air of healthy leadership. Its purpose was not to continue the unimaginative, minor activities of the past Student Council administrations, but to form the Student Council into a dynamic organization. To do this, a platform of seventeen planks, each of which promised **progress**, was brought forth.

As was quickly seen by the student body, these planks were not just campaign promises to be forgotten as soon as the returns were in. From the very beginning the party was on the move, investigating and fulfilling its planks. Of the seventeen planks, twelve were completely fulfilled. The other five were investigated fully, but due to certain circumstances they could not be accomplished. Here are just **some** of the

specific fulfillments of the 1964 Student Council: sponsored awards for straight-A students; established fund for memorial plaques for retiring teachers; supported academic endeavors both in spirit and financially; promoted and fully backed all the activities of the Central High School Girls Club; continued the re-organization of class elections; published the freshman orientation booklet; published an accurate and inexpensive Student Directory; expanded the intramural sports program,

which now includes water polo; and promoted closer cooperation between the Student Council and the Booster Club.

In addition, all traditional activities of the Student Council were continued and carried out in the Central High School fashion.

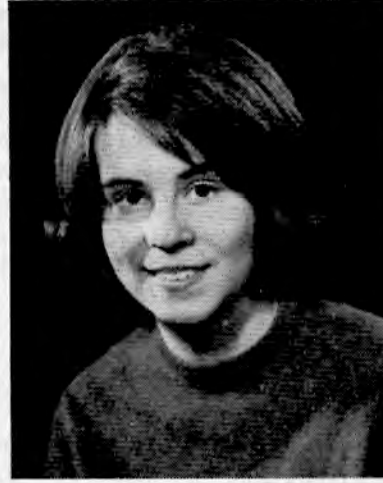

It can easily be seen by these many accomplishments that the past **Pioneers** administration has done more than any other administration in the recent history of the Central Student Council, and in so doing, has started a tradition of **progress**. This tradition must not stop now. The present **Pioneers** platform is filled with more progressive planks, and along with the platform are four outstanding candidates whose qualifications have prepared them to take on this important task. If the **Pioneers** candidates are elected, this tradition will not stop, for the **Pioneers** has been and will be a **party of progress!**

## UNITED STUDENTS

The 1965 **United Students** party was formed earlier this year through a combination of three of the major parties involved in last year's election. It arose out of the feeling that this was the time for all conscientious Centralites to unite in an effort to achieve one common goal: an efficient and responsible Student Council. **United Students** believes that the basis for a strong student body is the ability of its student government to reach the individual student. The party feels that a responsible Student Council must be obligated to keep the students aware of its past, present, and future activities. That is why this party, the **united** party, the **progressive** party, the **quality** party, has chosen as its first and foremost goal the re-establishment and re-organization of the Student Council into the governing body that it once was. To attain this goal **United Students** members intend to investigate and to make any necessary revisions in the Student Council Constitution, and naturally plan to carry on all traditional Student Council activities, expanding them whenever possible to include more of the student body.

In noting the qualifications of each candidate, leadership and participation stand out as the outstanding characteristics of each **United Students** representative. This is illustrated by the participation of each candidate in various activities during the freshman, sophomore, and junior years. Mickey Tuesley has been an active Booster Club member all three years, serving on the executive board. Last year he was a nominee for Booster Club Vice President. He has served on the freshman and sophomore class executive boards.

He is now president of the Junior Class and general chairman of the Junior Prom.

Tom Hall is also an active Booster Club member, serving on the executive board. He was Sophomore Class Vice President and is now on the Junior Class executive board.

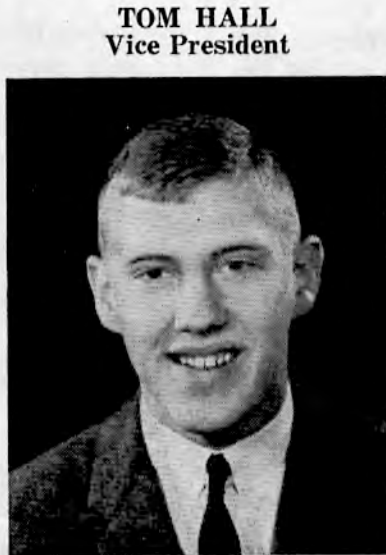

Susan Reuthe served on the Freshman and Sophomore Class executive boards. She is now a Junior Prom committee chairman. She was a Booster Club representative for two years, serving on the executive board. This year she is the Booster Club secretary.

Audrey Hayes, now a member of the Junior Class executive board, was the Sophomore Class secretary. She is also a Student Council representative.

**United Students** believes that these students would best represent Central High School's tradition, and asks you, each Centralite, to consider the qualifications of each candidate from **United Students**, and to examine and compare platforms with past Student Councils. Then cast a ballot for the most responsible and efficient 1965-66 Student Council.

## 'A Touch of Spring'

"A Touch of Spring" is this year's theme for Central's Junior Prom at the Knights of Columbus on May 1st. Bobby Wear and his Orchestra will provide the music from 9:00 p.m. to 12:00 p.m.

The following committees and heads and their advisors are in charge of the final arrangements: Publicity, Janina Bratina—chairman, Sandy Cohen, Dennis Smith, Cathy Lake, and faculty advisor Mr. Thomas Hoyer; Tickets, Nancy Powers—chairman, Sandy Frank, Becky Myers, Doug Coddens, and faculty advisor Mr. John Wilmore; Programs, Sharon Fabian—chairman, Marsha Mason, Thom Hall, Michelle Rockwell, Candi Dunsizer, and faculty advisor Miss June Waterman; Invitations, Becky Irvin—chairman, Angela O'Brien, Audrey Hayes, Nana Wagner, and faculty advisor Mrs. Anita Landry; Decorations, Dave Wuthrich—chairman, Sharon Fabian, Ann Hintz, Kris Langell, Raoul Joers, and faculty advisor Mr. Floyd Kuzan; Coronation, Peggy Orr—chairman, Donna Sandine, Gregg Barth, Wade Fuller, and faculty advisor Mrs. Teresa Sullivan; Song Poll, Susan Reuthe—chairman, Virginia Reed, Marilyn Boyer, and faculty advisor Miss Jeanette Smogor. The general chairman of the prom is Mickey Tuesley and his co-chairman is Wade Fuller.

One boy and one girl will be chosen from the following list of people as Prince and Princess of the Junior Class. They are: (boys) Mickey Tuesley, Wade Fuller, Karl Simon, Thom Hall, Rick Niezgodski, Gregg Barth, and Don Kyle; (girls) Angela O'Brien, Audrey Hayes, Susan Reuthe, Donna Sandine, Becky Irvin, Marilyn Wallisch and Sandy Cohen.

Tickets may be purchased for \$2.50 per couple from Junior Class executive board members.

## I.U. Offers Summer Sessions

"In order to accommodate more students, Indiana University is encouraging graduating seniors and outstanding high school juniors to start their college studies early by enrolling next summer in college-credited courses," said Dr. Samuel E. Braden, vice-president and dean for undergraduate development at Indiana.

The early enrollment program is designed to encourage high school graduates to enter college during the summer session immediately following their graduation, and to permit outstanding and mature high school students to take college courses for credit during the summer session prior to their graduation.

Seniors or juniors who are interested in attending Indiana University may enroll on either the Bloomington campus or at one of the eight regional campuses or centers. Applications for admission to the University for the Regular Summer Session, which begins June 22, should be filed in the Office of the Director of Admissions at Bloomington before May 15. Interested students should see Mr. Harter for information or application procedures.

## CALENDAR

**April**

## NEWS BRIEFS

The band will take a "Round Robin" trip for concerts at feeder schools and lunch at Holly's.

Eunice Speake, Central graduate, was named first runner-up for the St. Joseph County Beauty Pageant, and Irene Theodosius, also a graduate, was second runner-up.

Winners in the State Math Contest were Bill Inwood, first place, Mike Porter, second place, and Sally Eicher, third place.

The Junior Catholic Inter-racial Council will meet May 14 at St. Matthews School at 3:30 p.m. Melvin Joseph is the Central representative and all teens are invited to come.

At the April 10 state band and orchestra contests, Central's orchestra received a first place award and band a second place award.

Three members of Central's Hi-Y Club attended a state-wide Youth and Government program, sponsored by the YMCA, April 2, 3, 4. These students were Henry Martin, Greg Barth, and Mike Elias.

## EDITORIAL

## 'Teens for Fluoridation'

Why does South Bend not have fluoridated water? According to Dr. Herbert A. Schiller, president of the St. Joseph County Medical Association and instigator of the recent drive to bring fluoridation to South Bend, South Bend is ten years behind the times with respect to Fluoridation. He says that there are several reasons why South Bend does not have fluoridation.

The primary reason is that there is a lack of interest in fluoridation on the part of the citizens. Dr. Schiller says that the majority of people do not recognize the value of a water fluoridation program. He points out that fluoridation can cut cavities in children as much as two-thirds.

Another reason for non-acceptance of fluoridation in South Bend is that some people are misinformed about it. Some people consider fluoridation unconstitutional and socialized medicine. It has been declared constitutional by courts on the local, state, and national levels, and the American Medical Association has declared that it is not socialized medicine. Dr. Schiller urges everyone to demand proof for any statements made against fluoridation.

A third reason that South Bend does not have fluoridation, according to Dr. Schiller, is the twenty-five or thirty hard core anti-fluoridationists in the community. Many of those against fluoridation are misled, and others are against it for personal gain or publicity. It is evident that the opposition to fluoridation in South Bend is much better organized than those people for it.

Dr. Schiller has taken steps to organize pro-fluoridationists by forming a committee called "Teenagers for Fluoridation." He believes that teenagers can be the most beneficial in bringing fluoridation to South Bend. Because young children receive the most benefit from fluoridation, teenagers that are soon to be married and have children should begin to look forward to their families' welfare.

Any teenager interested in fluoridation in South Bend should call Ried Lichentfels. His phone number is 232-2781.

Due to the fact that this issue is the election issue, information regarding date, volume and copy number was not indicated on page one and may be found on this page in the masthead. This issue is also a lucky issue. Please note that this is issue thirteen and volume thirteen, and the only such issue that will ever occur.

## Ruth Hilton, Former English AFS Student, Writes 'Home'

Centra-al High-igh-igh! How often I've longed to hear that raucous yell at the games, but I have to be content with photographs and memories for the time being.

College life here is more sedate than ever school life was in South Bend, and although Trent Park is considered to be very large by English standards, I miss the hustling and bustling in Central's halls between the outskirts of London in an old country estate. It is probably one of the most beautiful colleges in England, as it lies in 600 acres of farm and wood land, but it has one big drawback, the college drive is 1½ miles long and for a day student, as I am, it is no joke to have to walk it twice daily. However, I have just passed my driving test and hope soon to buy myself a car. (After telling you last year that English kids don't get cars the moment that they can drive. Apologies all 'round.)

I am doing a three-year teacher training course after which I will do one year probation teaching before my teaching diploma is endorsed. My main subject is General Science with a bias towards Biology. I am the only first-year girl taking a Science course, the

rest of the group consists of 14 boys. I haven't decided yet whether I want to teach Junior or Senior pupils so I'm doing a Junior Secondary course which covers both.

By now the other students have gotten used to my wearing sneakers and sweatshirts but I dare not appear in Bermudas. They are safely packed away awaiting my return to the States, which will be, I hope, in the not-too-distant future.

—Ruth Hilton

## Girls' Club to Give Water Ballet Water Polo Games Scheduled

Central's Girls Swim Club will present a water ballet, "Swim-A-Lodian," April 23 in the Central pool. Two performances will be given at 7 and 8 p.m. There is a 35¢ admission charge and tickets are limited due to the size of the pool.

Co-directors of the event are Marilyn Boyer and Sue Ruethe, who are assisted by Gretchen Strandhagen. Sandy Cohen is mistress of ceremonies and Jim Rossau is in charge of lighting. Choreography was planned by Marilyn Boyer, Beth Johns, Marianne DeCroes, Marsha Manso, Sue Ruethe, Gretchen Strandhagen, and Miss Mathews.

The girls will present 11 numbers, including duets, trios, group numbers, a candlelight number, and a clown act.

Participants are the following: Nancy Bennett, Susan Bennett, Marilyn Boyer, Helene Britton, Nancy Buczkowski, Priscilla Campbell, Kathy Claeys, Marianne DeCroes, Pat Dosmann, Gail Fulnecky, Bayla Halasz, Terry Hart, Kathy Houser, Beth Johns, Evelyn McNeely, Marsha Mason, Lana Paul, Lorraine aPul, Sheila Reeder, Sharon Renforth, Sue Ruethe, Donna Sandine, Cheryl Shumaker, Cidy Smith, Gretchen Strandhagen, Ann Swanson, Mary Whittinger, and Ann Zapf.

Central's first Intramural Water Polo Tournament will start on April 26th. The games will be played in the school pool after school. The teams will consist of a maximum of seven players and a minimum of five players. The sponsor, Mr. Robert Saltz is urging that the teams enter as a homeroom. No one will be excluded because of insufficient number of players from a homeroom. If this situation does occur, players will be permitted to enter as individuals. Each player on the team will receive a ribbon; and a trophy will be awarded to the winning homeroom.

## City Tourney Imminent As Bears Await

With Central's baseball season well under way, Central's chances of successfully defending the city championship crown look excellent. This year Central will field one of the more experienced teams in the area, having six lettermen on hand from last year's squad. This nucleus of the team, including two returning pitchers and some promising underclass hopefuls, will attempt to bring to Central an unprecedented third city championship and a second straight title year. Along with this experience, as indicated already this season, must go support from the mound. If this season is to be indeed a success, performances from this position will have to improve.
